

PRESIDENT (3 year contract)

As the leader of Log Technologies Inc., the successful candidate will be responsible for the overall management of the company, the development and implementation of the business plan, budgets and financial controls.

The successful candidate must have leadership experience and construction or residential development experience, including sales and marketing. Experience working with public sector agencies and with First Nation Chief and Councils would be an asset.

The closing date for this position is April 14, 2003

Log Technologies Inc. is an innovator in the design and construction of machine profiled log structures. Our head office is located in Lac La Biche, Alberta.
