

Ojibway Child and Family Services
Balancing Tradition, Family and Community

Director of Treatment

(Thunder Bay)

Dilico Ojibway Child and Family Services delivers services in the area of Child Welfare, Children's Mental Health, Adult Treatment, Community and Mandatory Health, Long Term Care, Environmental Health and Clinical Resources.

As a member of the Senior Management Team, the Director of Treatment is responsible for the operations of a highly comprehensive Children's Mental Health, Addictions and Mental Health service system in collaboration with Child Welfare and Community Health Programs. The Director of Treatment is responsible to ensure the policies, standards and procedures related to Children's Mental Health, Addictions and Adult Mental Health are applied in accordance with the agency's mission and mandate. The Director of Treatment ensures on going program evaluation and developments occur.

QUALIFICATIONS: Degree in Social Services; related supervisory experience, preferably in a multi-disciplinary agency. Related experience in managing programs that incorporate wholistic treatment theories; knowledge of the CFSA and Mental Health Act and various government funding mechanisms as they relate to Mental Health programs.

Strong leadership skill in supervision, delegation, communication, problem-solving, decision-making and human services management; computer literate, a valid driver's license, access to a personal vehicle; ability to travel and work flexible hours; Ojibway language an asset.
