

Call for Papers / Appel de communications

XIth International Oral History Conference
Istanbul, Turkey
June 15-19, 2000

CROSSROADS OF HISTORY:

Experience, Memory, Orality

International Oral History Association

In collaboration with Department of History at Bogazici University and
The Social and Economic History Foundation of Turkey

CONFERENCE SUB-THEMES:

Remembering the 20th century, imagining the 21st century/Virtual oral history: the new media and the word/The millenium/Crossroads of continents/Remembering conflicts/Experienced history/Teaching oral history/Community projects/Methodological and ethical issues.

Proposal are invited from around to world for contributions to the XIth International Oral History Conference. The proposal may be for a conference paper, workshop session or thematic panel. The single page proposal should include an outline of the proposal together with the following details: proposal title and name, affiliation and short vitae, mail address, phone and fax numbers for each presenter. You should also indicate the language of your paper (English or Spanish) and the languages you can speak (to facilitate the organization of workshops).

The Conference Committee will confirm acceptance or rejection of proposals by July 1, 1999. The final paper, of no more than 15 double-spaced pages, must reach the organizers before November 1, 1999, for publication in the Conference Proceedings. Papers must be written in English (with an abstract in Spanish) or Spanish

(with an abstract in English). At the conference, there will be simultaneous translation (in English, Spanish and Turkish) for thematic plenary sessions, and efforts will be made to provide informal consecutive summary translations during workshop sessions.

The IOHA has agreed to sponsor the participation of a small number of participants from Africa. African oral historians who are submitting a proposal and who would like to apply for funding should write a short statement in support of this application and send it with their proposal.

DEADLINE FOR PROPOSALS - May 1, 1999
