

## Correction to: A Canadian centre's experience with prone peritoneoscopic adrenalectomy

**C**JS has been made aware of an error that occurred in the article, “A Canadian centre's experience with prone retroperitoneoscopic adrenalectomy,” published on October 25, 2022.<sup>1</sup> Dr. Adrienne Melk was listed as the second author on the paper; however, she was the study's principal investigator and should have been listed last.

This has been corrected at [canjsurg.ca](http://canjsurg.ca).
