A DREAM OF THE FUTURE

Wu Shi-Ching
Trumpeter

A free-of-structure tongue becomes
An international language.
Economists price the maple individuals
As a factor in financial model.
Scientists have synthesized a medicine called Emotion
From the forgotten Soul.
While Computers are treated like autumn fallings.
Loggers pray the prayers of Trees.
Fishermen reply to the calls of Wind, Waves and Whales.
People travel by Mind Power,
Not by Horse Power.
Climbers scratch mountains with bare hands and feet.
Families value holism as well as individualism.
Children take summer naps on rotten logs.
Pollutants, even from the construction of 'Inner Temple',
Are being removed.
Most Everybody honours themselves
As a Buddha.
Epilogue:
This is not a dream of contemporary beliefs.
