Introduction to the *Public Accounts of Canada*

Nature of the *Public Accounts of Canada*

The *Public Accounts of Canada* is the report of the Government of Canada prepared annually by the Receiver General, as required by section 64 of the *Financial Administration Act*. It covers the fiscal year of the Government, which ends on March 31.

The information contained in the report originates from two sources of data:

- the summarized financial transactions presented in the accounts of Canada, maintained by the Receiver General; and
- the detailed records, maintained by departments and agencies.

Each department and agency is responsible for reconciling its accounts to the control accounts of the Receiver General, and for maintaining detailed records of the transactions in their accounts.

The report covers the financial transactions of the Government during the year. In certain cases, parliamentary authority to undertake transactions was provided by legislation approved in earlier years.

Format of the *Public Accounts of Canada*

The *Public Accounts of Canada* is produced in three volumes:

Volume I presents the audited consolidated financial statements of the Government, as well as additional financial information and analyses;

Volume II presents the financial operations of the Government, segregated by ministry; and

Volume III presents supplementary information and analyses.

This page has been intentionally left blank.

Canadian Grain Commission Revolving Fund

Statement of management responsibility

We have prepared the accompanying financial statements of the Canadian Grain Commission Revolving Fund as required by and in accordance with the Receiver General reporting requirements. These financial statements were prepared by the management of the Fund in accordance with the significant accounting policies set out in note 2 of the statements, on a basis consistent with that of the preceding year. Some previous year's figures have been reclassified to conform to the current year's presentation.

Responsibility for the integrity and objectivity of these financial statements rests with the management of the Fund. To ensure maximum objectivity and freedom from bias, the financial data contained in these financial statements has been examined by the Departmental Audit Committee. The information included in these financial statements is based on management's best estimates and judgment with due consideration given to materiality. To fulfill its accounting and reporting responsibilities, the Fund maintains a set of accounts which provides a centralized record of the Fund's financial transactions. Financial information submitted to the *Public Accounts of Canada* and included in the department's *Departmental Results Report* is consistent with these financial statements.

The Canadian Grain Commission's Finance Division develops and disseminates financial management and accounting policies and issues specific directives which maintain standards of accounting and financial management. The Fund maintains systems of financial management and internal control which gives due consideration to costs, benefits and risks. They are designed to provide reasonable assurance that transactions are properly authorized by Parliament, are executed in accordance with prescribed regulations, and are properly recorded to maintain accountability of Government funds and safeguard the assets under the Fund's administration. Financial management and internal control systems are augmented by the maintenance of internal audit programs. The Fund also seeks to ensure the objectivity and integrity of data in its financial statements by the careful selection, training and development of qualified staff, by organizational arrangements that provide appropriate divisions of responsibility and by communication programs aimed at ensuring that its regulations, policies, standards and managerial authorities are understood throughout the organization.

In order to ensure maximum objectivity and freedom from bias, these financial statements have been examined by the external auditors who have provided an independent opinion as to whether the financial statements present fairly the financial position of the Fund as at March 31, 2019 and the results of operations and the change in financial position for the year. This opinion has been appended to these financial statements.

Canadian Grain Commission Revolving Fund—continued

Independent auditor's report

Our opinion

To the Chief Commissioner, Commissioners and the Departmental Audit Committee of Canadian Grain Commission Revolving Fund

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Canadian Grain Commission Revolving Fund (the CGC Revolving Fund) as at March 31, 2019 and its financial performance and its cash flows for the year then ended in accordance with Section 1 of the Receiver General for Canada Instructions for Volume III of *Public Accounts of Canada*.

What we have audited

The CGC Revolving Fund financial statements comprise:

- the statement of financial position as at March 31, 2019
- the statement of operations and net assets for the year then ended
- the statement of cash flows for the year then ended; and
- the notes to the financial statements, which comprise a summary of significant accounting policies.

Basis for opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the “Auditor’s responsibilities for the audit of the financial statements” section of our report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Independence

We are independent of the CGC Revolving Fund in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada. We have fulfilled our other ethical responsibilities in accordance with these requirements.

Emphasis of matter – basis of accounting and restriction on use

We draw attention to note 2 to the financial statements, which describes the basis of accounting. The financial statements are prepared to assist the CGC Revolving Fund to meet the requirements of Section 1 of the Receiver General for Canada Instructions for Volume III of *Public Accounts of Canada*. As a result, the financial statements may not be suitable for another purpose. Our report is intended solely for the management of the CGC Revolving Fund and should not be used by parties other than the CGC Revolving Fund and the Treasury Board of Canada. Our opinion is not modified in respect of this matter.

Responsibilities of management and those charged with governance for the financial statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Section 1 of the Receiver General for Canada Instructions for Volume III of *Public Accounts of Canada* and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the CGC Revolving Fund’s ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the CGC Revolving Fund or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the CGC Revolving Fund’s financial reporting process.

Canadian Grain Commission Revolving Fund—*continued*

Independent auditor's report—*concluded*

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the CGC Revolving Fund's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the CGC Revolving Fund's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the CGC Revolving Fund to cease to continue as a going concern.

Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Canadian Grain Commission Revolving Fund—*continued*

Notes to the financial statements for the year ended March 31, 2019

1. Authority and purpose

The Canadian Grain Commission Revolving Fund ("CGC", "the Revolving Fund" or "the Fund") derives its authority from the *Canada Grain Act*. The CGC's mandate as set out in the Act is to, in the interest of grain producers, establish and maintain standards of quality for Canadian grain and regulate grain handling in Canada, to ensure a dependable commodity for domestic and export markets.

To achieve its mandate effectively, the CGC implemented the Departmental Results Framework ("DRF") and Program Inventory ("PI"), as required by the Treasury Board Policy on Results, effective April 1, 2018. The CGC's core responsibility is Grain Regulation: to regulate grain handling in Canada and establish and maintain science based standards for Canadian grain. Internal Services supports this core responsibility. Through the DRF and PI, the CGC has three programs for the fiscal year ended March 31, 2019. In the financial statements for the year ended March 31, 2018, CGC's Program Activity Architecture had four programs disclosed in the statement of operations in addition to Internal Services.

The CGC was established under *Appropriation Act No. 6, 1994–1995*. The Fund has a continuing non-lapsing authority from Parliament to make payments out of the Consolidated Revenue Fund for working capital, tangible capital acquisitions and temporary financing of accumulated operating deficits and drawdown authority of \$2,000,000.

The CGC did not access its net authority provided from Treasury Board for the fiscal year ended March 31, 2019. The CGC received a total of \$5,811,187 through the Appropriation Acts approved by Parliament for the fiscal year 2018–2019 (2018 - \$5,958,493).

A revised funding model based on full cost recovery through fees and ongoing appropriations came into effect on August 1, 2013. This sustainable funding model eliminated the CGC's dependence on annual ad hoc federal appropriations. Under the updated fee structure, the CGC accumulated surplus is mainly due to higher than expected grain volumes handled. In response, following the 2017 User Fees Consultation and Pre-Proposal Notification, the CGC reduced fees for official grain inspection and official grain weighing services by 24% as at August 1, 2017. The remaining fees were updated as at April 1, 2018.

In accordance with the Government's policy on self-insurance, the CGC does not carry its own insurance. The CGC is not subject to income taxes.

2. Significant accounting policies

The financial statements have been prepared in accordance with the reporting requirements of the Receiver General for Canada for revolving funds. The basis of accounting used in these financial statements differs from Canadian generally accepted accounting principles for the public sector because:

- the net debt indicator and the statement of change in net debt are not presented in the financial statements
- the liabilities for employee termination benefits and severance liability are based on management's best estimate rather than actuarial valuations
- the services received without charge from other government departments and agencies are not reported as expenses; and
- no liability is recorded for sick leave

The significant accounting policies are as follows:

(a) Use of estimates

The preparation of these financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities as at the date of the financial statements and the reported amounts of revenue and expenses during the periods covered by the financial statements. The principal financial statement components, subject to measurement uncertainty, include salaries payable related to unsettled labour contracts, the estimated useful life of tangible capital assets and the liabilities for employee severance benefits and employee termination benefits. Actual results could differ from those estimates. Management's estimates are reviewed periodically and, as adjustments become necessary, they are recorded in the financial statements in the year they become known.

(b) Planned results

Planned results for the fiscal year ended March 31, 2019 disclosed in the statement of operations were based on revenues and expenses as per CGC's 2018–2019 Departmental Plan and include adjustments subsequent to its preparation.

Canadian Grain Commission Revolving Fund—*continued*

Notes to the financial statements for the year ended March 31, 2019—*continued*

(c) Revenue recognition

Revenue is recognized in the accounting period in which it is earned through the provision of goods or services, or when an event giving rise to a claim has taken place. The majority of service fees such as inspection and weighing activities are dependent on grain volumes handled. Revenues that have been received but not yet earned are presented as deferred revenue. Deferred revenue is primarily received for licensing fees, which usually covers a 12-month period.

(d) Expense recognition

Unless otherwise disclosed, expenses are recorded in the period they are incurred.

(e) Cash in transit

Cash in transit includes cash and cheques received prior to March 31 but not deposited until the subsequent year.

(f) Parliamentary appropriation

Operations are funded primarily from a permanent authority from Parliament (Revolving Fund) where the CGC is allowed to spend fees collected. Some of the operations of the Grain Research Program and Internal Audit are funded by ongoing Parliamentary appropriation through their annual votes. These appropriations have been recorded as revenue of the Fund.

(g) Accounts receivable

Accounts receivable are stated at amounts expected to be ultimately realized. Allowances are established for all accounts for which interest or principal payments are 180 days past due and deemed uncollectable.

(h) Tangible capital assets

Certain assets previously under the custody of the Department of Agriculture and Agri-Food Canada were assumed by the Revolving Fund on April 1, 1995. The assumed assets were considered to be contributed capital and recorded at the Crown's estimated net book value. Assets acquired subsequent to April 1, 1995 were recorded at cost. Proceeds from the disposal of capital assets are retained by the Revolving Fund.

All capital assets and leasehold improvements with a cost equal to or greater than \$10,000 are capitalized at their acquisition cost.

Assets are amortized on a straight-line basis over their estimated useful lives, commencing in the month after they are put into service, as follows:

| | |
|---------------------------------|----------|
| Scientific equipment | 5 years |
| Office equipment and furniture | 5 years |
| Operational equipment | 10 years |
| Motor vehicles | 5 years |
| Computer equipment and software | 3 years |
| Leasehold improvements | 5 years |

The costs for assets under construction are capitalized as incurred with amortization commencing in the month after they are put into service.

(i) Vacation, overtime and compensatory leave

Vacation, overtime and compensatory leave are expensed as the benefits accrue to employees under their respective terms of employment.

(j) Employee severance benefits

Severance benefits accrue to employees over their years of service with the Government of Canada as stipulated in their collective agreements. The CGC provides for the severance entitlements earned by employees. The obligation relating to the benefits earned by employees is calculated using information derived from management's estimate of the liability.

(k) Employee termination benefits

Employees affected by the amendments to the *Canada Grain Act* and other operational adjustments are entitled to termination benefits, calculated based on salary levels in effect at the time of termination as stipulated in their collective agreements. The obligation is calculated using information derived from management's estimate of the liability.

Canadian Grain Commission Revolving Fund—continued

Notes to the financial statements for the year ended March 31, 2019—continued

(l) Pension plan

Employees of the CGC are covered by the *Public Service Superannuation Act* and the *Supplementary Retirement Benefits Act*. The Government of Canada's portion of the pension cost is included in the employee benefit charge assessed against the Revolving Fund. The actual payment of the pension is made from the Public Service Superannuation and Supplementary Retirement Benefits Accounts. Current legislation does not require the CGC to make contributions for any actuarial deficiencies of the Public Service Superannuation Account.

(m) Sick leave

Employees are permitted to accumulate unused sick leave. However, such leave entitlements do not vest and may only be used in the event of illness. Unused sick leave upon employee termination is not payable to the employee. No amount has been accrued in these financial statements and payments of sick leave benefits are included in current operations as incurred.

Assets under construction consist of leasehold improvements and in house software development.

5. Accounts payable and accrued liabilities

| | 2019 | 2018 |
|---|---------------------------|--------------|
| | (in thousands of dollars) | |
| Other government departments and agencies | 407 | 606 |
| Outside parties | 1,261 | 2,732 |
| Total accounts payable | 1,668 | 3,338 |
| Accrued liabilities..... | 40 | — |
| | 1,708 | 3,338 |

Canadian Grain Commission Revolving Fund—*continued*

Notes to the financial statements for the year ended March 31, 2019—*continued*

6. Salaries payable

Due to operational adjustments, a segment of the CGC work force became eligible for the provision of termination benefits. As a result, the CGC has recorded an obligation for termination benefits as part of salaries payable to reflect the estimated workforce adjustment costs.

| | 2019 | 2018 |
|--|---------------------------|--------------|
| | (in thousands of dollars) | |
| Employee termination liability, beginning of year..... | 383 | 365 |
| Expense for the year..... | — | 202 |
| Benefits paid during the year..... | (339) | (184) |
| Employee termination liability, end of year | 44 | 383 |
| Other salary costs including benefits | 3,822 | 2,631 |
| Salaries payable..... | 3,866 | 3,014 |

7. Employee severance benefits liability

The CGC provides severance benefits to its employees based on eligibility, years of service and final salary. These benefits are currently calculated based on the actual severance owed to each employee.

With Budget 2011, the Government of Canada announced its intention to eliminate the ongoing accumulation of severance benefits. All collective agreements for the CGC have been negotiated and severance benefits have ceased to accumulate. The amounts reported are for employees who did not liquidate their severance and will be paid upon their departure from the public service.

| | 2019 | 2018 |
|---|---------------------------|--------------|
| | (in thousands of dollars) | |
| Employee severance benefits liability, beginning of year..... | 2,238 | 2,516 |
| (Expense) recovery for the year | 10 | (3) |
| Benefits paid during the year | (339) | (275) |
| Employee severance benefits liability, end of year | 1,909 | 2,238 |

8. Parliamentary appropriation

The CGC is financed by the Government of Canada through a combination of an ongoing Parliamentary appropriation, authority to respond fees collected, accumulated surpluses from prior years and a revolving line of credit of \$2,000,000.

The government funding basis is used to recognize transactions affecting Parliamentary appropriations. The statement of operations and net assets is based on accrual accounting. Consequently, items presented in the statement of operations and net assets are not necessarily the same as those provided through appropriations from Parliament. Items recognized in the statement of operations and net assets in one year may be funded through Parliamentary authorities in prior, current, or future years. Accordingly, the CGC has different appropriation authorities for the year on a government funding basis than on an accrual accounting basis. Details on appropriation authorities provided and used are shown in the following tables.

Appropriation authorities provided and used:

| | 2019 | 2018 |
|---|---------------------------|--------------|
| | (in thousands of dollars) | |
| Total appropriation funds provided | 5,811 | 5,958 |
| Lapse..... | (29) | (42) |
| Current year appropriation funds provided and used | 5,782 | 5,916 |

Canadian Grain Commission Revolving Fund—*continued*

Notes to the financial statements for the year ended March 31, 2019—*continued*

9. Net assets

Contributed capital represents the value of capital assets financed from capital contributions at the inception of the Fund.

The accumulated surplus is the accumulation of each fiscal year's surplus net of deficits since the inception of the Fund.

The accumulated net charge against the Fund's authority represents the cumulative receipts and disbursements over the life of the Fund.

| | 2019 | 2018 |
|---|---------------------------|------------------|
| | (in thousands of dollars) | |
| Contributed capital..... | 4,941 | 4,941 |
| Accumulated surplus | | |
| Opening balance..... | 128,455 | 118,195 |
| Net results | 4,763 | 10,260 |
| Closing balance | 133,218 | 128,455 |
| Accumulated net charge against the Fund's authority | | |
| Opening balance..... | (127,990) | (118,677) |
| Change in net resources provided | (2,572) | (9,313) |
| Closing balance | (130,562) | (127,990) |
| Total net assets | 7,597 | 5,406 |

10. Contractual obligations

The CGC leases its premises primarily under occupancy instruments. An occupancy instrument is a formal agreement between the CGC and Public Services and Procurement Canada, recording the terms and conditions that govern the provision and occupancy of the accommodation. The CGC has a total of 17 separate occupancy agreements (2018 – 18) with various term lengths up to 10 years. In addition, the CGC has a direct lease agreement with the University of Manitoba for the rental of laboratory and office space.

For the period ended March 31, 2019, the CGC incurred \$5,105,926 in costs associated with its occupancy and lease obligations (2018—\$5,082,293). Expected future payouts by fiscal year are as follows:

| | (in thousands of dollars) |
|--------------------------|---------------------------|
| 2020..... | 4,792 |
| 2021..... | 4,742 |
| 2022..... | 4,417 |
| 2023..... | 754 |
| 2024 and thereafter..... | 2,503 |

Canadian Grain Commission Revolving Fund—*continued*

Notes to the financial statements for the year ended March 31, 2019—*continued*

11. Contingent liabilities

In the normal course of its operations, the CGC may become involved in various legal actions and grievances with financial implications. Some of these potential liabilities may become actual liabilities when one or more future events occur or fail to occur. To the extent that the future event is likely to occur or fail to occur, and a reasonable estimate of the loss can be made, an estimated liability is accrued and an expense is recorded in the financial statements. As at March 31, 2019, three claims are outstanding against CGC, as noted below.

Grievances have been filed against the CGC with respect to weekend premiums as stated in a collective agreement. The matters are still to be scheduled for adjudication and the outcome is not determinable at this time. No accrual for this contingency has been made in the financial statements.

A grievance has also been filed against the CGC with regard to place of work. An accrual has been made in the financial statements for \$40,000 with respect to this grievance.

A claim has been filed against the CGC by grain producers who allege losses sustained in the failure of a former licensee. The claim alleges total losses asserted against the CGC at \$1,723,637, plus interest and costs. The claim is at an early stage of pleadings, and a defence has been filed on behalf of the CGC. The outcome of the claim cannot be determined at this time. No accrual for this contingency has been made in the financial statements.

12. Related party transactions

The CGC is related in terms of common ownership to all Government of Canada departments, agencies and Crown corporations. The CGC enters into transactions with these entities at arm's length in the normal course of business and on normal trade terms.

Services provided by other government departments

During the year, the CGC paid occupancy costs and certain professional services to other government departments or agencies. Employer's health insurance plan contributions and employee benefit plans were also provided by and paid to other government departments. Significant services have been recognized in the CGC statement of operations and net assets as follows:

| | 2019 | 2018 |
|--|---------------------------|---------------|
| | (in thousands of dollars) | |
| Revenues | (669) | (733) |
| Expenses | | |
| Employer's contribution to employee benefit plans..... | 8,251 | 8,441 |
| Occupancy costs..... | 5,126 | 5,092 |
| Leasehold improvements..... | 1,739 | 1,374 |
| Professional and special services..... | 1,870 | 1,939 |
| Other | 415 | 406 |
| | 16,732 | 16,519 |

Included in accounts receivable, accounts payable and salaries payable at year-end are the following amounts with related parties.

| | 2019 | 2018 |
|---|---------------------------|------|
| | (in thousands of dollars) | |
| Accounts receivable | 148 | 188 |
| Accounts payable | 410 | 606 |
| Employer's contribution to employee benefit plans payable | 656 | 317 |

Canadian Grain Commission Revolving Fund—*concluded*

Notes to the financial statements for the year ended March 31, 2019—*concluded*

13. Financial Instruments

The Revolving Fund's financial instruments consist of cash in transit, accounts receivable, accounts payable and accrued liabilities, salaries payable, vacation, overtime and compensatory leave payable, and employee severance benefits. The carrying values of these financial instruments approximate their fair value because of their short terms to maturity, except for employee severance benefits and employee termination benefits, which are based on management's best estimate. Unless otherwise noted, it is management's opinion that the Revolving Fund is not exposed to significant interest, currency or credit risk arising from these financial instruments.

Financial instruments that potentially subject the CGC to concentrations of credit risk consist primarily of trade accounts receivable. For the year ended March 31, 2019, six large integrated organizations accounted for \$4,551,676 or 83% of the CGC's outside parties receivable balances (2018—six organizations, \$4,419,543 or 84%).

Canadian Intellectual Property Office Revolving Fund

Statement of management responsibility

We have prepared the accompanying financial statements of the Canadian Intellectual Property Office Revolving Fund ("the Fund") as required by and in accordance with section 8.1 of the Receiver General for Canada Public Accounts Instructions. These financial statements were prepared by the management of the Fund in accordance with the significant accounting policies set out in note 2 of the statements, on a basis consistent with that of the preceding year.

Responsibility for the integrity and objectivity of these financial statements rests with the management of the Fund. The information included in these financial statements is based on management's best estimates and judgement with due consideration given to materiality. To fulfill its accounting and reporting responsibilities, the Fund maintains a set of accounts, which provides a centralized record of the Fund's financial transactions. Financial information contained in the ministerial statements and elsewhere in the *Public Accounts of Canada* is consistent with that in these financial statements, unless indicated otherwise.

The Fund's directorate of financial services develops and disseminates financial management and accounting policies and issues specific directives, which maintain standards of accounting and financial management. The Fund maintains systems of financial management and internal control which gives due consideration to costs, benefits and risks. They are designed to provide reasonable assurance that transactions are properly authorized by Parliament, are executed in accordance with prescribed regulations, and are properly recorded to maintain accountability of Government funds and safeguard the assets under the Fund's administration. The Fund also seeks to assure the objectivity and integrity of data in its financial statements by the careful selection, training and development of qualified staff, by organizational arrangements that provide appropriate divisions of responsibility and by communication programs aimed at ensuring that its regulations, policies, standards and managerial authorities are understood throughout the organization.

At the request of the Fund, these financial statements have been examined by external auditors, their role being to express an opinion as to whether the financial statements present fairly the financial position as at March 31, 2019 and the results of operations and cash flows for the year then ended in accordance with the significant accounting policies as described in note 2 to the financial statements.

Canadian Intellectual Property Office Revolving Fund—continued

Independent auditor's report

To the Deputy Minister, Innovation, Science and Economic Development Canada

Our opinion

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Canadian Intellectual Property Office Revolving Fund (CIPO Revolving Fund) as at March 31, 2019, and its financial performance and its cash flows for the year then ended in accordance with Section 1 of the Receiver General for Canada Instructions for Volume III of *Public Accounts of Canada*.

What we have audited

The CIPO Revolving Fund financial statements comprise:

- the statement of financial position as at March 31, 2019;
- the statements of operations and net liabilities for the year then ended;
- the statement of cash flows for the year then ended; and
- the notes to the financial statements, which comprise a summary of significant accounting policies.

Basis for opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Independence

We are independent of the CIPO Revolving fund in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada. We have fulfilled our other ethical responsibilities in accordance with these requirements.

Emphasis of matter—basis of accounting and restriction on use

We draw attention to note 2 to the financial statements, which describes the basis of accounting. The financial statements are prepared to assist the CIPO Revolving Fund to meet the requirements of Section 1 of the Receiver General for Canada Instructions for Volume III of *Public Accounts of Canada*. As a result, the financial statements may not be suitable for another purpose. Our report is intended solely for the management of the CIPO Revolving Fund and should not be used by parties other than the CIPO Revolving Fund and the Treasury Board of Canada. Our opinion is not modified in respect of this matter.

Responsibilities of management and those charged with governance for the financial statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Section 1 of the Receiver General for Canada Instructions for Volume III of *Public Accounts of Canada*; and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the CIPO Revolving Fund's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the CIPO Revolving Fund or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the CIPO Revolving Fund's financial reporting process.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Canadian Intellectual Property Office Revolving Fund—*continued*

Independent auditor's report—*concluded*

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the CIPO Revolving Fund's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the CIPO Revolving Fund's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the CIPO Revolving Fund to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

The accompanying notes form an integral part of these financial statements.

Canadian Intellectual Property Office Revolving Fund—*continued*

Notes to the financial statements for the year ended March 31, 2019

1. Authority and purpose

The Canadian Intellectual Property Office ("CIPO") grants or registers exclusive ownership of intellectual property in Canada. In exchange, CIPO acquires intellectual property information and state-of-the-art technology, which it disseminates to Canadian firms, industries and individuals to improve economic performance, competitiveness and to stimulate further invention and innovation.

CIPO is financed through a revolving fund authority ("the Fund"), which was established on April 1, 1994. The authority to make expenditures out of the Consolidated Revenue Fund was granted on February 22, 1994 and had an authorized limit of \$15 million. During the fiscal year ended March 31, 2002, the Fund's authorized limit was reduced from \$15 million to \$5 million. The Fund has continuing non-lapsing authority from Parliament to make payments out of the Consolidated Revenue Fund for working capital, capital acquisitions and temporary financing of accumulated operating deficits. The Fund may retain surpluses to continue to automate operations.

The Fund is not subject to income taxes.

2. Significant accounting policies

The financial statements have been prepared in accordance with reporting requirements for revolving funds described by the Receiver General for Canada. The basis of accounting used in these financial statements differs from Canadian generally accepted accounting principles for the public sector because:

- the net debt indicator and the statement of change in net debt are not presented in the financial statements
- expenses are reported by type in the statement of operations and net liabilities and not by function or major program
- services received without charge from other government departments are not reported as expenses
- budgeted expenses are not disclosed in the statement of operations
- no liability is recorded for sick leave
- the employee termination benefits liability are based on management's estimates rather than based on actuarial valuations

The significant accounting policies are as follows:

(a) Revenue recognition

Fees received for processing patent, trademark and industrial design applications are recorded as deferred revenues until services are rendered, at which time they are recorded as revenue. Detailed inventory counts of applications are used to determine the amount of deferred revenue taking into account the fee schedule related to the application. Different rates may be charged depending on the size of the entity. Abandonments during the application process are recorded as earned revenue. When work is completed prior to the receipt of the fee, the amount is recorded as unbilled revenue. Fees are prescribed by various Orders in Council.

(b) Tangible capital assets

Tangible capital assets are recorded at cost and are amortized on a straight-line basis over their estimated useful lives, beginning in the month after acquisition, as follows:

| <u>Asset class</u> | <u>Years</u> |
|-------------------------|----------------------------|
| Leasehold improvements | Over the term of the lease |
| Informatics software | 3-10 years |
| Hardware | 5-10 years |
| Machinery and equipment | 10 years |
| Furniture | 10 years |

The costs for assets under construction are capitalized as incurred with amortization commencing in the month after they are put into service.

Canadian Intellectual Property Office Revolving Fund—continued

Notes to the financial statements for the year ended March 31, 2019—continued

(c) Employee future benefits

Employee severance benefits

Employees of the Fund are entitled to severance benefits, calculated based on salary levels in effect at the time of termination as provided for under collective agreements and conditions of employment. These benefits are accrued as employees render the services necessary to earn them. In Budget 2012, the Government of Canada announced that it was eliminating the accumulation of severance benefits for voluntary resignation and retirement for federal government employees. As part of the implementation of this measure, collective agreements had provided three options to address the balances accumulated to date. These included:

1. a single payment at the rate of pay of the employee's substantive position as of the coming into force of the collective agreement, or
2. a single payment at the time of the employee's termination of employment from the core public administration, based on the rate of pay of the employee's substantive position at the date of termination of employment from the core public administration, or
3. a combination of (1) and (2)

With the introduction of captions (1) and (3), the Fund had been required to draw down on the obligation for employee future benefits as the collective agreements came into force.

Pension benefits

Employees of the Fund are covered by the Public Service Superannuation Plan administered by the Government of Canada. Under present legislation, contributions made by the Fund to the Plan are limited to an amount equal to the employee's contributions on account of current service. These contributions represent the total pension obligations of the Fund and are charged to operations on a current basis. The Fund is not required under present legislation to make contributions with respect to actuarial deficiencies of the Public Service Superannuation Account and/or with respect to charges to the Consolidated Revenue Fund for the indexation of payments under the *Supplementary Retirement Benefits Act*.

(d) Use of estimates

The preparation of these financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the period. Revenues, unbilled revenues, deferred revenues, the estimated useful lives of tangible capital assets and salary related liabilities are the most significant items for which estimates are used. Actual results could differ from these estimates. These estimates are reviewed annually and as adjustments become necessary, they are recorded in the financial statements in the period in which they become known.

(e) Sick leave

Employees are permitted to accumulate unused sick leave. However, such leave entitlements do not vest and can be used only in the event of illness. Payments of sick leave benefits are included in current operations as incurred.

Notes to the financial statements for the year ended March 31, 2019—*concluded*

9. Related party transactions

Through common ownership, the Fund is related to all Government of Canada created departments, agencies and Crown corporations. Payments for accommodation, legal services, compensation and benefits services, mail services, security services and mainframe and computing services are made to related parties in the normal course of business.

Canadian Pari-Mutuel Agency Revolving Fund

Statement of management responsibility

We have prepared the accompanying financial statements of the Canadian Pari-Mutuel Agency Revolving Fund as required by and in accordance with the Treasury Board *Directive on Charging and Special Financial Authorities* and the Receiver General reporting requirements. These financial statements were prepared by the management of the Fund in accordance with the significant accounting policies set out in note 2 of the financial statements, on a basis consistent with that of the preceding year.

Responsibility for the integrity and objectivity of these financial statements rests with the management of the Fund. The information included in these financial statements is based on management's best estimates and judgement with due consideration given to materiality. To fulfil its accounting and reporting responsibilities, the Fund maintains a set of accounts which provides a centralized record of the Fund's financial transactions. Financial information submitted to the *Public Accounts of Canada* and included in the Agriculture and Agri-Food Canada *Departmental Results Report* is consistent with these financial statements.

The Fund's Management Services division develops and disseminates financial management and accounting policies and issues specific directives which maintain standards of accounting and financial management. The Fund maintains systems of financial management and internal control which gives due consideration to costs, benefits and risks. They are designed to provide reasonable assurance that transactions are properly authorized by Parliament, are executed in accordance with prescribed regulations, and are properly recorded to maintain accountability of Government funds and safeguard the assets under the Fund's administration. Financial management and internal control systems are augmented by the maintenance of internal audit programs. The Fund also seeks to assure the objectivity and integrity of data in its financial statements by careful selection, training and development of qualified staff, by organizational arrangements that provide appropriate divisions of responsibility and by communication programs aimed at ensuring that its regulations, policies, standards and managerial authorities are understood throughout the organization.

Management has presented the financial statements to an external auditing firm, which has audited them and has provided an independent opinion that has been appended to these financial statements.

Canadian Pari-Mutuel Agency Revolving Fund—continued

Independent auditor's report

To the Assistant Deputy Minister, Corporate Management, Agriculture and Agri-Food Canada

Our Opinion

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Canadian Pari-Mutuel Agency Revolving Fund (CPMA Revolving Fund) as at March 31, 2019 and its financial performance and its cash flows for the year then ended in accordance with Section 1 of the Receiver General for Canada Instructions for Volume III of *Public Accounts of Canada*.

What we have audited

The CPMA Revolving Fund financial statements comprise:

- the statement of financial position as at March 31, 2019;
- the statement of operations and net assets for the year then ended;
- the statement of cash flows for the year then ended; and
- the notes to the financial statements, which comprise a summary of significant accounting policies.

Basis for opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Independence

We are independent of the CPMA Revolving Fund in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada. We have fulfilled our other ethical responsibilities in accordance with these requirements.

Emphasis of matter – basis of accounting and restriction on use

We draw attention to note 2 to the financial statements, which describes the basis of accounting. The financial statements are prepared to assist the CPMA Revolving Fund to meet the requirements of Section 1 of the Receiver General for Canada Instructions for Volume III of *Public Accounts of Canada*. As a result, the financial statements may not be suitable for another purpose. Our report is intended solely for the management of the CPMA Revolving Fund and should not be used by parties other than the CPMA Revolving Fund and the Treasury Board of Canada. Our opinion is not modified in respect of this matter.

Responsibilities of management and those charged with governance for the financial statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Section 1 of the Receiver General for Canada Instructions for Volume III of *Public Accounts of Canada*; and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the CPMA Revolving Fund's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the CPMA Revolving Fund or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the CPMA Revolving Fund's financial reporting process.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Canadian Pari-Mutuel Agency Revolving Fund—continued

Independent auditor's report—concluded

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the CPMA Revolving Fund's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the CPMA Revolving Fund's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the CPMA Revolving Fund to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

The accompanying notes form an integral part of these financial statements.

Canadian Pari-Mutuel Agency Revolving Fund—continued

Notes to the financial statements for the year ended March 31, 2019

1. Authority and purpose

The Canadian Pari-Mutuel Agency Revolving Fund (CPMA or "the Fund") was established under *Appropriation Act No. 1, 1970*, which authorized the operation of the Fund in the current and subsequent fiscal years in accordance with terms and conditions prescribed by the Treasury Board of Canada ("Treasury Board") for the purpose of providing race track supervision in Canada. The *Appropriation Act No. 1, 1970* was repealed and replaced by section 2 of the *Revolving Funds Act* in 1985.

CPMA has a continuing non-lapsing authority from Parliament to make payments out of the Consolidated Revenue Fund for working capital, tangible capital asset acquisitions and temporary financing of accumulated operating deficits, the total of which is not to exceed \$2,000,000 at any time.

CPMA's mandate is to regulate and supervise pari-mutuel betting at racetracks across Canada, thereby ensuring that pari-mutuel betting is conducted in a way that is fair to the betting public.

CPMA is not subject to income tax under the provisions of the *Income Tax Act*.

On March 21, 2012, CPMA received an allotment transfer from the Treasury Board Vote 30 (Paylist Requirements) in the amount of \$503,000. This increase in available authority is for the provision to eliminate the accumulation of severance for voluntary termination for CPMA employees who have opted for the immediate cash-out of accumulated severance pay. CPMA is to repay Treasury Board over 10 years, starting in the fiscal year ended March 31, 2013.

2. Significant accounting policies

These financial statements have been prepared in accordance with the reporting requirements of the Receiver General for Canada for revolving funds. The basis of accounting used in these financial statements differs from Canadian generally accepted accounting principles for the public sector because:

- the net debt indicator and the statement of change in net debt are not presented in the financial statements
- expenses are reported by type in the statement of operations and not by function or major program
- budgeted expenses are not disclosed in the statement of operations
- the services received without charge from other government departments and agencies are not reported as expenses
- no liability is recorded for sick leave

The significant accounting policies are as follows:

(a) Revenue recognition

Pari-mutuel levy revenues are generated through a levy of 0.8% applied to every dollar bet at Canadian racetracks and are recognized as bets are made. Other revenues are recognized in the period in which they are earned.

(b) Cash in transit

Cash in transit includes cash and cheques received prior to March 31, but not deposited until the subsequent year.

(c) Accounts receivable

Accounts receivable are stated at amounts expected to be ultimately realized; a provision is made for receivables when a recovery is considered uncertain.

(d) Tangible capital assets

Tangible capital assets are recorded at cost and are amortized on a straight-line basis over their estimated useful lives, as follows:

| | |
|--------------------------------|---|
| Furniture and equipment | 10 to 15 years |
| Computer hardware and software | 3 to 5 years |
| Automotive | 8 to 10 years |
| Buildings | 20 to 25 years |
| Assets under construction | Once in service, in accordance with asset class |
| Leasehold improvements | Lesser of the remaining of the occupancy instrument or useful life of the improvement |

Canadian Pari-Mutuel Agency Revolving Fund—*continued*

Notes to the financial statements for the year ended March 31, 2019—*continued*

(e) Employee future benefits

Pension benefits

Eligible employees of CPMA participate in the Public Service Pension Plan, a multiemployer pension plan administered by the Government. CPMA's contributions to the Plan are charged to expenses in the year incurred and represent CPMA's total obligation to the Plan. CPMA's responsibility with regard to the Plan is limited to its contributions. Actuarial surpluses or deficiencies are recognized in the financial statements of the Government of Canada, as the Plan's sponsor.

Severance benefits

Eligible employees of CPMA are entitled to severance benefits, calculated based on salary levels in effect at the time of termination as provided for under collective agreements and conditions of employment. The cost of these benefits is recorded in the accounts as the benefits accrue to the employees. The liability relating to the benefits earned by CPMA employees is calculated using information derived from the results of the actuarially determined liability for employee severance benefits for the Government of Canada as a whole.

(f) Vacation pay

Vacation pay is expensed as the benefits accrue to employees under their respective terms of employment.

(g) Sick leave

Employees are permitted to accumulate unused sick leave. However, such leave entitlements may only be used in the event of an illness. Unused sick leave upon employee termination is not payable to the employee. No amount has been accrued in these financial statements and payments of sick leave benefits are included in current operations as incurred.

(h) Use of estimates

The preparation of these financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the periods covered by the financial statements. The principal financial statement components, subject to measurement uncertainty, includes the obligation for employee future benefits, accrued liabilities, the allowance for doubtful accounts and the estimated useful lives of tangible capital assets. Actual results could differ from these estimates. These estimates are reviewed annually and as adjustments become necessary, they are recorded in the financial statements in the year in which they become known.

6. Net assets

The accumulated surplus is an accumulation of each fiscal year's surplus net of deficits including the absorption of the opening net assets upon establishment of the Fund.

The accumulated net charge against the Fund's authority represents the cumulative receipts and disbursements over the life of the funds.

| | 2019 | 2018 |
|--|---------------------------|-----------------|
| | (in thousands of dollars) | |
| Accumulated surplus, beginning of year | 11,700 | 11,213 |

| Net financial resources provided and change in the accumulated net charge against the Fund's authority during the year | (325) | (179) |
| Accumulated net charge against the Fund's authority, end of year | (10,540) | (10,215) |
| Net assets, end of year | 1,822 | 1,485 |

7. Contractual obligations

CPMA leases its premises under occupancy instruments. An occupancy instrument is a formal agreement between CPMA and Public Services and Procurement Canada recording the terms and conditions that govern the provision and occupancy of the accommodation. Expected future payments by fiscal year are as follows.

| | (in thousands of dollars) |
|--------------------------|---------------------------|
| 2020..... | 162 |
| 2021..... | 28 |
| 2022..... | 5 |
| 2023..... | — |
| 2024 and thereafter..... | — |

8. Contingent liabilities

In the normal course of its operations, the CPMA becomes involved in various legal actions. Some of these potential liabilities may become actual liabilities when one or more future events occur or fail to occur. To the extent that the future event is likely to occur or fail to occur, and a reasonable estimate of the loss can be made, an estimated liability is accrued and an expense is recorded in the financial statements.

9. Economic dependence

CPMA is funded solely by a federal levy on pari-mutuel betting in Canada on horse racing, a significant portion of which is generated by the largest racetrack in Canada—The Woodbine Racetrack ("Woodbine") in Toronto, Ontario.

Woodbine generated \$6,347,365 (2018—\$6,513,246) or 66% (2018—66%) of CPMA's total pari-mutuel levy for the year ended March 31, 2019. As at March 31, 2019, \$118,744 (2018—\$115,176) or 37% (2018—47%) of CPMA's Accounts receivable—Outside parties were owed from this organization.

CORCAN Revolving Fund

Statement of management responsibility

We have prepared the accompanying financial statements of the CORCAN Revolving Fund as required by and in accordance with the Treasury Board of Canada Secretariat *Directive on Charging and Special Financial Authorities* and with the Receiver General reporting requirements. These financial statements were prepared by the management of the Fund in accordance with the significant accounting policies set out in note 2 of the financial statements, on a basis consistent with that of the preceding year.

Responsibility for the integrity and objectivity of these financial statements rests with the management of the Fund. To assure maximum objectivity and freedom from bias, the financial data contained in these financial statements has been examined by the audit committee of the Department. The information included in these financial statements is based on management's best estimates and judgement with due consideration given to materiality. To fulfil its accounting and reporting responsibilities, the Fund maintains a set of accounts which provides a centralized record of the Fund's financial transactions. Financial information submitted to the *Public Accounts of Canada* and included in the *Departmental Results Reports* is consistent with these financial statements.

The Fund's directorate of financial services develops and disseminates financial management and accounting policies and issues specific directives which maintain standards of accounting and financial management. The Fund maintains systems of financial management and internal control which gives due consideration to costs, benefits and risks. They are designed to provide reasonable assurance that transactions are properly authorized by Parliament, are executed in accordance with prescribed regulations, and are properly recorded to maintain accountability of Government funds and safeguard the assets under the Fund's administration. Financial management and internal control systems are augmented by the maintenance of internal audit programs. The Fund also seeks to assure the objectivity and integrity of data in its financial statements by the careful selection, training and development of qualified staff, by organizational arrangements that provide appropriate divisions of responsibility and by communication programs aimed at ensuring that its regulations, policies, standards and managerial authorities are understood throughout the organization.

Management has presented the financial statements to the Fund's external auditor, Ernst & Young, who audited them and has provided an independent opinion which has been appended to these financial statements.

CORCAN Revolving Fund—continued

Independent auditors' report

To the Commissioner of Correctional Service Canada

Opinion

We have audited the accompanying financial statements of the CORCAN Revolving Fund (the "Fund"), which comprise the statement of financial position as at March 31, 2019, and the statement of operations and net assets, and the statement of cash flow for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements of the Fund are prepared, in all material respects, in accordance with the financial reporting provisions of Section 8.1 of the Receiver General Public Accounts Instructions.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Fund in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter – Basis of Accounting and Restriction on Distribution and Use

We draw attention to Note 2 to the financial statements, which describes the basis of accounting. The financial statements are prepared to assist the Fund to comply with the financial reporting provisions of the Treasury Board of Canada. As a result, the financial statements may not be suitable for another purpose. Our report is intended solely for the Fund and the Treasury Board of Canada and should not be used by parties other than the Fund or the Treasury Board of Canada. Our opinion is not modified in respect of this matter.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation of the financial statements in accordance with the financial reporting provisions of Section 8.1 of the Receiver General Public Accounts Instructions and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Fund's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Fund or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Fund's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

CORCAN Revolving Fund—continued

Independent auditors' report—concluded

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Fund's ability to continue as a going concern. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Fund to cease to continue as a going concern.
- Evaluate the overall presentation, structure, and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

CORCAN Revolving Fund—continued

Notes to the financial statements for the year ended March 31, 2019

1. Authority and purpose

The CORCAN Revolving Fund ("CORCAN" or the "Fund") is a special operating agency within Correctional Service Canada ("CSC") financed by way of a Revolving Fund. CORCAN was established under *Appropriation Act No. 4, 1991-1992*, which authorized the operation of the Fund effective April 1, 1992 in accordance with terms and conditions prescribed by the Treasury Board of Canada ("Treasury Board"). CORCAN's purpose is to aid in the safe reintegration of offenders into Canadian society by providing employment and training opportunities to offenders incarcerated in federal penitentiaries and, for brief periods of time, after they are released into the community. The Fund has a continuing non-lapsing authority from Parliament to make payments out of the Consolidated Revenue Fund for working capital, capital acquisitions and temporary financing of accumulated operating deficits, the total of which is not to exceed \$5,000,000 at any time. An amount of \$15,218,000 representing net assets assumed by the Fund was charged to this authority when the Fund became operative on April 1, 1992. The Fund is a non-taxable entity.

2. Significant accounting policies

(a) Basis of accounting

The financial statements have been prepared in accordance with the reporting requirements of the Receiver General for Canada for revolving funds. The basis of accounting used in these financial statements differs from Canadian public sector accounting standards because:

- budgeted expenses are not disclosed in the statement of operations
- the net debt indicator and the statement of change in net debt are not presented in the financial statements
- termination benefit liability is based on actuarial valuations for the government as a whole provided by the Treasury Board to management
- no liability is recorded for sick leave
- funding for capital assets received from the Treasury Board at inception of the Fund is recorded as contributed capital
- the services received without charge from other government departments and agencies are not reported as expenses

(b) Recognition of revenue and expenses

Except as noted below, the Fund recognizes revenue when persuasive evidence of a final agreement exists, delivery has occurred and services have been rendered, the selling price is fixed or determinable and collectability is reasonably assured.

Revenue is accounted for in the period in which the underlying transaction or event occurred that gave rise to the revenue. Revenue that has been received but not yet earned is recorded as deferred revenue.

For construction contracts, the percentage-of-completion method of accounting is used. Degree of completion is determined by comparing direct costs incurred to date to the total direct costs anticipated for the entire contract. The effect of changes to the total estimated income for each contract is recognized in the period in which the determination is made and losses, if any, are recognized fully when anticipated. Expenses are recorded in the period they are incurred. Vacation pay and compensatory leave are expensed as the benefits accrue to employees under their respective terms of employment.

(c) Net cash provided by government

CORCAN operates within the Consolidated Revenue Fund, which is administered by the Receiver General of Canada. All cash received by CORCAN is deposited to the Consolidated Revenue Fund. The net cash provided by the federal government is the difference between all cash receipts and all cash disbursements, including transactions between departments of the federal government.

(d) Accounts receivable

Accounts receivable are stated at amounts expected to be ultimately realized; an allowance is made for receivables where recovery is considered uncertain.

CORCAN Revolving Fund—continued

Notes to the financial statements for the year ended March 31, 2019—continued

(e) Inventories

Raw materials, finished goods and work in progress inventories are valued at the lower of cost and net realizable value. The Fund makes provisions for obsolete inventory on a site-by-site basis.

(f) Capital assets

Capital assets with an initial cost of \$10,000 or greater are recorded at cost and are amortized on a straight-line basis over their estimated useful lives commencing in the month after they are put into service, as follows:

| | |
|------------------------|-------------------|
| Equipment | 10 years |
| Leasehold improvements | Term of the lease |
| Vehicle fleet | 5 years |
| Other | 3 years |

(g) Pension plan

Employees of the Fund are covered by the Public Service Retirement Pension Plan (the "Plan") administered by the Government of Canada. Under present legislation, contributions made by the Fund to the Plan are limited to an amount equal to the employee's contributions on account of current service. These contributions represent the total pension obligations of the Fund and are charged to operations on a current basis. The Fund is not required under present legislation to make contributions with respect to actuarial deficiencies of the Public Service Superannuation Account and/or with respect to charges to the Consolidated Revenue Fund for the indexation of payments under the *Supplementary Retirement Benefits Act*.

(h) Employee termination benefits

Employees of CORCAN, as stipulated under their collective agreement, are entitled to termination benefits under labour contracts or conditions of employment. These benefits are accrued as employees render the necessary services. The obligation relating to the benefits earned by employees is calculated using information derived from the results of the actuarially determined liability for employee termination benefits for the government as a whole.

(i) Sick leave

Employees are permitted to accumulate unused sick leave. However, such leave entitlements may only be used in the event of an illness. As per current government practice, unused sick leave upon employee termination is not payable to the employee. Accordingly, no amount has been accrued in these financial statements.

(j) Financial instruments

The fair value of the financial instruments approximates costs unless otherwise specified. The Fund's financial instruments consist of accounts receivable and accounts payable. It is management's opinion that the Fund is not exposed to significant interest rate, currency or credit risks arising from these financial instruments.

(k) Measurement uncertainty

The preparation of these financial statements in accordance with the Treasury Board's accounting policies requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, revenue and expenses reported in the financial statements. At the time of preparation of the financial statements, management believes the estimates and assumptions used to be reasonable. The most significant items where estimates are used are the liability for employee termination benefits and the useful lives of capital assets. Actual results could significantly differ from these estimates. Management's estimates are reviewed periodically and, as adjustments become necessary, they are recorded in the financial statements in the period they become known.

CORCAN Revolving Fund—*continued*

Notes to the financial statements for the year ended March 31, 2019—*continued*

3. Related party transactions

CORCAN is related as a result of common ownership to all Government of Canada departments, agencies, and Crown corporations. CORCAN enters into transactions with these entities in the normal course of business and on normal trade terms.

During the year, CSC, the parent organization of CORCAN, has provided and will continue to provide CORCAN with the use of existing infrastructure including buildings and shops as well as maintenance of said facilities, financial systems, human resource services and corporate financial services. The cost of these services is not included as an expense in CORCAN's statement of operations and net assets.

The correctional and training fees are provided by CSC to offset salary and operating costs that cannot be recovered by CORCAN through the sale of goods and services due to the correctional environment in which it operates.

The Government of Canada has structured some of its administrative activities for efficiency and cost-effectiveness purposes so that one department performs these on behalf of all without charge. The costs of these services, which include payroll, IT, desktop and other telecommunication support and services, cheque issuance services and legal services provided by Public Services and Procurement Canada, Shared Services Canada and Justice Canada, are not included as an expense in CORCAN's statement of operations and net assets.

CORCAN entered into the following transactions with CSC and other government departments:

| | 2019 | 2018 |
|---|---------------------------|----------------|
| | (in thousands of dollars) | |
| Correctional Service Canada | | |
| Trade revenues | 26,122 | 23,673 |
| Training, correctional and other fees | 31,291 | 26,583 |
| Other government departments | | |
| Trade revenues | 51,451 | 51,621 |
| | 108,864 | 101,877 |

Related party receivables and payables are disclosed in note 4 and note 7, respectively.

4. Accounts receivable

Accounts receivable consist of the following:

| | 2019 | 2018 |
|--------------------------------------|---------------------------|--------------|
| | (in thousands of dollars) | |
| Government of Canada | 4,945 | 3,972 |

| Vehicle fleet..... | | | 3,502 | 1,072 |
| Other..... | | | — | — |
| | | | 6,838 | 4,130 |

7. Accounts payable

Accounts payable consist of the following:

| | 2019 | 2018 |
|----------------------------|---------------|---------------|
| (in thousands of dollars) | | |
| Government of Canada | 1,418 | 1,233 |
| Outside parties | 11,349 | 12,138 |
| | 12,767 | 13,371 |

CORCAN Revolving Fund—continued

Notes to the financial statements for the year ended March 31, 2019—continued

8. Employee future benefits

Pension benefits

CORCAN's employees participate in the Public Service Pension Plan ("PSPP"), which is sponsored and administered by the Government of Canada. Pension benefits accrue up to a maximum period of 35 years at a rate of 2% per year of pensionable service, times the average of the best five consecutive years of earnings. The benefits are integrated with Canada/Québec Pension Plans' benefits and they are indexed to inflation.

Both plan members and CORCAN contribute to the cost of the Plan. Effective January 2013, important changes were made to the *Public Service Superannuation Act* (the act governing the PSPP) through the *Jobs and Growth Act, 2012*, including:

- contribution rates for all active and future public service pension plan members were increased effective January 2013 with the objective of reaching a more balanced cost-sharing ratio for employer/plan member contribution of 50:50 over time
- the age at which a new employee who began participating in the public service pension plan on or after January 1, 2013 can receive an unreduced pension benefit was raised from age 60 to 65

CORCAN's responsibility with regards to the Plan is limited to its contributions. Actuarial surpluses or deficiencies are recognized in the financial statements of the Government of Canada, as the Plan's sponsor.

Termination benefits

Following the ratification of new collective agreements, the unionized employees in the Core Public Administration have accepted the elimination of severance benefits for voluntary separation, namely for retirement or resignation. The Treasury Board had subsequently eliminated severance benefits for voluntary separation for the executive and non-represented employees. As at March 31, 2014, there were no CORCAN employees with collective agreements where severance pay had not been eliminated.

Information about the termination benefits, measured as at March 31, is as follows:

| | 2019 | 2018 |
|---|---------------------------|--------------|
| | (in thousands of dollars) | |
| Accrued benefit obligation, beginning of the year..... | 1,164 | 1,178 |
| Expense for the year..... | 477 | 30 |
| Benefits paid during the year..... | (252) | (44) |
| Accrued benefit obligation, end of the year..... | 1,389 | 1,164 |

9. Contractual obligations

CORCAN is committed to pay under the terms of lease agreements a total amount of \$1,977,153. These commitments are related to the Kingston warehouse, the lease for the Edmonton and Saskatoon Inmate Offender Employment Initiative facilities, and office space.

Future yearly payment amounts are estimated as follows:

| | (in thousands of dollars) |
|---------------------------|---------------------------|
| 2020..... | 2,804 |
| 2021..... | 2,136 |
| 2022..... | 1,405 |
| 2023 and thereafter | 1,668 |
| | 8,013 |

CORCAN Revolving Fund—*continued*

Notes to the financial statements for the year ended March 31, 2019—*continued*

10. Net assets

Net assets consist of the following:

| | 2019 | 2018 |
|--|---------------------------|------------|
| | (in thousands of dollars) | |
| Contributed capital..... | 30,542 | 30,542 |
| Accumulated net charges against the Fund's authority | (11,858) | (20,488) |
| Accumulated deficit..... | (10,197) | (9,573) |
| Other..... | 76 | 84 |
| Net assets, end of year | 8,563 | 565 |

Contributed capital represents the value of capital assets financed from contributed capital at the inception of the Fund.

Accumulated net charge against the Fund's authority represents the amount of the Fund's non-lapsing authority that has been provided (used) since inception of the Fund.

The accumulated deficit is an accumulation of each year's surpluses (losses).

11. Segmented information

Segmented information consists of the following:

| Year ended March 31, 2019 | Manufacturing | Construction | Textile | Services | Agriculture | Other | Total |
|---------------------------|---------------|----------------|----------------|--------------|--------------|-------|----------------|
| (in thousands of dollars) | | | | | | | |

Defence Production Revolving Fund—concluded

Notes to the financial statements (unaudited) for the year ended March 31, 2019

1. Authority and purpose

The Defence Production Revolving Fund (the "Fund") was established by Section 15 of the *Defence Production Act*. It was established in 1951 for the purpose of:

- (a) financing the stockpiling of defence supplies or strategic materials
- (b) making loans or advances to aid in defence procurement, such as working capital loans for advance payments on contracts, but not including loans or advance payments for capital purposes and
- (c) permitting initial payments for defence supplies which can be promptly billed to a Government department, agency or an associated government in advance of delivery of goods

The *Adjustment of Accounts Act* (S.C. 1980, c.17) had the effect of creating a separate Defence Production Loan Account for loans or advances authorized under the *Defence Production Act*, item (b) above.

The Fund and the Defence Production Loan Account have a joint continuing non-lapsing authority from the Parliament to make payments out of the Consolidated Revenue Fund, the total of which is not to exceed \$100 million at any time.

Geomatics Canada Revolving Fund

Statement of management responsibility

We have prepared the accompanying financial statements of the Geomatics Canada Revolving Fund as required by and in accordance with the Treasury Board *Directive on Charging and Special Financial Authorities* and the reporting requirements and standards of the Receiver General for Canada. These financial statements were prepared by management of the Fund in accordance with the significant accounting policies set out in note 2 of the statements, on a basis consistent with that of the preceding year.

Responsibility for the integrity and objectivity of these financial statements rests with the management of the Fund. The information included in these financial statements is based on management's best estimates and judgment with due consideration given to materiality. To fulfill its accounting and reporting responsibilities, the Fund maintains a set of accounts, which provides a centralized record of the Fund's financial statements and benefits from the advice of accounting personnel of Corporate Management and Services Sector (CMSS). Financial information contained in the ministerial statements and elsewhere in the *Public Accounts of Canada* is consistent with that in these financial statements, unless indicated otherwise.

CMSS develops and disseminates financial management and accounting policies and issues specific directives, which maintains standards of accounting and financial management. Transactions are executed in accordance with prescribed regulations, within parliamentary authorities and are properly recorded to maintain accountability of Government funds and safeguard the Fund's assets. Financial management and internal control systems are maintained at appropriate costs and are augmented by the maintenance of internal audit programs. Management also seeks to assure the objectivity and integrity of data in its financial statements. This is accomplished by a careful selection, training and development of qualified staff, organizational arrangements that provide appropriate divisions of responsibility and communication programs aimed at ensuring that its regulations, policies, standards and managerial authorities are understood throughout the organization.

In order to assure maximum objectivity and freedom from bias, an external auditor has examined the financial data contained in these financial statements. Its role is to express an independent opinion as to whether the Fund's financial statements, considered in their entirety, present fairly, in conformity with stated accounting policies, the Fund's financial condition and transactions. This judgment is based on procedures described in the opinion appended to these financial statements.

Geomatics Canada Revolving Fund—continued

Independent auditor's report

To the Acting Assistant Deputy Minister and Chief Financial Officer, Natural Resources Canada

Our opinion

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Geomatics Canada Revolving Fund (the Fund) as at March 31, 2019 and its financial performance and its cash flows for the year then ended in accordance with Section 1 of the Receiver General for Canada Instructions for Volume III of *Public Accounts of Canada*.

What we have audited

The Fund's financial statements comprise:

- the statement of financial position as at March 31, 2019
- the statement of operations and net liabilities for the year then ended
- the statement of cash flows for the year then ended; and
- the notes to the financial statements, which comprised a summary of significant accounting policies

Basis for opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Independence

We are independent of the Fund in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada. We have fulfilled our other ethical responsibilities in accordance with these requirements.

Emphasis of matter – basis of accounting and restriction on use

We draw attention to note 2 to the financial statements, which describes the basis of accounting. The financial statements are prepared to assist the Fund to meet the requirements of Section 1 of the Receiver General for Canada Instructions for Volume III of *Public Accounts of Canada*. As a result, the financial statements may not be suitable for another purpose. Our report is intended solely for the management of the Fund and should not be used by parties other than the Fund and the Treasury Board of Canada. Our opinion is not modified in respect of this matter.

Responsibilities of management and those charged with governance for the financial statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Section 1 of the Receiver General for Canada Instructions for Volume III of *Public Accounts of Canada*; and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Fund's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Fund or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Fund's financial reporting process.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Geomatics Canada Revolving Fund—*continued*

Independent auditor's report—*concluded*

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Fund's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Fund to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Geomatics Canada Revolving Fund—*continued*

Notes to the financial statements for the year ended March 31, 2019

1. Authority and purpose

The Geomatics Canada Revolving Fund (the Fund) was originally established under *Appropriation Act No.3 1993-1994* as the "Surveys, Mapping and Remote Sensing Sector Revolving Fund" and approval was conditional on specified conditions. The purpose of the Fund was to shift the costs of offering goods and services from taxpayers to those specific users who directly benefit from them. Subsequently, on December 8, 1994, the "Surveys, Mapping and Remote Sensing Sector Revolving Fund" was renamed the "Geomatics Canada Revolving Fund". Having met its specified conditions, permanent continuing authority for the Fund was obtained from and registered with the Treasury Board of Canada on February 9, 1995.

The Fund has received a continuing non-lapsing authority from Parliament to make payments out of the Consolidated Revenue Fund for working capital, capital acquisitions and temporary financing of accumulated operating deficits, the total of which at any time is not to exceed \$5,000,000.

The Fund's mandate is to produce geomatics products, services, and expertise that can be exploited commercially. Revenue-generating activities further build on this work to produce saleable products or services for specific clients in the federal government, Canadian industry, Canadian public, provinces, territories, and other countries.

2. Significant accounting policies

(a) Basis of accounting

The financial statements have been prepared in accordance with the reporting requirements of the Receiver General for Canada for revolving funds. The basis of accounting used in these financial statements differs from Canadian generally accepted accounting principles for the public sector because:

- the net debt indicator and the statement of change in net debt are not presented in the financial statements
- expenses are reported by type in the statement of operations and net liabilities and not by function or major program
- budgeted expenses are not reported in the statement of operations
- services received without charge from other government departments are not reported as expenses
- no liability is recorded for sick leave

The significant accounting policies are as follows:

(b) Use of estimates

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. The most significant estimates used in the preparation of the financial statements are the amount of certain accrued liabilities, the estimated useful lives of tangible capital assets, and the allowance for doubtful accounts. Actual results could differ from these estimates. These estimates are reviewed annually and as adjustments become necessary, they are recorded in the financial statements in the period in which they become known.

(c) Revenues

Revenues are recognized when products are sold or services rendered. Revenues on leases are recognized on the period to which the lease or use of property relates.

(d) Expenses

Unless otherwise disclosed, expenses are recorded in the period they are incurred. Internal service costs of Natural Resources Canada incurred on behalf of the Fund are recorded in these financial statements as corporate and sector service costs.

(e) Accounts receivable

Accounts receivable are stated at amounts expected to be ultimately realized; a provision is made for receivables when a recovery is considered uncertain.

Geomatics Canada Revolving Fund—continued

Notes to the financial statements for the year ended March 31, 2019—continued

(f) Inventory

The inventory of maps is valued at the lower of cost or net realizable value, with cost being determined using the weighted average cost of each title.

(g) Tangible capital assets

Tangible capital assets purchased by the Fund since April 1, 1994 are recorded at cost. These assets are amortized on a straight-line basis over their estimated useful lives, commencing with the month subsequent to acquisition. The estimated useful lives of these assets are as follows:

| | |
|-------------------------|---------------|
| Machinery and equipment | 5 to 10 years |
| Informatics hardware | 4 years |
| Computer software | 4 years |
| Other equipment | 10 years |
| Motor vehicles | 5 to 7 years |

(h) Pension benefits

The *Public Service Superannuation Act* and the *Supplementary Retirement Benefits Act* cover employees of Natural Resources Canada whose salaries and other benefits are paid by the Fund. The Government's portion of the pension cost is included in the employee benefits expenses assessed against the Fund. Actual pension payments are made from the Public Service Superannuation and Supplementary Retirement Benefits Accounts. The Fund is not required under present legislation to make contributions with respect to actuarial deficiencies of the Public Service Superannuation Account and/or with respect to charges to the Consolidated Revenue Fund for the indexation of payments under the *Supplementary Retirement Benefits Act*.

(i) Vacation pay

Vacation pay is expensed as the benefits accrue to employees under their respective terms of employment.

(j) Sick leave

Employees are permitted to accumulate unused sick leave. However, such leave entitlements do not vest and may only be used in the event of illness. Payments of sick leave benefits are expensed as incurred and no amount has been accrued in these financial statements.

Geomatics Canada Revolving Fund—*continued*

Notes to the financial statements for the year ended March 31, 2019—*continued*

6. Net liabilities

The accumulated net charge against the Fund's authority is the non-lapsing authority amount that has been used since the inception of the Fund.

The accumulated surplus is an accumulation of each year's surpluses and deficits including the absorption of the opening net assets upon establishment of the Fund.

Contributed capital represents the value of capital assets financed from capital contributions at the inception of the Fund.

| | 2019 | 2018 |
|---|---------------------------|--------------|
| | (in thousands of dollars) | |
| Contributed capital..... | 1,438 | 1,438 |
| Accumulated net charge against the Fund's authority..... | (1,892) | (3,559) |
| Transfer of the transition payments for implementing salary payments in arrears | (20) | (20) |
| Accumulated surplus..... | 469 | 1,279 |
| Net liabilities..... | (5) | (862) |

7. Contractual rights

In some instances, the activities of the Fund involve the negotiation of contracts or agreements with outside parties or other federal government departments and agencies that result in the Fund having rights to both assets and revenues in the future. For the Fund, they principally involve contractual rights to receive lease payments. Major contractual rights that will generate revenues in the future years and that can be reasonably estimated are summarized as follows:

| | 2019 | |
|---------------------------|---------------------------|--|
| | (in thousands of dollars) | |
| 2020..... | 4,255 | |
| 2021..... | 869 | |
| 2022..... | 765 | |
| 2023..... | 648 | |
| 2024 and thereafter | 1,620 | |
| | 8 157 | |

8. Contingent liabilities

In the normal course of its operations, the Fund may become involved in various legal actions. Some of these potential liabilities may become actual liabilities when one or more future events occur or fail to occur. To the extent that the future event is likely to occur or fail to occur, and a reasonable estimate of the loss can be made, an estimated liability is accrued and an expense is recorded in the financial statements. As at March 31, 2019, there were no claims outstanding against the Fund.

Geomatics Canada Revolving Fund—concluded

Notes to the financial statements for the year ended March 31, 2019—*continued*

9. Contractual obligations

The nature of the Fund's activities can result in some large multi-year contracts and obligations whereby the Fund will be obligated to make future payments in order to carry out its mandate or when services are performed or goods received. Significant contractual obligations that can be reasonably estimated are summarized as follows:

| | 2019 |
|---------------------------|---------------------------|
| | (in thousands of dollars) |
| 2020..... | 1,007 |
| 2021..... | 893 |
| 2022..... | 893 |
| 2023..... | 893 |
| 2024 and thereafter | — |
| | 3,686 |

10. Related party transactions

Through common ownership, the Geomatics Canada Revolving Fund is related to all Government of Canada departments, agencies and Crown corporations. The Fund enters into transactions with such entities in the normal course of business which have been recorded at the exchange amount.

National Film Board

Statement of management responsibility including internal control over financial reporting

Responsibility for the integrity and objectivity of the accompanying financial statements for the year ended March 31, 2019, and all information contained in these statements rests with the management of the National Film Board (the “Board”). These financial statements have been prepared by management using the Government’s accounting policies, which are based on Canadian Public Sector Accounting Standards. They have been approved by the Board of Trustees.

Management is responsible for the integrity and objectivity of the information in these financial statements. Some of the information in the financial statements is based on management’s best estimates and judgment, and gives due consideration to materiality. To fulfill its accounting and reporting responsibilities, management maintains a set of accounts that provides a centralized record of the Board’s financial transactions. Financial information submitted in the preparation of the *Public Accounts of Canada*, and included in the Board’s *Departmental Results Report*, is consistent with these financial statements.

Management is also responsible for maintaining an effective system of internal control over financial reporting (ICFR) designed to provide reasonable assurance that financial information is reliable, that assets are safeguarded and that transactions are properly authorized and recorded in accordance with the *Financial Administration Act* and other applicable legislation, regulations, authorities and policies.

Management seeks to ensure the objectivity and integrity of data in its financial statements through careful selection, training and development of qualified staff; through organizational arrangements that provide appropriate divisions of responsibility; through communication programs aimed at ensuring that regulations, policies, standards, and managerial authorities are understood throughout the Board and through conducting an annual risk-based assessment of the effectiveness of the system of ICFR.

The system of ICFR is designed to mitigate risks to a reasonable level based on an ongoing process to identify key risks, to assess effectiveness of associated key controls, and to make any necessary adjustments.

The Board is subject to periodic Core Control Audits performed by the Office of the Comptroller General and uses the results of such audits to comply with the *Treasury Board Policy on Internal Control*.

A Core Control Audit was performed in 2016–2017 by the Office of the Comptroller General of Canada (OCG). The Audit Report and related Management Action Plan are posted on the departmental web site at www.onf.gc.ca.

The Office of the Auditor General, the independent auditor for the Government of Canada, has expressed an opinion on the fair presentation of the financial statements of the Board which does not include an audit opinion on the annual assessment of the effectiveness of the Board’s internal controls over financial reporting.

Independent Auditor's Report

To the Minister of Canadian Heritage

Report on the Financial Statements

Opinion

We have audited the financial statements of the National Film Board, which comprise the statement of financial position as at 31 March 2019, and the statement of operations and departmental net financial position, statement of change in departmental net debt and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the National Film Board as at 31 March 2019, and the results of its operations, changes in its net debt, and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the “Auditor’s Responsibilities for the Audit of the Financial Statements” section of our report. We are independent of the National Film Board in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian public sector accounting standards, and for such internal controls as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the National Film Board’s ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the National Film Board or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the National Film Board’s financial reporting process.

Auditor’s responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, international omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the National Film Board’s internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

National Film Board—*continued*

Independent Auditor's Report—*concluded*

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the National Film Board's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the National Film Board to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Report on Compliance with Specified Authorities

Opinion

In conjunction with the audit of the financial statements, we have audited transactions of the National Film Board coming to our notice from compliance with specified authorities. The specified authorities against which compliance was audited are the *National Film Act* and the by-laws of the National Film Board.

In our opinion, the transactions of the National Film Board that came to our notice during the audit of the financial statements have complied, in all material respects, with the specified authorities referred to above.

Responsibilities of Management for Compliance with Specified Authorities

Management is responsible for the National Film Board's compliance with the specified authorities named above, and for such internal control as management determines is necessary to enable the National Film Board to comply with the specified authorities.

Auditor's Responsibilities for the Audit of Compliance with Specified Authorities

Our audit responsibilities include planning and performing procedures to provide an audit opinion and reporting on whether the transactions coming to our notice during the audit of the financial statements are in compliance with the specified authorities referred to above.

National Film Board—continued

Notes to the financial statements for the year ended March 31, 2019

1. Authority and purpose

The National Film Board was established in 1939 under the *National Film Act* and is the agency responsible for administering the Act.

The National Film Board (the Board) is a cultural agency named in Schedule I.1 of the *Financial Administration Act* reporting to the Minister of Canadian Heritage. It is administered by a Board of Trustees appointed by the Governor in Council and chaired by the Government Film Commissioner.

The Board's legislative mandate is to initiate and promote the production and distribution of films in the national interest and, in particular;

- to produce and distribute and to promote the production and distribution of films designed to interpret Canada to Canadians and to other nations;
- to represent the Government of Canada in its relations with persons engaged in commercial motion picture film activity in connection with motion picture films for the Government or any department thereof;
- to engage in research in film activity and to make available the results thereof to persons engaged in the production of films;
- to advise the Governor in Council in connection with film activities;
- to discharge such other duties relating to film activity as the Governor in Council may direct it to undertake.

The Board is not subject to income taxes.

2. Significant accounting policies

These financial statements have been prepared using the Government's accounting policies stated below, which are based on Canadian Public Sector Accounting Standards. The presentation and results using the stated accounting policies do not result in any significant differences from Canadian Public Sector Accounting Standards.

Unless otherwise specified, the figures presented in the financial statements are stated in thousands of Canadian dollars.

Significant accounting policies are as follows:

(a) Parliamentary authorities

Operations are funded through a permanent authority from Parliament (Revolving Fund) and Parliamentary authorities voted annually.

The Revolving Fund allows the Board to make payments out of the Consolidated Revenue Fund for working capital, interim financing of operating costs and capital assets acquisitions. Based on a decision by the Treasury Board issued in 2001, this authority requires that the aggregate of admissible working capital and net book value of capital assets does not exceed \$15 million.

The Board is also financed in part by the Government of Canada through Parliamentary authorities voted annually. Financial reporting of authorities provided to the Board do not parallel financial reporting according to Generally Accepted Accounting Principles since authorities are primarily based on cash flow requirements. Consequently, items recognized in the Statement of operations and departmental net financial position and in the Statement of financial position are not necessarily the same as those provided through authorities from Parliament. Note 3 provides reconciliation between the two bases of reporting.

The planned results amounts presented in the "Expenses" and "Revenues" sections of the Statement of operations and departmental net financial position are the amounts reported in the Future-oriented statement of operations included in the *2018–19 Departmental Plans*. The planned results amounts in the "Government funding and transfers" section of the Statement of operations and departmental net financial position and in the Statement of change in departmental net debt were prepared for internal management purposes and have not been previously published.

Every year, the Board presents information on planned expenditures to Parliament through the tabling of Estimates publications. These estimates result in the introduction of supply bills (which once passed into legislation, become appropriation acts) in accordance with the reporting cycle for government expenditures. The Board exercises expenditure initiation processes such that unencumbered balances of budget allotments and appropriations are monitored and reported on a regular basis to help ensure sufficient authority remains for the entire period and appropriations are not exceeded.

National Film Board—continued

Notes to the financial statements for the year ended March 31, 2019—continued

Liquidity risk is the risk that the Department will encounter difficulty in meeting its obligations associated with financial liabilities. The Board's objective for managing liquidity risk is to manage operations and cash expenditures within the appropriation authorized by Parliament or allotment limits approved by the Treasury Board.

Consistent with section 32 of the *Financial Administration Act*, the Board's policy to manage liquidity risk is that no contract or other arrangement providing for a payment shall be entered into with respect to any program for which there is an appropriation by Parliament or an item included in estimates then before the House of Commons to which the payment will be charged, unless there is a sufficient unencumbered balance available out of the appropriation or item to discharge any debt that, under the contract or other arrangement, will be incurred during the fiscal year in which the contract or other arrangement is entered into.

The Board's risk of exposure and its objectives, policies and processes to manage and measure this risk did not change significantly from the prior year.

(b) Net cash provided by Government of Canada

The Board operates within the Consolidated Revenue Fund (CRF), which is administered by the Receiver General for Canada. All cash received by the Board is deposited to the CRF and all cash disbursements made by the Board are paid from the CRF. The net cash provided by the Government is the difference between all cash receipts and all cash disbursements including transactions between departments of the federal government.

(c) Due from or to the Consolidated Revenue Fund

Amounts due from or to the Consolidated Revenue Fund (CRF) are the result of timing differences between when a transaction affects the Board's authorities and when it is processed through the CRF. Amounts due from the CRF represent the net amount of cash that the Board is entitled to draw from the CRF without further authorities to discharge its liabilities. This amount is not considered to be a financial instrument.

(d) Expense recognition

Expenses are recorded on an accrual basis. Expenses related to audiovisual production include the costs of activities for the development and production of audiovisual works of all kinds. Expenses related to accessibility and audience engagement include activities necessary to make the Board's productions accessible, including the preservation and conservation of the collection as well as the promotion and distribution of the works. Internal services are expenses incurred to meet the Board's programming and other general obligations.

Vacation pay is expensed, as the benefits are earned by employees under their respective terms of employment.

(e) Revenues

Partnerships and pre-sales and revenues from audiovisual products other than royalty revenues are recognized when amounts are due.

Royalty revenues are recognized once all of the Board's obligations have been fulfilled and its expenses have been accounted for, regardless of when the acquirer actually uses the work.

Other revenues are accounted for in the period in which the underlying transaction or event that gave rise to the revenue takes place.

(f) Accounts receivable

Accounts receivable are stated at amounts expected to be ultimately realized. A provision is recorded for external parties' accounts receivable where recovery is considered uncertain.

Credit risk is the risk that one party to a financial instrument will cause a financial loss for the other party by failing to discharge an obligation. The Board is not exposed to significant credit risk. The Board provides services to other government departments and agencies and to external parties in the normal course of business. Accounts receivable are due on demand. The Board's maximum exposure to credit risk is equal to the carrying value of its accounts receivable.

(g) Inventory

Materials and supplies are valued at cost.

Film prints and other forms of visual presentation held for sale are valued at the lower of cost or net realizable value.

National Film Board—*continued*

Notes to the financial statements for the year ended March 31, 2019—*continued*

(h) Tangible capital assets

All tangible capital assets having an initial cost of \$10,000 or more and leasehold improvements of \$10,000 or more are recorded at their acquisition cost.

Amortization of tangible capital assets is done on a straight-line basis over the estimated useful life of the assets, as follows:

| <u>Asset class</u> | <u>Amortization period</u> |
|--|----------------------------|
| Technical equipment | from 4 to 10 years |
| Software and data-processing equipment | from 5 to 10 years |
| Office furniture, equipment and other | from 5 to 10 years |
| Leasehold improvements | terms of the leases |

Amounts related to projects in progress are transferred to the appropriate tangible capital assets category when the project is complete and amortized according to the Board's policy.

The Board has a collection of nearly twenty thousand audiovisual works produced since 1895. This inestimable collection is not intended for sale and does not have a measurable value. It has, however, been assigned a nominal value of \$1 in the financial statements, appearing on the Statement of financial position and in note 8 as tangible capital assets to ensure that the reader is aware of its existence. The Board does not capitalize other intangibles that have cultural, aesthetic or historical value.

The Board enters into operating lease agreements to acquire the exclusive use of certain tangible capital assets over the term of the lease. These rental fees are charged to operations in the year to which they apply. The Board also enters into capital lease agreements by which substantially all the benefits and risks inherent to ownership of the assets are transferred to the Board. The Board then records an asset and an obligation corresponding to the present value of the minimum lease payments, excluding the portion thereof relating to executory costs. The assets recorded from a capital lease agreement are amortized on the same basis as other assets owned by the Board and the obligations are amortized over the lease term.

(i) Other financial assets and financial liabilities

Financial instruments of the Board are stated at cost or amortized cost. Financial assets consist of assets that could be used to reimburse existing liabilities or finance future operations.

The Board has the following financial assets:

- Accounts receivable related to the sale of audiovisual products to external parties or other departments and agencies (net of allowances for doubtful accounts)
- Deposits related to production abroad

Financial liabilities consist of accounts payable and accrued liabilities, and accrued salaries.

(j) Employee Future Benefits

Pension benefits

Eligible employees participate in the Public Service Pension Plan, a multiemployer pension plan administered by the Government. The Board's contributions to the Plan are charged to expenses in the year incurred and represent the Board's total obligation to the Plan. The Board's responsibility with regard to the Plan is limited to its contributions. Actuarial surpluses or deficiencies are recognized in the financial statements of the Government of Canada, as the Plan's sponsor.

Severance benefits

Employees are entitled to severance benefits as provided under collective agreements or conditions of employment. In 2012, the program for all employees was eliminated and, consequently, the severance benefits ceased to accumulate. The cost of severance was recorded in the periods in which the benefits were earned by employees. The obligation under severance benefits is calculated at present value using the most probable management assumptions regarding wage, the discount rate and the timing of retirement. These assumptions are reviewed annually.

National Film Board—*continued*

Notes to the financial statements for the year ended March 31, 2019—*continued*

Compensated absences

Employees are entitled to sick leave and workers' compensation benefits as provided in their collective agreements or conditions of employment. Sick leave days accumulate but do not vest, enabling employees to be paid during their absence due to illness in recognition of prior services rendered. As the employees render services, the value of the compensated sick leave attributed to those services is recorded as a liability and expense. The Board records the cost of workers' compensation benefits to be paid when the event giving rise to the obligation occurs. Management uses assumptions and its best estimates, such as the discount rate, age of retirement, utilization rate of days in excess of the leave granted annually, probability of departure and salary review rate to calculate the present value of the compensated absences obligation. These assumptions are reviewed annually.

(k) Contingent liabilities

Contingent liabilities are potential liabilities which may become actual liabilities when one or more future events occur or fail to occur. To the extent that the future event is likely to occur or fail to occur, and a reasonable estimate of the loss can be made, an estimated liability is accrued and an expense recorded. If the likelihood is not determinable or an amount cannot be reasonably estimated, the contingency is disclosed in the notes to the financial statements.

(l) Measurement uncertainty

The preparation of these financial statements requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, revenues and expenses reported in the financial statements. At the time of preparation of these statements, management believes the estimates and assumptions to be reasonable. The most significant items where estimates are used are the allowance for doubtful accounts, contingent liabilities, the liability related to employee future benefits and the useful life of tangible capital assets. Actual results could significantly differ from those estimated. Management's estimates are reviewed periodically and, as adjustments become necessary, they are recorded in the financial statements in the year they become known.

National Film Board—*continued*

Notes to the financial statements for the year ended March 31, 2019—*continued*

3. Parliamentary authorities

The Board receives most of its funding through annual Parliamentary authorities. Items recognized in the Statement of operations and departmental net financial position and the Statement of financial position in one year may be funded through Parliamentary authorities in prior, current or future years. Accordingly, the Board has different net results of operations for the year on a government funding basis than on an accrual accounting basis. The differences are reconciled in the following tables:

- a) Reconciliation of net cost of operations to current year authorities used

| | 2019 | 2018 |
|--|---------------------------|----------------|
| | (in thousands of dollars) | |
| Net cost of operations before government funding and transfers | 67,062 | 64,954 |
| Adjustments for items affecting net cost of operations but not affecting authorities | | |
| Add (less) | | |
| Change in vacation pay and provision for salary adjustments not charged to authorities | (762) | 932 |
| Change in expenses not charged to authorities..... | (275) | 120 |
| Net change in employee future benefits..... | (492) | (449) |
| Loss on disposal of tangible capital assets | (194) | — |
| Amortization of tangible capital assets | (1,998) | (2,375) |
| | (3,721) | (1,772) |
| Adjustments for items not affecting net cost of operations but affecting authorities | | |
| Add (less) | | |
| Acquisition of tangible capital assets..... | 7,498 | 4,026 |
| Lease payments for tangible capital assets..... | 93 | 138 |
| | 7,591 | 4,164 |
| Current year authorities used | 70,932 | 67,346 |

- b) Authorities provided and used

| | 2019 | 2018 |
|---|---------------------------|---------------|
| | (in thousands of dollars) | |
| Authorities provided | | |
| Main Estimates..... | 74,568 | 74,375 |
| Supplementary Estimates authorities | 4,208 | 5,538 |
| Less | | |
| Authorities available for future years..... | (3,244) | (567) |
| Frozen allotment..... | (4,600) | (12,000) |
| Current year authorities used | 70,932 | 67,346 |

4. Accounts payable and accrued liabilities

Accounts payable and accrued liabilities are measured at cost and are due, mainly, within six months following the closing date.

The following table presents details of the Board's accounts payable and accrued liabilities.

| | 2019 | 2018 |
|--|---------------------------|--------------|
| | (in thousands of dollars) | |
| Accounts payable and accrued liabilities—Other government departments and agencies | 4,933 | 3,256 |

National Film Board—continued

Notes to the financial statements for the year ended March 31, 2019—*continued*

5. Lease obligation for tangible capital assets

The Board has an agreement to lease technical equipment under a capital lease (note 8). The asset was capitalized using an implicit interest rate of 1.82% for the 2018–2019 contract. The corresponding liability will be repaid during the term of the 3-year lease. Payments for the year ended March 31, 2019 totaled \$ 93 (2018—\$ 138). Interest of \$1 (2018—\$5) is charged to operations.

| | 2019 | 2018 |
|---|---------------------------|-----------|
| | (in thousands of dollars) | |
| 2019 | 44 | 72 |
| 2020 | 44 | — |
| 2021 | 23 | — |
| Total future minimum lease payments | 111 | 72 |
| Less: imputed interest | (3) | (1) |
| Balance of lease obligation for tangible capital assets..... | 108 | 71 |

6. Employee future benefits

Pension benefits

The Board's eligible employees participate in the Public Service Pension Plan, which is sponsored and administered by the Government of Canada. Pension benefits accrue up to a maximum period of 35 years at a rate of 2% per year of pensionable service, times the average of the best five consecutive years of earnings. The benefits are integrated with Canada/Quebec Pension Plans benefits and are indexed to inflation.

Both the employees and the Board contribute to the cost of the Plan. Due to the amendment of the *Public Service Superannuation Act* following the implementation of provisions related to *Economic Action Plan 2012*, employee contributors have been divided into two groups: Group 1 relates to existing plan members as of December 31, 2012 and Group 2 relates to members joining the Plan as of January 1, 2013. Each group has a distinct contribution rate.

In 2019, the expense amount for Group 1 and Group 2 members is \$3,520 (2018 – \$3,278). For the member of the group 1, the charges represent approximately 1.01 times the employee contributions and for the group 2, the charges represent approximately 1.00 times the employee contributions. In 2018, the charges represent approximately 1.01 times the employee contributions and for the group 2, the charges represent approximately 1.00 times the employee contributions.

The Board's responsibility with regard to the Plan is limited to its contributions. Actuarial surpluses or deficiencies are recognized in the financial statements of the Government of Canada, as the Plan's sponsor.

Severance benefits and compensated absences

Severance benefits

The Board provides severance benefits to its employees based on eligibility, years of service and salary at termination of employment. These severance benefits are not pre-funded. Benefits will be paid from future authorities.

As part of collective agreement negotiations and conditions of employment, the accumulation of severance benefits under the employees' severance pay program ceased commencing in 2012. Employees subject to these changes had, until December 31, 2013, the option to be immediately paid the full or partial value of benefits earned to date or collect the full or remaining value of benefits on termination from the public service.

As at March 31, 2019, to calculate the obligation of the remaining portion, the Board uses a rate of compensation increase of 1.60% (2018 – 0.96%), an estimated discount rate of 1.69% (2018 – 2.18%) and a horizon of retirement estimated at 60 years old.

National Film Board—*continued*

Notes to the financial statements for the year ended March 31, 2019—*continued*

Compensated absences

The Board provides its employees with sick leave benefits based on their salary and the entitlements accumulated over their years of service. These entitlements are accumulated but do not vest. The Board has also recognized a workers' compensation obligation.

To calculate the obligation for sick leaves, the Board uses an average daily wage of \$310 (2018 – \$288), a rate of salary increase of 2.06% (2018 – 0.96%), an average annual utilization rate of 2.98% (2018 – 2.61%), a discount rate of 1.69% (2018 – 2.18%), a 4.75% (2018 – 5.18%) probability of employee departure and a retirement age assumption of 60 or 65 years old, depending on the beginning of employment.

To calculate the workers' compensation obligation, the Board uses the provisions of the applicable workers' compensation plan and a discount rate of 1.69% (2018 – 2.18%).

Information about the severance and compensated absence benefits, measured as at March 31, 2019, is as follows:

| | Severance benefits | Compensate Absences | Total |
|---|---------------------------|------------------------|--------------|
| | (in thousands of dollars) | | |
| Balance as at March 31, 2017 | 1,045 | 1,667 | 2,712 |

| Net book value | 11,268 | 5,630 | (194) | – | 16,704 |

¹ Board's collection has a symbolic value of \$1.

The above assets include equipment under capital leases (note 5) for a total cost of \$544 (2018–\$414) less accumulated amortization of \$297 (2018–\$192). Current year amortization expense relating to property under capital leases amounts to \$97 (2018–\$89).

Disposals and write-offs of \$194 (2018–\$48) for the year are related to the abandonment of obsolete material as well as the change in the capitalization limit from \$5 to \$10.

Work in progress includes leasehold improvements related to the relocation of the headquarters of \$9,810 and software for the education platform of \$714.

National Film Board—*continued*

Notes to the financial statements for the year ended March 31, 2019—*continued*

9. Contractual obligations

The nature of the Board's activities can result in multi-year contracts and obligations whereby the Board will be obligated to make future payments for the acquisition of goods or services. Significant contractual obligations that can be reasonably estimated are summarized as follows:

| | 2020 | 2021 | 2022 | 2023 | 2024 + | Total |
|--------------------------------|--------------|------------|------------|------------|--------------|---------------|
| (in thousands of dollars) | | | | | | |
| Premises..... | 2,856 | 858 | 861 | 808 | 6,175 | 11,558 |
| Other goods and services | 6,295 | 113 | 5 | 1 | — | 6,414 |
| Total..... | 9,151 | 971 | 866 | 809 | 6,175 | 17,972 |

The agreements for leased premises in the amount of \$11,558 were signed with Public Services and Procurement Canada (PSPC). An agreement with PSPC of \$5,554 for the Montreal headquarters move is included in other goods and services.

In addition, the Board will enter into an agreement with Public Services and Procurement Canada for a 20 year lease as of fiscal year 2020 for the rental of new space for its headquarters as well as a 20 year lease for the rental of new space for the conservation room. The minimum commitments over the 20 year period for these leases will total approximately \$129.5 million.

10. Contingent liabilities

In the normal course of business, the Board may be subjected to various claims or legal proceedings. Management believes that should Board be found liable pursuant to one or more of these proceedings, the aggregate liabilities resulting from such proceedings would not be material.

11. Expenses by major object and types of revenues

The following table presents the expenses committed and revenues generated by main expenditures objects and type of revenues.

(a) Expenses

| | 2019 | 2018 |

| | (in thousands of dollars) | |
| Royalties and subscriptions..... | 1,919 | 1,745 |
| Partnerships and pre-sale..... | 1,560 | 5,051 |
| Stock shots..... | 460 | 515 |
| Film prints and downloads | 183 | 273 |
| Miscellaneous | 66 | 42 |
| | 4,188 | 7,626 |

12. Related party transactions

The Board is related, as a result of common ownership, to all government departments, agencies and Crown corporations as well as with its main leaders, their close relatives and the entities subject to the control of these persons. The Board enters into transactions with these entities in the normal course of business and on normal trade terms. These transactions are recorded at their exchange amount with the exception of unrecognized services in the Statement of operations and departmental net financial position.

The Government has centralized some of its administrative activities for efficiency, cost-effectiveness purposes and economic delivery of programs to the public. As a result, the Government uses central agencies and common service organizations so that one department performs services for all other departments and agencies without charge. The costs of these services, such as the payroll and cheque issuance services provided by PSPC and audit services provided by the Office of the Auditor General, are not included in the Board's Statement of Operations and Departmental Net Financial Position.

| | 2019 | 2018 |
|--------------------------|---------------------------|--------|
| | (in thousands of dollars) | |
| Accounts receivable..... | 382 | 463 |
| Accounts payable..... | 4,947 | 3,256 |
| Expenses..... | 19,907 | 15,995 |
| Revenues | 942 | 2,191 |

During the year ending March 31, 2019, the Board leased premises from Public Services and Procurement Canada (PSPC) for the amount of \$4,558 (2018 – \$4,501). This amount is included in the expenses. The expenses includes a capitalized amount of \$6,909 (2018 – \$1,545).

13. The Documentary Channel

Since 2002, the Board owns a permanent share of 14% (14 x \$1 units) of the specialized television channel The Documentary Channel. Pursuant to the investment agreement, the Board's obligations with respect to debts, liabilities, and other obligations are limited to the capital invested.

Revenues from portfolio investments are recognized only to the extent that they are received or eligible and they are presented under miscellaneous revenues in the income statement in the amount of \$0 (\$0 in 2018).

National Film Board—*concluded*

Notes to the financial statements for the year ended March 31, 2019—*concluded*

14. Contractual rights

By their nature, the activities of the Board may give rise to rights to economic resources arising from contracts or agreements that will result in assets and income in the future over a number of years. During the previous year, the Board entered into an agreement with a collaborator valued at \$1,540, of which \$672 remains to be deposited in subsequent years.

Optional Services Revolving Fund

Statement of management responsibility

We have prepared the accompanying financial statements of the Optional Services Revolving Fund as required by the Treasury Board Directive on Charging and Special Financial Authorities in accordance with the Receiver General reporting requirements. These financial statements were prepared by the management of the Fund in accordance with the significant accounting policies set out in note 2 of the financial statements, on a basis consistent with that of the preceding year.

Responsibility for the integrity and objectivity of these financial statements rests with the management of the Fund. The information included in these financial statements is based on management's best estimates and judgment with due consideration given to materiality. To fulfill its accounting and reporting responsibilities, management maintains a set of accounts which provides a centralized record of the Fund's financial transactions. Financial information submitted to the *Public Accounts of Canada* and included in the department's Departmental Results Report is consistent with these financial statements.

Management develops and disseminates financial management and accounting policies and issues specific directives which maintain standards of accounting and financial management. Management maintains systems of financial management and internal control which give due consideration to costs, benefits and risks. They are designed to provide reasonable assurance that transactions are properly authorized, are executed in accordance with prescribed regulations, and are properly recorded to maintain accountability of Government funds and safeguard the assets under the Fund's administration. Financial management and internal control systems are augmented by the maintenance of internal audit programs. Management also seeks to ensure the objectivity and integrity of data in its financial statements by the careful selection, training and development of qualified staff, by organizational arrangements that provide appropriate divisions of responsibility and by communication programs aimed at ensuring that its regulations, policies, standards and managerial authorities are understood throughout the organization.

Management has presented the financial statements to the independent external auditor, who audited them and has provided an independent opinion, which has been appended to these financial statements.

Optional Services Revolving Fund—continued

Independent auditor's report

To the Deputy Minister, Public Services and Procurement Canada

Opinion

We have audited the financial statements of the Optional Services Revolving Fund (the "Fund"), which comprise the statement of financial position as at March 31, 2019, and the statements of operations and net liabilities and of cash flow for the year then ended, and notes to the financial statements including a summary of significant accounting policies (collectively referred to as the "financial statements").

In our opinion, the financial statements of the Fund for the year ended March 31, 2019 are prepared, in all material respects, in accordance with the financial reporting provisions for revolving funds described by the Receiver General for Canada under the *Directive on Charging and Special Financial Authorities*.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards ("Canadian GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of Public Services and Procurement Canada in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter—Basis of Accounting and Restriction on Use

We draw attention to Note 2 to the financial statements, which describes the basis of accounting. The financial statements are prepared to assist the Fund to meet the financial reporting provisions for revolving funds described by the Receiver General for Canada under the Directive on Charging and Special Financial Authorities. As a result, the financial statements may not be suitable for another purpose. Our report is intended solely for the Fund and the Treasury Board of Canada and should not be used by parties other than the Fund and the Treasury Board of Canada. Our opinion is not modified in respect of this matter.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the financial reporting provisions for revolving funds described by the Receiver General for Canada under the Directive on Charging and Special Financial Authorities, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Fund's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Fund or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Fund's financial reporting process.

Optional Services Revolving Fund—*continued*

Independent auditor's report—*concluded*

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian GAAS will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian GAAS, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Fund's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Fund to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Optional Services Revolving Fund—*continued*

Notes to the financial statements for the year ended March 31, 2019

1. Authority and purpose

The Optional Services Revolving Fund (the "Fund") provides specialized services to federal departments, agencies and provincial and territorial governments. The Fund procures vaccines and drugs, provides travel and relocation-related services, as well as communication procurement services. The Fund was established under the *Appropriation Act No. 4, 1991–1992* which was repealed in 1996 and replaced by section 5.5 of the *Revolving Funds Act*.

The Fund has a continuing non-lapsing authority from Parliament to make payments out of the Consolidated Revenue Fund for the purposes of working capital, capital acquisitions and the temporary financing of accumulated operating deficits, the total of which is not to exceed \$35,000,000 at any time.

The Fund received authorization from Treasury Board to access its unused authority for a total amount of up to \$10,000,000 to temporarily fund transitory cash elements at year end.

2. Significant accounting policies

These financial statements have been prepared in accordance with the significant accounting policies set out below to comply with the reporting requirements for revolving funds described by the Receiver General for Canada under the Treasury Board of Canada's Directive on Charging and Special Financial Authorities. The basis of accounting used in these financial statements differs from Canadian public sector accounting standards mainly because:

- no liability is recorded for sick leave
- the net debt indicator and statement of changes in net debt are not presented in the financial statements and
- contractual rights and inter-entity transactions and related parties disclosures are not presented in the financial statements

The significant accounting policies are as follows:

(a) Revenue recognition

Vaccine and drug revenues are recognized using a blended rate established by fixed price contracts and based on the proportion of total goods delivered at year end. Any losses on fixed price contracts are recognized during the period in which they are identified.

Travel and relocation related services revenue consists of rebates, commissions, and fees and is recognized when services are incurred.

Revenue earned on communication procurement services is recognized using the completed contract method.

(b) Accounts receivable

Accounts receivable are stated at amounts expected to be ultimately realized. An allowance is made on receivables where recovery is considered uncertain.

(c) Expense recognition

All expenses are recorded on an accrual basis.

Vacation pay and compensatory leave are accrued as the benefits are earned by employees under their respective terms of employment.

(d) Employee future benefits

Pension benefits

Eligible employees of the Fund participate in the Public Service Pension Plan (the "Plan"), a multiemployer pension plan administered by the Government of Canada. The Fund's contributions to the Plan are charged to expenses in the year in which they are incurred and represent the total Fund obligation to the Plan. The Fund's responsibility with regard to the Plan is limited to the contributions paid. Actuarial surpluses or deficiencies are recognized in the financial statements of the Government of Canada, as the Plan's sponsor.

Optional Services Revolving Fund—*continued*

Notes to the financial statements for the year ended March 31, 2019—*continued*

Severance benefits

Eligible employees of the Fund were entitled to severance benefits under labour contracts or conditions of employment. These benefits were earned as the services necessary to earn them were rendered. The obligation relating to the benefits earned by employees is calculated using information derived from the results of the actuarially determined liability for employee severance benefits for the Government as a whole.

(e) Sick leave

Employees are permitted to accumulate unused sick leave. However, such leave entitlements may only be used in the event of an illness. As per current government practice, unused sick leave upon employee termination is not payable to the employee. Accordingly, no liability has been accrued in these financial statements. Payments of sick leave benefits are included in current operations as incurred.

(f) Measurement uncertainty

The preparation of these financial statements requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, revenue and expenses reported in the financial statements. At the time of preparation of these financial statements, management believes the estimates and assumptions to be reasonable. The most significant items where estimates are used are the liability for vacation pay and compensatory leave, and the liability for employee severance benefits. Actual results could significantly differ from those estimates. Management's estimates are reviewed periodically, and as adjustments become necessary, they are recorded in the financial statements in the year they become known.

3. Accounts receivable

| | 2019 | 2018 |
|---|---------------------------|--------------|
| | (in thousands of dollars) | |
| Outside parties | 10,410 | 7,225 |
| Other government departments and agencies | 1,600 | 925 |
| Net accounts receivable..... | 12,010 | 8,150 |

4. Accounts payable and accrued liabilities

| | 2019 | 2018 |
|--|---------------------------|---------------|
| | (in thousands of dollars) | |
| Outside parties | 22,155 | 12,340 |
| Other government departments and agencies | 40 | 14 |
| Accrued liabilities..... | 22,195 | 12,354 |
| Total accounts payable and accrued liabilities..... | 13 | 11 |
| | 22,208 | 12,365 |

Optional Services Revolving Fund—*continued*

Notes to the financial statements for the year ended March 31, 2019—*continued*

5. Employee severance benefits

The Fund provides severance benefits to its employees based on eligibility, years of service and salary at termination of employment. These severance benefits are not pre-funded. Benefits will be paid by future authorities.

Commencing in 2012, as part of collective agreement negotiations and changes to conditions of employment, the accumulation of severance benefits under the employee severance pay program ceased. The employees were given the option to be immediately paid the full or partial value of benefits earned to date or to collect the full or remaining value of benefits on termination from the public service. These changes have been reflected in the calculation of the outstanding severance benefits obligation.

Information about the severance benefits, measured as at March 31, is as follows:

| | 2019 | 2018 |
|--|---------------------------|-----------|
| | (in thousands of dollars) | |
| Employee severance benefits obligation, beginning of year | 43 | 38 |
| Expense for the year..... | (2) | 5 |
| Employee severance benefits obligation, end of year | 41 | 43 |

6. Net liabilities

The accumulated surplus is the accumulation of each fiscal year's surplus net of deficits since the inception of the Fund.

The accumulated net charge against the Fund's authority (ANCAFA) represents the cumulative receipts and disbursements over the life of the Fund.

| | 2019 | 2018 |
|---|---------------------------|-----------------|
| | (in thousands of dollars) | |
| Accumulated surplus, beginning of year | 8,919 | 8,620 |
| Net results | 1,103 | 299 |
| Accumulated surplus, end of year | 10,022 | 8,919 |
| Accumulated net charge against the Fund's authority, beginning of year..... | (13,132) | (17,502) |
| Net financial resources used (provided) and change in the accumulated net charge against the Fund's authority during the year . | 2,202 | 4,370 |
| Accumulated net charge against the Fund's authority, end of year..... | (10,930) | (13,132) |
| Net liabilities, end of year | (908) | (4,213) |

7. Contractual obligations

The nature of the Fund's activities can result in some large multi-year contracts and obligations whereby the Fund will be obligated to make future payments when the goods and services are received. Estimated future payments are as follows:

| | (in thousands of dollars) |
|---|---------------------------|
| Year ending March 31 | |
| 2020 | 552 |
| 2021 | — |
| 2022 | — |
| 2023 | — |
| 2024 and thereafter | — |
| Total contractual obligations..... | 552 |

Optional Services Revolving Fund—*concluded*

Notes to the financial statements for the year ended March 31, 2019—*concluded*

8. Related party transactions

Through common ownership, the Fund is related to all Government of Canada departments, agencies, and Crown corporations. The Fund enters into transactions with these entities in the normal course of business and on normal trade terms.

Passport Canada Revolving Fund

Statement of management responsibility

We have prepared the accompanying financial statements of the Passport Canada Revolving Fund as required by and in accordance with the Treasury Board *Directive on Charging and Special Financial Authorities* and the reporting requirements and standards of the Receiver General for Canada. These financial statements were prepared by the management of the Fund in accordance with the significant accounting policies set out in note 2 of the financial statements, on a basis consistent with that of the preceding year except for the prior year's adjustments described in note 3.

Responsibility for the integrity and objectivity of these financial statements rests with the management of the Fund. To ensure maximum objectivity and freedom from bias, the financial data contained in these financial statements is examined by the Departmental Audit Committee in conjunction with their review of the departmental financial statements. The information included in these financial statements is based on management's best estimates and judgment with due consideration given to materiality. To fulfill its accounting and reporting responsibilities, the Fund maintains a set of accounts which provides a centralized record of the Fund's financial transactions. Financial information submitted to the *Public Accounts of Canada* and included in the department's *Departmental Results Report* is consistent with these financial statements.

The Fund's financial management develops and disseminates financial management and accounting policies and issues specific directives which maintain standards of accounting and financial management. The Fund maintains systems of financial management and internal control which gives due consideration to costs, benefits and risks. The systems are designed to provide reasonable assurance that transactions are properly authorized by Parliament, are executed in accordance with prescribed regulations, and are properly recorded to maintain accountability of Government funds and safeguard the assets under the Fund's administration. Financial management and internal control systems are augmented by the maintenance of internal audit programs. The Fund also seeks to ensure the objectivity and integrity of data in its financial statements by the careful selection, training and development of qualified staff, by organizational arrangements that provide appropriate divisions of responsibility, and by communication programs aimed at ensuring that its regulations, policies, standards and managerial authorities are understood throughout the organization.

The accompanying notes form an integral part of these financial statements.

Passport Canada Revolving Fund—continued

Notes to the financial statements (unaudited) for the year ended March 31

1. Authority and purpose

The Passport Canada Revolving Fund (the "Fund") was established in 1969 to provide for the issue of appropriate passport and other travel document services in Canada and at posts abroad. The *Revolving Funds Act* authorized the operation of the Fund.

The Fund has a continuing non-lapsing authority from Parliament, in the amount of \$1, to make payments out of the Consolidated Revenue Fund for working capital and tangible capital acquisitions.

2. Significant accounting policies

Significant accounting policies are as follows:

(a) Revenue recognition

Revenues from passport fees are recognized upon request for a passport service, which is upon receipt of payment and verification of the passport application for completeness.

(b) Inventories

Inventories of materials and supplies are carried at the lower of cost using the average cost and net realizable value.

(c) Tangible capital assets

Tangible capital assets are recorded at cost and amortized on a straight-line basis over their estimated useful lives, as follows:

| <u>Asset class</u> | <u>Amortization period</u> |
|------------------------------------|---|
| Office furniture | 10 years |
| Vehicles | 8 years |
| Informatics hardware | 5 years |
| Software (purchased and developed) | 3 to 10 years |
| Machinery and equipment | 15 years |
| Leasehold improvements | Lesser of the remaining term of the lease or estimated useful life of the improvement |

Assets under construction are recorded in the applicable capital asset class in the year they are put into service and are not amortized until then.

(d) Employee future benefits

Pension benefits

Eligible employees of the Fund participate in the Public Service Pension Plan, a multiemployer pension plan administered by the Government. The Fund's contributions to the Plan are charged to expenses in the year incurred and represent the Fund's total obligation to the Plan. The Fund's responsibility with regard to the Plan is limited to its contributions. Actuarial surpluses or deficiencies are recognized in the financial statements of the Government of Canada, as the Plan's sponsor.

Severance benefits

The accumulation of severance benefits for voluntary departures ceased for substantially all employees. The remaining obligation for the Fund's employees who did not withdraw benefits is calculated using information derived from the results of the actuarially determined liability for employee severance benefits for the Government as a whole.

Passport Canada Revolving Fund—*continued*

Notes to the financial statements (unaudited) for the year ended March 31—*continued*

3. Prior year's adjustments

In the context of the modernization initiative, the Passport program is transitioning to the Immigration, Refugees and Citizenship Canada Global Case Management System and the Integrated Payment Revenue Management System for the processing of passport applications. The Fund's contributions to this initiative are recorded as prepaid expenses and are gradually recognized as expenses to reflect the usage of Immigration, Refugees and Citizenship Canada's systems by the Fund.

During fiscal year 2018–2019, a review of the accounting for the Global Case Management System and Integrated Payment Revenue Management System projects was completed. It was then determined that the functionalities related to the processing of passport applications have not yet been fully deployed and a portion of deemed services received by the Fund since fiscal year 2015–2016 for the use of these systems should not have materialized. As such, the Fund corrected the accounting accordingly, resulting in a retroactive restatement of prior years' balances.

As a result of this restatement, the cumulative balance of prepaid expenses has increased by \$3.8 million and consequently, the net assets balance at the end of the year increased by \$3.8 million in the Statement of operations and net assets (liabilities).

In addition, a reallocation was made between the accumulated surplus and the accumulated net charge against the Fund's authority, beginning of year, in order to properly account for an adjustment made in prior years.

4. Accounts receivable

The following table presents details of the Fund's accounts receivable:

| | 2019 | 2018 |
|---|---------------------------|---------------------|
| | (in thousands of dollars) | |
| Accounts receivable | | |
| Accounts receivable—Government of Canada..... | 6,989 | 11,741 |
| Accounts receivable—Outside parties..... | 293 | 185 |
| | <hr/> 7,282 | <hr/> 11,926 |

5. Inventories

The following table presents details of the inventory, measured at the lower of cost using the average cost and net realizable value:

| | 2019 | 2018 |
|--|---------------------------|---------------------|
| | (in thousands of dollars) | |
| Inventories | | |
| Inventories held for consumption | 2,394 | 3,041 |
| Inventories held for resale | 5,752 | 10,465 |
| | <hr/> 8,146 | <hr/> 13,506 |

The inventories held for consumption are mainly composed of prepaid envelopes and informatics hardware. The inventories held for resale are passport booklets.

The cost of consumed inventory recognized as an expense in the Statement of operations and Fund's net assets (liabilities) is \$38,554,525 for 2018–2019 (\$63,680,681 for 2017–2018).

Passport Canada Revolving Fund—continued

Notes to the financial statements (unaudited) for the year ended March 31—*continued*

6. Prepaid expenses

The following table presents details of the Fund's prepaid expenses:

| | 2018 Restated (Note 3) | 2019 |
|---|------------------------------|---------------|
| | (in thousands of dollars) | |
| Prepaid expenses | | |
| Prepaid expenses—Modernization initiative | 24,084 | 21,738 |
| Prepaid expenses—Other | 249 | 448 |
| | 24,333 | 22,186 |

In the context of the modernization initiative, the Passport program is transitioning to the Immigration, Refugees and Citizenship Canada Global Case Management System and the Integrated Payment Revenue Management System for the processing of passport applications. The expenses allocated to this initiative are recorded as prepaid expenses in the financial statements of the Fund. The prepaid expenses are gradually recognized as expenses to reflect the usage of Immigration, Refugees and Citizenship Canada's systems by the Fund.

7. Tangible capital assets

The following table presents details of the tangible capital assets held by the Fund during the fiscal year:

| Tangible capital assets | Balance at beginning of the year | Acquisitions | Disposals | Balance at end of the year |
|---|--|--------------|-------------|----------------------------------|
| | (in thousands of dollars) | | | |
| Technology enhancement plan project | 2,906 | — | — | 2,906 |

| Vehicles | | 8 | 10 | |
| Machinery and equipment | | 177 | 196 | |
| | 4,232 | 6,848 | | |

Passport Canada Revolving Fund—*continued*

Notes to the financial statements (unaudited) for the year ended March 31—*continued*

8. Accounts payable and accrued liabilities

The following table presents details of the Fund's accounts payable and accrued liabilities:

| | 2019 | 2018 |
|---|---------------------------|---------------|
| | (in thousands of dollars) | |
| Accounts payable and accrued liabilities | | |
| Accounts payable—Government of Canada..... | 23,467 | 31,457 |
| Accounts payable—Outside parties..... | 10,399 | 6,107 |
| Accrued liabilities—Outside parties..... | 14,307 | 8,029 |
| Contractors' holdbacks—Outside parties..... | 134 | 323 |
| | 48,307 | 45,916 |

9. Net assets (liabilities)

The accumulated net charge against the Fund's authority represents the cumulative receipts and disbursements over the life of the Fund.

The accumulated surplus is an accumulation of each fiscal year's surplus net of deficits since the inception of the Fund.

The contributed capital is a financing arrangement approved by Treasury Board, to finance the acquisition of tangible capital assets in substitute of the Fund's authority. In the current year, there were no additional capital contributions from Treasury Board to finance the Fund's capital project.

| | 2018 Restated (Note 3) | 2019 |
|---|------------------------------|--------------------|
| | (in thousands of dollars) | |
| Net assets (liabilities) | | |
| Accumulated surplus | 1,224,200 | 1,216,327 |
| Accumulated net charge against the Fund's authority, beginning of year | (1,290,713) | (1,054,453) |
| Net financial resources provided and change in the accumulated net charge against the Fund's authority, during the year | (20,753) | (236,260) |
| Accumulated net charge against the Fund's authority, end of year | (1,311,466) | (1,290,713) |
| Contributed capital | 80,474 | 80,474 |
| Net assets (liabilities), end of year | (6,792) | 6,088 |

10. Contractual obligations

Because of the nature of its activities, the Fund is engaged in contractual obligations for the purchase of goods and other services.

Below are the expected future maximum payments under contract for its supplier of blank passports, rent of office premises and other operating expenses:

| | (in thousands of dollars) |
|-----------|---------------------------|
| 2020..... | 49,743 |
| 2021..... | 27,346 |
| 2022..... | 6,316 |
| 2023..... | 6,915 |
| 2024..... | 7,582 |
| | 97,902 |

Passport Canada Revolving Fund—concluded

Notes to the financial statements (unaudited) for the year ended March 31—concluded

11. Related party transactions

Through common ownership, the Fund is related to all Government of Canada created departments, agencies and Crown corporations. Payments for passport operations at missions abroad, passport delivery and processing service throughout Canada, accommodation and legal services, and the employers' contributions to the health and dental insurance plans are made to related parties in the normal course of business. All related party transactions are accounted for at the exchange amount, which represents the consideration agreed to by both parties.

Expenses reported as professional and special services in the Statement of operations and net assets (liabilities) include the following transactions with Shared Services Canada and Employment and Social Development Canada:

| | 2019 | 2018 |
|--|---------------------------|----------------|
| | (in thousands of dollars) | |
| Related party transactions | | |
| Information technologies services (SSC)..... | 14,776 | 22,467 |
| Service Delivery, Operations and Internal Services (ESDC)..... | 152,972 | 181,512 |
| Applications processing (ESDC)..... | 11,264 | 13,303 |
| Transition and modernization (ESDC)..... | 2,424 | — |
| e-Passport (ESDC) | 735 | — |
| | 182,171 | 217,282 |

The following table presents the total of other transactions with related parties, such as accommodation, legal services and employers' contributions to the health and dental insurance plans:

| | 2019 | 2018 |
|---|---------------------------|--------|
| | (in thousands of dollars) | |
| Expenses—Other Government departments..... | | |
| | 32,959 | 28,212 |

As part of its operations, the Fund collects Consular fees on behalf of the Global Affairs Canada. These fees are not recorded as revenues in the Statement of operations and net assets (liabilities). In 2018–2019, the Fund collected and remitted to Global Affairs Canada \$51,390,875 (\$98,831,700 in 2017–2018) in consular fees.

Real Property Services Revolving Fund

Statement of management responsibility

We have prepared the accompanying financial statements of the Real Property Services Revolving Fund as required by the Treasury Board *Directive on Charging and Special Financial Authorities* in accordance with the Receiver General reporting requirements. These financial statements were prepared by the management of the Fund in accordance with the significant accounting policies set out in note 2 of the financial statements, on a basis consistent with that of the preceding year.

Responsibility for the integrity and objectivity of these financial statements rests with the management of the Fund. The information included in these financial statements is based on management's best estimates and judgment with due consideration given to materiality. To fulfill its accounting and reporting responsibilities, management maintains a set of accounts which provides a centralized record of the Fund's financial transactions. Financial information submitted to the *Public Accounts of Canada* and included in the department's Departmental Results Report is consistent with these financial statements.

Management develops and disseminates financial management and accounting policies and issues specific directives which maintain standards of accounting and financial management. Management maintains systems of financial management and internal control which give due consideration to costs, benefits and risks. They are designed to provide reasonable assurance that transactions are properly authorized, are executed in accordance with prescribed regulations, and are properly recorded to maintain accountability of Government funds and safeguard the assets under the Fund's administration. Financial management and internal control systems are augmented by the maintenance of internal audit programs. Management also seeks to ensure the objectivity and integrity of data in its financial statements by the careful selection, training and development of qualified staff, by organizational arrangements that provide appropriate divisions of responsibility, and by communication programs aimed at ensuring that its regulations, policies, standards and managerial authorities are understood throughout the organization.

Management has presented the financial statements to the independent external auditor who audited them and has provided an independent opinion, which is appended to these financial statements.

Real Property Services Revolving Fund—continued

Independent auditor's report

To the Deputy Minister, Public Services and Procurement Canada

Opinion

We have audited the financial statements of the Real Property Services Revolving Fund (the "Fund"), which comprise the statement of financial position as at March 31, 2019, and the statements of operations and net liabilities and of cash flow for the year then ended, and notes to the financial statements, including a summary of significant accounting policies (collectively referred to as the "financial statements").

In our opinion, the financial statements of the Fund for the year ended March 31, 2019 are prepared, in all material respects, in accordance with the financial reporting provisions for revolving funds described by the Receiver General for Canada under the *Directive on Charging and Special Financial Authorities*.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards ("Canadian GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of Public Services and Procurement Canada in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter - Basis of Accounting and Restriction on Use

We draw attention to Note 2 to the financial statements, which describes the basis of accounting. The financial statements are prepared to assist the Fund to meet the financial reporting requirements for revolving funds described by the Receiver General for Canada under the *Directive on Charging and Special Financial Authorities*. As a result, the financial statements may not be suitable for another purpose. Our report is intended solely for the Fund and the Treasury Board of Canada and should not be used by parties other than the Fund and the Treasury Board of Canada. Our opinion is not modified in respect of this matter.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the financial reporting provisions for revolving funds described by the Receiver General for Canada under the *Directive on Charging and Special Financial Authorities*, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Fund's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Fund or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Fund's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian GAAS will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Real Property Services Revolving Fund—*continued*

Independent auditor's report—*concluded*

As part of an audit in accordance with Canadian GAAS, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Fund's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Fund to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

The accompanying notes form an integral part of these financial statements.

Real Property Services Revolving Fund—continued

Notes to the financial statements for the year ended March 31, 2019

1. Authority and purpose

The Real Property Services Revolving Fund (the "Fund") is the funding mechanism for the Real Property Services (RPS) program. This program provides three types of real property services: project delivery services, property and facility management services, and advisory services. These services are provided to the real property portfolio of Public Services and Procurement Canada (PSPC) and to other government departments (OGDs). Pursuant to the *Revolving Funds Act*, the program may spend any revenue received in respect of these services and, subject to Treasury Board approval, the aggregate of expenditures shall not at any time exceed the revenues received by more than \$150,000,000.

The Fund received authorization from the Treasury Board to access its unused authority for a total amount of up to \$10,000,000 to temporarily fund transitory cash elements at year end.

2. Significant accounting policies

These financial statements have been prepared in accordance with the significant accounting policies set out below to comply with the reporting requirements for revolving funds described by the Receiver General for Canada under the Treasury Board of Canada's *Directive on Charging and Special Financial Authorities*. The basis of accounting used in these financial statements differs from Canadian public sector accounting standards mainly because:

- no liability is recorded for sick leave
- the net debt indicator and statement of changes in net debt are not presented in the financial statements and
- contractual rights, contingent assets and inter-entity transactions and related parties disclosures are not presented in the financial statements

The significant accounting policies are as follows:

(a) Revenue recognition

Revenues are recognized when professional and technical services are rendered. The recovery of disbursements made on behalf of other government departments, agencies, and outside parties are recognized when costs are incurred by the Fund and collection is reasonably certain.

(b) Accounts receivable

Accounts receivable are stated at amounts expected to be ultimately realized. An allowance is made for accounts receivable where recovery is considered uncertain.

(c) Expense recognition

All expenses are recorded on an accrual basis.

Vacation pay and compensatory leave are accrued as the benefits are earned by employees under their respective conditions of employment.

(d) Employee future benefits

Pension benefits

Eligible employees of the Fund participate in the Public Service Pension Plan (the "Plan"), a multiemployer pension plan administered by the Government of Canada. The Fund's contributions to the Plan are charged to expenses in the year in which they are incurred and represent the total Fund obligation to the Plan. The Fund's responsibility with regard to the Plan is limited to the contributions paid. Actuarial surpluses or deficiencies are recognized in the financial statements of the Government of Canada, as the Plan's sponsor.

Severance benefits

Eligible employees of the Fund were entitled to severance benefits under labour contracts or conditions of employment. These benefits were earned as the services necessary to earn them were rendered. The obligation relating to the benefits earned by employees is calculated using information derived from the results of the actuarially determined liability for employee severance benefits for the Government as a whole.

Real Property Services Revolving Fund—*continued*

Notes to the financial statements for the year ended March 31, 2019—*continued*

(e) Sick leave

Employees are permitted to accumulate unused sick leave. However, such leave entitlements may only be used in the event of an illness. As per current government practice, unused sick leave upon employee termination is not payable to the employee. Accordingly, no liability has been accrued in these financial statements. Payments of sick leave benefits are included in current operations as incurred.

(f) Contingent liabilities

Contingent liabilities are potential liabilities which may become actual liabilities when one or more future events occur or fail to occur. To the extent that the future event is likely to occur or fail to occur, and a reasonable estimate of the loss can be made, an estimated liability is accrued and an expense recorded. However, if the likelihood is not determinable or an amount cannot be reasonably estimated, the contingency is disclosed in the notes to the financial statements.

(g) Measurement uncertainty

The preparation of these financial statements requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, revenue and expenses reported in the financial statements. At the time of preparation of these financial statements, management believes the estimates and assumptions to be reasonable. The most significant items where estimates are used are the allowance for doubtful accounts on receivables from outside parties, the amount of certain liabilities, the liability for vacation pay and compensatory leave, and the liability for employee severance benefits. Actual results could significantly differ from those estimates. Management's estimates are reviewed periodically, and as adjustments become necessary, they are recorded in the financial statements in the year they become known.

3. Accounts receivable

| | 2019 | 2018 |
|---|---------------------------|----------------|
| | (in thousands of dollars) | |
| Other government departments and agencies | 215,675 | 233,078 |
| Outside parties | 12,648 | 11,470 |
| | 228,323 | 244,548 |
| Less: allowance for doubtful accounts on receivables from outside parties | (214) | (245) |
| Net accounts receivable..... | 228,109 | 244,303 |

4. Other assets

| | 2019 | 2018 |
|-------------------------------------|---------------------------|---------------|
| | (in thousands of dollars) | |
| Sales tax refundable advances | 33,256 | 32,392 |
| Other advances..... | 805 | 611 |

5. Accounts payable and accrued liabilities

| | 2019 | 2018 |
|--|---------------------------|----------------|
| | (in thousands of dollars) | |
| Outside parties | 424,660 | 434,302 |
| Other government departments and agencies | 14,015 | 14,305 |
| | 438,675 | 448,607 |
| Accrued liabilities | 6,728 | 4,031 |
| Total accounts payables and accrued liabilities | 445,403 | 452,638 |

Real Property Services Revolving Fund—*continued*

Notes to the financial statements for the year ended March 31, 2019—*continued*

6. Employee severance benefits

The Fund provides severance benefits to its employees based on eligibility, years of service and salary at termination of employment. These severance benefits are not pre-funded. Benefits will be paid by future authorities.

Commencing in 2012, as part of collective agreement negotiations and changes to conditions of employment, the accumulation of severance benefits under the employee severance pay program ceased. The employees were given the option to be immediately paid the full or partial value of benefits earned to date or to collect the full or remaining value of benefits on termination from the public service. These changes have been reflected in the calculation of the outstanding severance benefits obligation.

Information about the severance benefits, measured as at March 31, is as follows:

| | 2019 | 2018 |
|--|---------------------------|---------------|
| | (in thousands of dollars) | |
| Employee severance benefits obligation, beginning of year | 12,655 | 11,083 |
| Expense for the year..... | 3,083 | 2,831 |
| Benefits paid during the year..... | (2,772) | (1,259) |
| Employee severance benefits obligation, end of year | 12,966 | 12,655 |

7. Net liabilities

The accumulated surplus is the accumulation of each fiscal year's surplus net of deficits since the inception of the Fund.

The accumulated net charge against the Fund's authority (ANCAFA) represents the cumulative receipts and disbursements over the life of the Fund.

| | 2019 | 2018 |
|--|---------------------------|------------------|
| | (in thousands of dollars) | |
| Accumulated surplus, beginning of year | 61,466 | 55,176 |
| Net results | (3,556) | 6,290 |
| Transfer between other government departments of salary overpayments receivables..... | 71 | – |
| Accumulated surplus, end of year | 57,981 | 61,466 |
| Accumulated net charge against the Fund's authority, beginning of year..... | (264,742) | (239,910) |
| Net financial resources used (provided) and change in the accumulated net charge against the Fund's authority, during the year | (5,876) | (24,832) |
| Accumulated net charge against the Fund's authority, end of year | (270,618) | (264,742) |
| Net liabilities, end of year | (212,637) | (203,276) |

8. Contractual obligations

The nature of the Fund's activities can result in some large multi-year contracts and obligations whereby the Fund will be obligated to make future payments when the goods and services are received. Estimated future payments of significant contractual obligations are as follows:

| Year ending March 31 | (in thousands of dollars) |
|---|---------------------------|
| 2020 | 679,933 |
| 2021 | 162,084 |
| 2022 | 42,945 |
| 2023 | 15,786 |
| 2024 and thereafter..... | 25,279 |
| Total contractual obligations..... | 926,027 |

Real Property Services Revolving Fund—*concluded*

Notes to the financial statements for the year ended March 31, 2019—*concluded*

9. Contingent liabilities

In connection with its operations, the Fund is a defendant in certain litigation. It is estimated that pending and threatened litigation amount to \$2.3 million (\$13.4 million in 2017–2018). Settlement, if any, that may be made with respect to these actions, is expected to be accounted for as a charge against income of the applicable years.

10. Related party transactions

Through common ownership, the Fund is related to all Government of Canada departments, agencies, and Crown corporations. The Fund enters into transactions with these entities in the normal course of business and on normal trade terms.

11. Comparative figures

Certain comparative figures have been reclassified to conform to the current year's presentation.

Translation Bureau Revolving Fund

Statement of management responsibility

We have prepared the accompanying financial statements of the Translation Bureau Revolving Fund as required by the Treasury Board *Directive on Charging and Special Financial Authorities* in accordance with the Receiver General reporting requirements. These financial statements were prepared by the management of the Fund in accordance with the significant accounting policies set out in note 2 of the financial statements, on a basis consistent with that of the preceding year.

Responsibility for the integrity and objectivity of these financial statements rests with the management of the Fund. Information included in these financial statements is based on management's best estimates and judgment with due consideration given to materiality. To fulfill its accounting and reporting responsibilities, management maintains a set of accounts which provides a centralized record of the Fund's financial transactions. Financial information submitted to the *Public Accounts of Canada* and included in the department's *Departmental Results Report* is consistent with these financial statements.

Management develops and disseminates financial management and accounting policies and issues specific directives which maintain standards of accounting and financial management. Management maintains systems of financial management and internal control which give due consideration to costs, benefits and risks. They are designed to provide reasonable assurance that transactions are properly authorized, are executed in accordance with prescribed regulations, and are properly recorded to maintain accountability of Government funds and safeguard the assets under the Fund's administration. Financial management and internal control systems are augmented by the maintenance of internal audit programs. Management also seeks to ensure the objectivity and integrity of data in its financial statements by the careful selection, training and development of qualified staff, by organizational arrangements that provide appropriate divisions of responsibility, and by communication programs aimed at ensuring that its regulations, policies, standards and managerial authorities are understood throughout the organization.

Management has presented the financial statements to the independent external auditor, who audited them and has provided an independent opinion, which has been appended to these financial statements.

Translation Bureau Revolving Fund—continued

Independent auditor's report

To the Deputy Minister, Public Services and Procurement Canada

Opinion

We have audited the financial statements of Translation Bureau Revolving Fund (the "Fund"), which comprise the statement of financial position as at March 31, 2019, and the statements of operations and net liabilities and of cash flow for the year then ended, and notes to the financial statements including a summary of significant accounting policies (collectively referred to as the "financial statements").

In our opinion, the financial statements of the Fund for the year ended March 31, 2019 are prepared, in all material respects, in accordance with the financial reporting provisions for revolving funds described by the Receiver General for Canada under the *Directive on Charging and Special Financial Authorities*.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards ("Canadian GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of Public Services and Procurement Canada in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter—Basis of Accounting and Restriction on Use

We draw attention to Note 2 to the financial statements, which describes the basis of accounting. The financial statements are prepared to assist the Fund to meet the financial reporting requirements for revolving funds described by the Receiver General for Canada under the *Directive on Charging and Special Financial Authorities*. As a result, the financial statements may not be suitable for another purpose. Our report is intended solely for the Fund and the Treasury Board of Canada and should not be used by parties other than the Fund and the Treasury Board of Canada. Our opinion is not modified in respect of this matter.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the financial reporting provisions for revolving funds described by the Receiver General for Canada under the *Directive on Charging and Special Financial Authorities*, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Fund's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Fund or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Fund's financial reporting process.

Translation Bureau Revolving Fund—*continued*

Independent auditor's report—*concluded*

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian GAAS will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian GAAS, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Fund's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Fund to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

The accompanying notes form an integral part of these financial statements.

Translation Bureau Revolving Fund—continued

Notes to the financial statements for the year ended March 31, 2019

1. Authority and purpose

The Translation Bureau Revolving Fund (the "Fund") is a Special Operating Agency that provides, on a cost recovery basis, translation, technolinguistic and other linguistic services to the judiciary and federal departments and agencies and, upon request, to other governments in Canada and international organizations. Although the Translation Bureau has existed since 1934, when the *Translation Bureau Act* came into effect, it was not until April 1993 that the Treasury Board approved the establishment of the Bureau as a Special Operating Agency, effective April 1, 1995. The Translation Bureau also became a revolving fund on April 1, 1995.

The Fund has a continuing non-lapsing authority from Parliament to make payments out of the Consolidated Revenue Fund for the purposes of working capital, capital acquisitions and the temporary financing of accumulated operating deficits, the total of which is not to exceed \$20,000,000 at any time.

2. Significant accounting policies

These financial statements have been prepared in accordance with the significant accounting policies set out below to comply with the reporting requirements for revolving funds described by the Receiver General for Canada under the Treasury Board of Canada's *Directive on Charging and Special Financial Authorities*. The basis of accounting used in these financial statements differs from Canadian public sector accounting standards mainly because:

- no liability is recorded for sick leave
- the net debt indicator and statement of changes in net debt are not presented in the financial statements and
- contractual rights and inter-entity transactions and related parties disclosures are not presented in the financial statements

The significant accounting policies are as follows:

(a) Revenue recognition

Revenues from translation services performed by the Fund for other government departments and agencies and external clients are recognized using the percentage-of-completion method based on the proportion of services provided at year end.

Revenues from the terminology standardization program, interpretation services, and other services are recognized as services are rendered.

(b) Accounts receivable

Accounts receivable are stated at amounts expected to be ultimately realized. An allowance is made for receivables where recovery is considered uncertain. Accounts receivable include the estimated amount of revenue earned for services rendered but not billed at year end.

(c) Expense recognition

All expenses are recorded on an accrual basis.

Vacation pay and compensatory leave are accrued as the benefits are earned by employees under their respective conditions of employment.

(d) Tangible capital assets

Tangible capital assets are amortized from the year of acquisition on a straight-line basis over their estimated useful life as follows:

| <u>Category</u> | <u>Estimated useful life</u> |
|---------------------------|--|
| Computer hardware | 3 to 5 years |
| Computer software | 3 years |
| Leasehold improvements | Lesser of the remaining term of the occupancy instrument or useful life of the improvement |
| Assets under construction | Once in service, in accordance with asset class |

Translation Bureau Revolving Fund—continued

Notes to the financial statements for the year ended March 31, 2019—*continued*

(e) Employee future benefits

Pension benefits

Eligible employees of the Fund participate in the Public Service Pension Plan (the "Plan"), a multiemployer pension plan administered by the Government of Canada. The Fund's contributions to the Plan are charged to expenses in the year which they are incurred and represent the total Fund obligation to the Plan. The Fund's responsibility with regard to the Plan is limited to the contributions paid. Actuarial surpluses or deficiencies are recognized in the financial statements of the Government of Canada, as the Plan's sponsor.

Severance benefits

Eligible employees of the Fund were entitled to severance benefits under labour contracts or conditions of employment. These benefits were earned as the services necessary to earn them were rendered. The obligation relating to the benefits earned by employees is calculated using information derived from the results of the actuarially determined liability for employee severance benefits for the Government as a whole.

(f) Sick leave

Employees are permitted to accumulate unused sick leave. However, such leave entitlements may only be used in the event of an illness. As per current government practice, unused sick leave upon employee termination is not payable to the employee. Accordingly, no liability has been accrued in these financial statements. Payments of sick leave benefits are included in current operations as incurred.

(g) Contingent liabilities

Contingent liabilities are potential liabilities which may become actual liabilities when one or more future events occur or fail to occur. To the extent that the future event is likely to occur or fail to occur, and a reasonable estimate of the loss can be made, an estimated liability is accrued and an expense recorded. However, if the likelihood is not determinable or an amount cannot be reasonably estimated, the contingency is disclosed in the notes to the financial statements.

(h) Measurement uncertainty

The preparation of these financial statements requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, revenue and expenses reported in the financial statements. At the time of preparation of these financial statements, management believes the estimates and assumptions to be reasonable. The most significant items where estimates are used are the allowance for doubtful accounts on receivables from outside parties, the estimated useful lives of tangible capital assets, the amount of certain liabilities, the liability for vacation pay and compensatory leave, and the liability for employee severance benefits. Actual results could significantly differ from those estimates. Management's estimates are reviewed periodically, and as adjustments become necessary, they are recorded in the financial statements in the year they become known.

3. Accounts receivable

| | 2019 | 2018 |
|---|---------------------------|--------------|
| | (in thousands of dollars) | |
| Other government departments and agencies | 7,451 | 7,899 |

| Total accounts payable and accrued liabilities | 14,203 | 11,622 |

Translation Bureau Revolving Fund—continued

Notes to the financial statements for the year ended March 31, 2019—*continued*

7. Employee severance benefits

The Fund provides severance benefits to its employees based on eligibility, years of service and salary at termination of employment. These severance benefits are not pre-funded. Benefits will be paid by future authorities.

Commencing in 2012, as part of collective agreement negotiations and changes to conditions of employment, the accumulation of severance benefits under the employee severance pay program ceased. The employees were given the option to be immediately paid the full or partial value of benefits earned to date or to collect the full or remaining value of benefits on termination from the public service. These changes have been reflected in the calculation of the outstanding severance benefits obligation.

Information about the severance benefits, measured as at March 31, is as follows:

| | 2019 | 2018 |
|--|---------------------------|--------------|
| | (in thousands of dollars) | |
| Employee severance benefit obligation, beginning of year..... | 4,187 | 4,160 |
| Expense for the year..... | (85) | 643 |
| Benefits paid during the year..... | (149) | (616) |
| Employee severance benefit obligation, end of year..... | 3,953 | 4,187 |

8. Net liabilities

The accumulated surplus is the accumulation of each fiscal year's surplus net of deficits since the inception of the Fund.

The accumulated net charge against the Fund's authority (ANCAFA) represents the cumulative receipts and disbursements over the life of the Fund.

| | 2019 | 2018 |
|--|---------------------------|-----------------|
| | (in thousands of dollars) | |
| Accumulated surplus, beginning of year | 23,168 | 21,649 |
| Net results | 8,565 | 1,522 |
| Transfer of the transition payments for implementing salary payments in arrears | — | (3) |
| Accumulated surplus, end of year..... | 31,733 | 23,168 |
| Accumulated net charge against the Fund's authority, beginning of year..... | (26,474) | (28,229) |
| Net financial resources used (provided) and change in the accumulated net charge against the Fund's authority, during the year | (9,901) | 1,755 |
| Accumulated net charge against the Fund's authority, end of year..... | (36,375) | (26,474) |
| Net liabilities, end of year | (4,642) | (3,306) |

9. Contractual obligations

The nature of the Fund's activities can result in some large multi-year contracts and obligations whereby the Fund will be obligated to make future payments when the goods and services are received. Estimated future payments are as follows:

| | (in thousands of dollars) |
|---|---------------------------|
| Year ending March 31 | |
| 2020 | 8,122 |
| 2021 | 4,273 |
| 2022 | 4,234 |
| 2023 | 3,141 |
| 2024 and thereafter..... | 4,403 |
| Total contractual obligations..... | 24,173 |

Translation Bureau Revolving Fund—*concluded*

Notes to the financial statements for the year ended March 31, 2019—*concluded*

10. Contingent liabilities

In connection with its operations, the Fund is involved in certain legal action. The amount of the litigation is not determinable. Settlement, if any, that may be made with respect to litigation is expected to be accounted for as a charge against income of the applicable years.

11. Related party transactions

Through common ownership, the Fund is related to all Government of Canada departments, agencies, and Crown corporations. The Fund enters into transactions with these entities in the normal course of business and on normal trade terms.

| Total | <u>306,148,494</u> |

Debts, obligations and claims written off or forgiven

The types of approval/authority for the write-off or forgiveness (including waiver and remission) of debts, obligations and claims are as follows:

i. Ministerial approval

Ministerial approval represents authority given to Ministers under the *Financial Administration Act* (FAA) or other Acts of Parliament as follows:

- Section 25(1) of the FAA gives Ministers, through Treasury Board regulations, general authority to approve the write-off of any debt, obligation or claim other than accountable advances or overpayments of salaries, wages, or employment-related allowances that would not result in a charge to an appropriation.
- Section 155.1(4) of the FAA gives Ministers, through Treasury Board regulations, authority to waive interest on overdue amounts owing to Her Majesty and to waive administrative charges for dishonoured instruments (e.g. NSF cheques) imposed under section 155.1 of the FAA.
- Other Acts of Parliament (e.g. *Bankruptcy and Insolvency Act*) give Ministers general authority to approve the write-off or forgiveness of specific debts, obligations or claims.

ii. Treasury Board approval

Section 25(1) of the FAA, through Treasury Board regulations, allows a Minister, with specific Treasury Board approval, to write-off any debt, obligation or claim arising from accountable advances or overpayments of salaries, wages or employment-related allowances that would not result in a charge to an appropriation.

iii. Governor in Council and Parliamentary authority

- Section 23(2.1) of the FAA states that the Governor in Council may, on the recommendation of the Treasury Board, remit any other debt, including any interest paid or payable thereon, where the Governor in Council considers that the collection of the other debt is unreasonable or unjust or that it is otherwise in the public interest to remit the other debt.
- Section 24.1 of the FAA requires that where a debt or obligation included in the Statement of financial position is to be forgiven, and which would result in a charge to an appropriation, the amount to be forgiven must be authorized pursuant to an Act of Parliament, including an *Appropriation Act*.
- Section 25(2) of the FAA requires that where a debt, obligation or claim included in the Statement of financial position is to be written off, and which would result in a charge to an appropriation, the amount to be written off must be authorized by Parliament as a budgetary expenditure in an *Appropriation Act* or some other Act.

Professional and special services

The following statement presents the total amount spent in the current fiscal year for each main classification of services allocated by department and agency under each ministry. Amounts reported include both internal and external expenditures. Whereas external expenditures result from transactions between the Government and outside parties, internal expenditures result from transactions involving organizations that are part of the Government of Canada as a reporting entity.

The detailed information is available at <http://www.tpsgc-pwgsc.gc.ca/recgen/cpc-pac/2019/index-eng.html>. This information includes for each Government program:

- the total amount spent in the current fiscal year;
- the total amount spent for each main classification of services;
- a detailed listing, for each main classification of services, of the payments (i.e. cash payments and accrued charges) to an individual or organization aggregating to \$100,000 or over. This detail includes the name and location of the payee, together with the total amount paid;
- the total amount and the total number of payees, for each main classification of services, of payments to an individual or organization aggregating to less than \$100,000.

|--|-------------|
| Acquisition of land, buildings and works | 186 |

Acquisition of land, buildings and works

The following statement presents the total amount spent in the current fiscal year by department and agency under each ministry. Amounts reported include both internal and external expenditures. Whereas external expenditures result from transactions between the Government and outside parties, internal expenditures result from transactions involving organizations that are part of the Government of Canada as a reporting entity.

The detailed information is available at <http://www.tpsgc-pwgsc.gc.ca/recgen/cpc-pac/2019/index-eng.html>. This information includes for each Government program:

- the total amount spent in the current fiscal year;
- details for contracts of \$250,000 or over (\$25,000 or over for cost plus contracts). Such details include the name and location of the contractor, a brief description and location of the project, the amount contracted, the current year's expenditures (i.e. cash payments and accrued charges) and the total expenditures to date;
- the total amount of the current year's expenditures for contracts less than \$250,000 (cost plus contracts of less than \$25,000) with the total number of contractors.

Acquisition of machinery and equipment

The following statement presents the total amount spent in the current fiscal year for each main category of machinery and equipment by department and agency under each ministry. Amounts reported include both internal and external expenditures. Whereas external expenditures result from transactions between the Government and outside parties, internal expenditures result from transactions involving organizations that are part of the Government of Canada as a reporting entity.

Public Accounts of Canada
2018–2019

Transfer payments

Table of contents

| | <i>Page</i> |
|------------------------|-------------|
| Transfer payments..... | 200 |

Transfer payments

The following statement presents the total amount spent as transfer payments in the current fiscal year, by department and agency, under each ministry. A transfer payment is a grant, contribution or other payment made by the Government for which no goods or services are received. Amounts reported include both internal and external expenditures. Whereas external expenditures result from transactions between the Government and outside parties, internal expenditures result from transactions involving organizations that are part of the Government of Canada as a reporting entity.

The detailed information is available at <http://www.tpsgc-pwgsc.gc.ca/recgen/cpc-pac/2019/index-eng.html>. This information includes for each Government program:

- the total amount spent in the current fiscal year
- the total amount paid for each class of recipients
- a detailed listing for each class of recipients of the aggregate of all payments (i.e. cash payments and accrued charges) to a recipient that totals \$100,000 or over. Details include the name and location of the recipient together with the total amount paid
- the total amount and the total number of recipients, for each class of recipients, of all payments to a recipient aggregating to less than \$100,000

| Ex gratia payments | 237 |
| Court awards | 241 |

Payments of claims against the Crown

This statement provides, by ministry and by departments and agencies, details for all payments of claims against the Crown of \$1,000 or over. Payments of less than \$1,000 are reported as one amount at the end of each department and agency, together with the total number of such payments. Where the situation warrants non-disclosure, the recipient's name may be withheld from publication.

Ex gratia payments

This statement provides, by ministry and by department and agencies, details for all ex gratia payments of \$100 or over. Payments of less than \$100 are reported as one amount at the end of each department and agency, together with the total number of such payments. For the purposes of this statement, an ex gratia payment is a discretionary payment, made as an act of benevolence in the public interest, free of any legal obligation, whether or not any value or service has been received. Where the situation warrants non-disclosure, the recipient's name may be withheld from publication.

Federal-provincial shared-cost programs

This statement presents, by province and territory, and for each federal-provincial shared-cost program, the current year and previous year expenditures and the expenditures from inception of the program. Programs are reported year after year until completion, even if there is no expenditure in a given year. An (f) adjacent to the total expenditures from inception indicates the programs completed in the current year. An (a) adjacent to the total expenditures from inception indicates that an amount from the previous year's *Public Accounts of Canada* has been amended. In this statement, amounts in roman type represent current year expenditures, amounts in **bold face** type represent previous year expenditures and amounts in *italic* type represent expenditures from inception.

| | <u><u>207,680</u></u> |

Education costs

This statement provides details of education costs incurred in the current year. For the purpose of this statement, an education cost represents the cost of any long-term education activity. A long-term education activity is any training or development activity given to a Government employee and conducted at an educational institution outside of the Public Service that amounted or will amount to a total of 65 working days or more over a maximum period of three (3) years, or that involved or will involve total expenditures in excess of \$25,000 (including salary).

Return on investments

This statement provides details for the current year of the category of other revenues called return on investments. Return on investments consists mainly of interest from loans and advances, dividends from investments, and transfer of profits, as recorded by departments before any adjustments are made. For the purposes of presentation in the financial statements, amounts shown here for foreign exchange accounts and enterprise Crown corporations have been respectively reclassified to net foreign exchange revenues and enterprise Crown corporations and other government business enterprises in Sections 2 and 3 of Volume I and Table 4a of Volume II.

Expenditures of ministers' offices

On December 12, 2006, the *Federal Accountability Act* amended the *Access to Information Act* to require the head of a department or a ministry of state for the Government of Canada to publish an annual report of all expenses incurred by his or her office and paid out of the Consolidated Revenue Fund. Expenditures presented below are those charged to the Minister's budget (budget totaling \$72,257,761) in accordance with the Policies for Ministers' Offices. This table does not include civilian termination benefits and statutory expenditures such as the Minister's salary and motor vehicle allowance, employer contributions to superannuation and certain benefit plans and other items as specified in these policies.

For further guidance on which expenditures are included in the ministers' offices budgets see Appendix E of these policies.

Travel expenditures of ministers and parliamentary secretaries

This statement provides details of the travel expenditures of ministers and parliamentary secretaries incurred in the current year, where the travel is required for departmental operational or program purposes, whether domestic or international, whether charged to the ministers' office budget or any other fund centre within the minister's department or agency.

For the purpose of this statement, travel expenditures include transportation, accommodation, meals and other expenditures. The following items are excluded from this statement:

- travel expenditures of ministers' staff, or other persons travelling with ministers and parliamentary secretaries
- hospitality costs extended on behalf of the Government where it is considered to be essential, as a matter of courtesy, or to facilitate the conduct of Government business
- travel expenditures of Members of the House of Commons serving on various parliamentary committees
- moving, transportation and travel expenditures paid for by the House of Commons on behalf of its Members. These expenses are reported in a separate statement in Section 11 of this volume entitled "House of Commons—Statement of sessional allowances and travel expenditures paid in 2018–2019"
- Department of National Defence charges for the use of government aircrafts
- travel expenditures of Members of the House of Commons for Canadian representation at international conferences and meetings. These expenditures are reported in a separate statement in Section 11 of this volume entitled "Foreign Affairs, Trade and Development—Travel expenditures for Canadian representation at international conferences and meetings"

International travel expenditures of ministers, parliamentary secretaries and ministers' staff

This statement presents the international travel expenditures incurred by ministers, parliamentary secretaries, and ministers' staff where the travel is required for departmental operational or program purposes only. These expenditures are charged to a special fund centre, created from existing reference levels, within the minister's department or agency. These costs are not charged to the ministers' office therefore are not included on the expenditure of ministers' offices table.

| Net expenditures⁴ | 27,652,110 | 3,973,173 | 31,625,283 |

¹ These payments and expenditures are charged to a statutory spending authority called “Payments of compensation respecting Government employees (*Government Employees Compensation Act*) and merchant seamen (*Merchant Seamen Compensation Act*)” (refer to Ministry Summary, section 7 of Volume II).

² Includes the net payments of compensation respecting:

(a) government employees (*Government Employees Compensation Act*);

(b) merchant seamen (*Merchant Seamen Compensation Act*); and,

(c) employees of mines operated by Enterprise Cape Breton Corporation who contracted silicosis prior to acquisition of mines by the Corporation.

³ Represents the federal government's net share of administration expenditures of provincial boards.

The claims of federal employees eligible for compensation are dealt with and paid by the provincial workers' compensation boards from funds advanced by the federal government.

Claims of employees resident in the Yukon, Northwest Territories and Nunavut are processed by the Workers' Compensation Board of Alberta.

⁴ Net expenditures agree with the Payments of compensation respecting Government employees and merchant seamen.

Global Affairs**Department of Foreign Affairs, Trade and Development****Expenditures for Canadian representation at international conferences and meetings**

This statement presents expenditures such as hospitality and conference fees covered under the department of Foreign Affairs, Trade and Development International Conference Allotment that is approved by Cabinet to fund the protocol activities of the Governor General and the Prime Minister of Canada during official visits abroad. The allotment also supports the participation of the department of Foreign Affairs, Trade and Development Portfolio ministers and their official delegations in major multilateral international conferences defined as a congress, convention, briefing seminar or other formal gathering in one location outside Canada that deals with topics related to Government of Canada objectives.

Department of Foreign Affairs, Trade and Development

Travel expenditures for Canadian representation at international conferences and meetings

This statement presents the travel expenditures covered under the International Conference Allotment. This allotment is described in the statement of "Expenditures for Canadian representation at international conferences and meetings" found in section 11 of this Volume.

Generally, the International Conference Allotment does not support the expenses of ministers and staff from other government departments, provincial and territorial representatives, private sector advisors or academic observers. These expenses are usually self-funded and not chargeable to the International Conference Allotment. Therefore, this statement only includes costs charged to the International Conference Allotment by the department of Foreign Affairs, Trade and Development. Delegates from other government departments are listed for information purposes only.

Costs charged to the International Conference Allotment are part of the operating budget of the department of Foreign Affairs, Trade and Development and, therefore, are not included in the statements in section 10 of this Volume titled "Travel expenditures of ministers and parliamentary secretaries" and "International travel expenditures of ministers, parliamentary secretaries and ministers' staff".

¹ This column excludes:

- the travel expenses of ministers and parliamentary secretaries while on official departmental business. These expenses are reported in a separate statement in Section 10 of this volume, entitled "Travel expenses of ministers and parliamentary secretaries"
- the travel expenses of Members serving on various parliamentary committees
- any charges for the use of Government aircraft by the department of National Defence
- any travel expenses of Members for Canadian representation at international conferences and meetings. These expenses are reported in a separate statement in this section entitled "Foreign Affairs, Trade and Development—Travel expenses for Canadian representation at international conferences and meetings".

² Relocation, winding up, resettlement and other expenses.
