| SECTION FIVE | |
| RECOMMENDATIONS | |
| RECOMMENDATIONS..... | 1005 |
| Recommendations Affecting the Pilotage Districts of Quebec, Montreal and Cornwall, and Lower St. Lawrence River Ports..... | 1005 |
| Preamble..... | 1005 |
| 1. The Present Pilotage Districts of Quebec, Montreal and Cornwall to Be Reduced to Two Districts with a Common Boundary at Trois-Rivières and Headquarters in Quebec and Montreal Respectively; Pilotage Services between Les Escoumins and Cornwall (Snell Lock) to Continue to Be Provided on a Sector Basis by the Existing Groups of Pilots..... | 1005 |
| 2. Appropriate Steps to Be Taken to Validate the Present Seaward Limit (Les Escoumins) of the Pilotage District of Quebec, and Also, as an Interim Measure, the Present Western Limit (St. Lambert Lock) of the Pilotage District of Montreal..... | 1008 |
| 3. Appropriate Steps to Be Taken to Extend Westward to Snell Lock the Present Limit of the Pilotage District of Cornwall (or of the Proposed District of Montreal)..... | 1009 |
| 4. Pilotage in the Sector between Les Escoumins and Quebec, Including the Saguenay, to Be Classified a Public Service; Pilotage in the Other Sectors between Quebec and Cornwall (Snell Lock) to Be Classified an Essential Public Service..... | 1010 |
| Les Escoumins-Quebec Sector..... | 1010 |
| Quebec-Trois-Rivières, and Trois-Rivières-St. Lambert Lock Sectors..... | 1011 |
| St. Lambert Lock-Snell Lock Sector..... | 1012 |
| 5. Pilotage in the Lower St. Lawrence and Gulf Ports to Be Classified a Private Service; Persons Performing Pilotage or Willing to Pilot in This Area and Who Meet the Qualifications to Be Entitled to a Certificate of Approval from the Duly Designated Pilotage Authority..... | 1012 |
| 6. Berthing and Unberthing Vessels in the Harbour of Quebec to Remain Part of the Pilotage Trip but the Rate Structure to Be Amended to Provide a Separate Berthing and Unberthing Charge..... | 1014 |
| 7. The Grade System to Be Extended to All Groups of Pilots; the Exclusive Competency of Grade A Pilots to Be Established at a Very High Level to Comprise Only the Most Difficult and Extraordinary Cases; Permanent Licences to Be Issued Only when a Pilot Reaches Grade B; Grade C pilots to Receive a Temporary (Probationary) Licence..... | 1018 |
| 8. The Direction of the Service in the St. Lawrence River Districts to Remain in Law, and Become in Fact, the Sole Responsibility of the Pilotage Authority of Each District; the Equalization of Trips System to Be Abandoned; Assignments to Be Made according to a Regular Tour de Rôle Based on Availability for Duty with Due Regard for Pilots' Grades and Safety of Navigation..... | 1020 |
| 9. In the Proposed Districts of Quebec and Montreal, the Remuneration of Pilots (unless they are Salaried Employees) to Be a Share of a Pool Administered by the Pilotage Authority of All Pilotage Revenues Based on the Pilots' Earnings, Availability and Grades; Pilots' Corporation Expenses to Be Financed through Membership Dues Deducted at Source from the Pilots' Shares in the Pool..... | 1024 |
| 10. For Purposes of Winter Tariff and Double Pilotage Assignments, the Winter Season to Coincide with the Period when Winter Conditions Actually Prevail..... | 1026 |
| 11. The 1850 Act Incorporating the Montreal Pilots and the 1860 Act Incorporating the Quebec Pilots to Be Formally Repealed..... | 1027 |
