

For Berta

Ordinary moments

A smile  
In the midst of a hectic day  
A gift  
Of unexpected kindness  
A cartoon  
Just to make me chuckle

Sharing a meal  
And a comfortable conversation  
Walking in the country  
Surrounded by the colour of the changing leaves  
Frantically preparing  
To meet the next deadline  
Shopping for presents for loved ones  
Or each other

Ordinary moments of  
Laughter  
Silence  
Frustration  
Joy

Ordinary moments  
Given extraordinary meaning  
By a life lived  
In grace and graciousness
