

TABLE OF CONTENTS

Acknowledgements

| | |
|-------------------------------------|---|
| Introduction to Volume II | 1 |
|-------------------------------------|---|

Part I - National Transportation Policy

| | |
|---|---|
| Chapter 1 - Structure of National Transportation Policy . . . | 9 |
|---|---|

| | |
|--|----|
| The Objective of National Transportation Policy | 11 |
|--|----|

| | |
|---|----|
| Elements of the National Transportation Policy | 12 |
|---|----|

| | |
|--------------------------------------|----|
| Limitations of Competition | 13 |
|--------------------------------------|----|

| | |
|--|----|
| Basis for Regulatory Control | 17 |
|--|----|

| | |
|---|----|
| Chapter 2 - Incidence of Investment Patterns on Transportation Competition | 21 |
|---|----|

| | |
|---|----|
| Chapter 3 - Pricing under Conditions of Satisfactory Competition | 43 |
|---|----|

| | |
|---------------------------------------|----|
| Traditional Railway Pricing | 44 |
|---------------------------------------|----|

| | |
|-------------------------------------|----|
| The Impact of Competition | 47 |
|-------------------------------------|----|

| | |
|--|----|
| The Evolution of Pricing Practices | 58 |
|--|----|

| | |
|--|----|
| Pricing and the Nature of Service Differentials | 60 |
|--|----|

| | |
|---|----|
| Competition and National Transportation Policy | 62 |
|---|----|

| | |
|--------------------------------------|----|
| Minimum Rate Control: Railways . . . | 66 |
| Minimum Rate Control: Trucks | 70 |

| | |
|--|----|
| Railway Rates and Other Assets and Income | 71 |
|--|----|

| | |
|---|----|
| Rail and Non-Rail Operations: Accounting Classifications | 76 |
| Railway Ownership of Truck Lines . . . | 80 |

| | |
|---|-----|
| Chapter 4 - Pricing in Areas of Significant Monopoly | 83 |
| The Determination of Significant Monopoly | 85 |
| Measures of Significant Monopoly | 92 |
| Objectives and Attributes of Maximum Rate Control | 95 |
| Mechanism of Maximum Rate Control: Railways | 99 |
| Application of Maximum Rate Control | 104 |
| Introduction of Maximum Rate Control | 109 |
| Maximum Rate Control: Trucks | 113 |
| Appendix A | 116 |
| The Demand Function | 116 |
| Competition and Monopoly | 117 |
| Chapter 5 - Rationalization of Railway Plant | 122 |
| Trends in Rail Utilization | 125 |
| Rail Utilization 1926 to 1959 | 126 |
| Future Needs for Rail Transport | 132 |
| Technological Changes | 136 |
| Summary | 137 |
| The Mechanics of Rationalizing Railway Plant | 137 |
| Provision of New Rail Facilities | 145 |
| Duplication of Plant and Services | 146 |
| Appendix A | 152 |
| Some Considerations of the Impact of Abandonment on Investment Tied to Rail Transport | 152 |

| | |
|--|------------|
| Chapter 6 - The National Transportation Policy and Effective Regulation | 159 |
| Transportation Advisory Council | 162 |
| Organization and Structure | 166 |
| Transportation Statistics | 169 |
| Publication of Studies | 175 |
| Regulatory Agencies and Cost Data Analysis | 176 |
| Regulatory Agencies and Enabling Legislation | 177 |

Part II - National Policy and Transportation

| | |
|---|------------|
| Chapter 7 - Transportation in National Policy | 180 |
| Transportation as an Instrument of National Policy | 181 |
| Transportation's New Role in National Policy | 196 |
| Conclusion | 200 |
| Chapter 8 - Transportation as an Instrument of National Policy: Three Case Studies . . . | 202 |
| 1. Maritime Freight Rates Act | 203 |
| National Policy in the Maritime Freight Rates Act | 204 |
| The Need for Change in the Act | 206 |
| Analysis of the Need for Change | 210 |
| Considerations Respecting the Application of the Act | 211 |
| Restriction of the Act | 212 |
| Extension of the Act | 214 |
| Extension of the Act and the Position of the Railways . . . | 215 |

| | |
|---|-----|
| Chapter 9 - Transportation and National Development | 259 |
| Special Problems of Newfoundland | 263 |
| Existing Transportation Facilities | 264 |
| Transportation Policy for Newfoundland | 267 |
| The Use of Transportation to Stimulate the Economy | 271 |

Part III - National Transportation Policy

Chapter 10 - Epilogue 274

Reservations and Observations

by Commissioner Anscomb 286

Appendices

A - Staff

B - List of Submissions

| | |
|---|-----|
| Appendix A | 216 |
| Special Regional Assistance | 216 |
| The Case for Transportation Assistance to the Atlantic Regional Economy | 216 |
| 2. The "Bridge" Subsidy | 220 |
| Subsidy Payments Formula | 222 |
| Rate Reduction Formula | 223 |
| The Application of the Subsidy | 225 |
| Application of the Rate Reductions | 226 |
| Considerations Relative to the Subsidy . . | 226 |
| 3. Feed Freight Assistance | 233 |
| Application of the Subsidy | 237 |
| Effects of Feed Freight Assistance | 239 |
| Considerations Relative to the Subsidy . . | 244 |
| Appendix A | 248 |
| Regulations Respecting the Payment of Freight Assistance on Western Grains and Millfeeds Shipped Into Eastern Canada and British Columbia | 248 |
| Comparison of Shipping Charges | 251 |
| Data Pertinent to the Study of Feed Freight Assistance | 253 |
| The Maritimes | 253 |
| Quebec | 255 |
| Ontario | 257 |
| British Columbia | 257 |

LIST OF TABLES

| | | |
|------------|---|-----|
| Table I | - Tonnage Moved by Type of Traffic, Waybill Analyses, 1954-59 | 56 |
| Table II | - Per Cent Return on Total Investment in Canadian Pacific Properties and Companies Classified as Rail and Non-Rail for the Ten-Year Period 1950-59 | 76 |
| Table III | - Tonnages Moving Over Main and Branch Lines of Canadian National Railways by Regions, 1926-59, in Gross Ton-Miles | 128 |
| Table IV | - A Comparison of the Tonnage Carried on Railway Lines in 1931 and 1954 | 130 |
| Table V | - Reductions from Standard Rate of \$3.00 per 100 Pounds Resulting from the "Bridge" Subsidy | 224 |
| Table VI | - Cost of Track Maintenance in the "Bridge" Area, and "Bridge" Subsidy Payments to the CPR and CNR Annually, 1952-59 | 225 |
| Table VII | - Feed Freight Assistance, Year Ending March 31, 1961 | 236 |
| Table VIII | - Feed Freight Assistance as a Percentage of Freight Charges, 1960 | 238 |
| Table IX | - Comparison of Shipping Charges on Feed Grain, Livestock, Meat and Eggs | 251 |
| Table X | - Data Pertinent to the Study of Feed Freight Assistance to the Maritime Provinces | 254 |
| Table XI | - Data Pertinent to the Study of Feed Freight Assistance to the Province of Quebec | 256 |
| Table XII | - Data Pertinent to the Study of Feed Freight Assistance to the Province of Ontario | 258 |
