

## TABLE OF CONTENTS

	<u>Page No.</u>
INTRODUCTION	(i)
I THE DERAILMENT	1
1. The Event	1
2. The Cause	2
3. The Consequences	3
II THE WITNESSES	7
1. Campbellville	8
2. Trafalgar Road	9
3. Derry Road	10
4. Streetsville	11
5. Eglinton Avenue	12
6. Burnhamthorpe Road	13
7. Erindale Station Road	15
8. Wolfedale Road	16
9. Mavis Road	18
III THE TRAIN TO GUELPH JUNCTION	20
1. The Rules	20
2. The Documents	24
3. The London Division	26
4. Train 84, Windsor to Chatham	27
5. The Inspection of Local 4 at Sarnia	28
6. Local 4 from Sarnia to Chatham	30
7. The Inspection at Chatham	31
8. Train 84 Chatham to London	34
9. Train 54 from London to Guelph Junction	35
IV THE TRAIN FROM GUELPH JUNCTION TO MAVIS ROAD	40
1. The Method of Running Inspections	41
2. Communication of Inspections	42
3. Duties at the Head End	42
4. Duties at the Tail End	43
5. The Curves	43
6. The Evidence of the Crew	44
7. The Transcript	46
8. The Test Train Results	49
9. The Cullen Visibility Test	50
10. The Evidence on the Ground	51
11. The Speed of the Train	53
12. The Train Operations Simulator Test	54
13. Looking Forward v. Looking Back	56
14. Typical v. Quick Burn-Off	57

TABLE OF CONTENTS CONT'D.

	<u>Page No.</u>	
V THE RESPONSE		60
1. The Crew	60	
2. The Railway	61	
3. The Municipal Emergency Services - Fire & Police	64	
4. The Private Sector	65	
(a) Canadian Chemical Producers Association and Transportation Emergency Assistance Plan (TEAP)	68	
(b) The Chlorine Institute and CHLOREP	68	
(i) Dow Chemical of Canada Limited	69	
(ii) The Nature of Chlorine	72	
(iii) The Evacuation of the Car	74	
(iv) The Alleged Deficiencies of Dow's Chlorep Team	75	
(v) The Position of Dow	79	
(vi) The Chlorine Institute Reports	80	
(c) The Propane Response	83	
5. The Public Response	86	
(a) The Command Team	86	
(b) Water on the Chlorine Car	90	
(c) The Decisions of the Command Team	91	
VI THE TANK CARS		93
1. Development and Ownership	93	
2. Design and the Retrofit Programme	94	
3. The Chlorine Car	98	
4. The Bleved Propane Cars	100	
5. The Toluene Car	101	
(a) Manufacture	101	
(b) Loading	101	
(c) The Repack and the Lubricator Pads	102	
VII GOVERNMENT OF THE RAILWAYS		107
1. The Canadian Transport Commission	107	
(a) History	107	
(b) Jurisdiction of the CTC and RTC	108	
(c) The Red Book	112	
(d) The Investigatory Process	114	
(i) Roller Bearings	115	
(ii) Hot Box Detectors	115	
(iii) Marshalling	116	
(e) The General Safety Inquiry of 1971	117	
(f) Initiatives of the CTC	121	
(g) Other Investigations	122	
(h) Monitoring of Train Operations	122	
(i) The Show Cause Summons and the Marshalling Order	123	
(j) CTC's Inaction	124	
(k) The Question of Funding	125	
(l) The Consideration of Economics and the Burden of Proof	126	

TABLE OF CONTENTS CONT'D.

	<u>Page No.</u>
VII GOVERNMENT OF THE RAILWAYS cont'd.	
2. Transportation of Dangerous Goods Act	127
3. The American Experience	130
(a) The Association of American Railroads	130
(b) The Bureau of Explosives	130
(c) The National Transportation Safety Board	132
(i) Crescent City	133
(ii) Safety Effectiveness Evaluation	135
(iii) Tank Car Safeguards	136
(iv) Non-Compliance with Hazardous Materials Safety Regulations	136
VIII THE LESSONS OF MISSISSAUGA	138
1. On the Running of Trains	138
(a) The Cause of the Hot Box	139
(b) The State of the Hot Box from Winston Churchill Blvd. to the East	140
(c) The Inspection Process	142
(d) The Crews of Trains	145
(e) The Speed of the Train	146
(f) Length of Trains	148
(g) Train Marshalling	149
2. The Response	150
3. Tank Cars	151
4. Government Participation	152
IX THE PROPOSALS	154
1. Train Operation	155
(a) Hot Box Detectors	155
(b) Rear View Mirrors	158
(c) Inspections	159
(i) Records	159
(ii) Mechanical Inspection	159
(iii) Running Inspections	161
(d) Radio Communications and Recording	162
(e) Event Recorders	163
(f) Training of Engineers and Conductors	164
(g) Training of Carmen	164
(h) Vans or Cabooses	165
2. Carriage of Dangerous Goods	166
(a) Roller Bearings	166
(b) Tank Car Equipment	167
(c) Speed	168
(d) Length of Train	169
(e) Marshalling	170
(f) Re-Routing	173
(g) The Four-Man Crew	175
(h) Training of Crews	175
(i) The Consist	176
(j) Transport Canada's "Management Plan"	177

TABLE OF CONTENTS CONT'D.
