

Canadian Folk Music Bulletin Cumulative Table of Contents, 1999

compiled by John Leeder

Articles, Features, &c.

This listing doesn't include purely housekeeping features such as "Lost Souls," but includes columns and editorials, especially as these often have different authors from issue to issue. In alphabetizing in this and other sections, articles, e.g., "The," "A," "El," "La," &c., are inverted where necessary, but not otherwise.
