Introduction

This is the fifth update of: the *Directory of Services for Adult Survivors of Child Sexual Abuse*. It is one of a series of directories prepared by the National Clearinghouse on Family Violence under the federal Family Violence Initiative.

This updated directory provides a current listing of 488 programs that address the needs of adult survivors of child sexual abuse. The services are listed by province/territory from the east to west coast and, within each province/territory, alphabetically by town or city.

The organizations in this directory provide services and programs for adult survivors of child sexual abuse, ranging from group and individual counselling to crisis intervention and individual advocacy. Each listing identifies whether services are available for women, men and/or children, if there is a fee for services, and whether these services are available in English and in French.

The contact information provided in each listing may include: street or mailing address; administrative telephone number; crisis telephone number; facsimile number; e-mail address; and Web Site. Some listings also include a toll free number, which is generally accessible only within the local calling area. However, the toll free numbers for the National Clearinghouse on Family Violence can be used across Canada.

If you are aware of any changes or additions that should be made to these listings, please let us know.

Introduction

Ceci est la cinquième mise à jour de: *Répertoire des services aux survivantes et survivants adultes de violence sexuelle à l'égard des enfants*. Il fait partie d'une série de répertoires préparés par le Centre national d'information sur la violence dans la famille, dans le cadre de l'Initiative de lutte contre la violence familiale lancée par le gouvernement fédéral.

Ce répertoire présente une liste à jour de 488 programmes qui répondent aux besoins des survivantes et survivants adultes de violence sexuelle à l'égard des enfants. Les services sont énumérés par province et territoire, d'est en ouest, et, dans chaque province et territoire, dans l'ordre alphabétique des municipalités et des villes.

Les organisations énumérées dans le présent répertoire offrent des services et programmes aux survivantes et survivants adultes de violence sexuelle à l'égard des enfants, allant du counselling en groupe et individuel à l'intervention d'urgence et individuelle. Chaque inscription indique si les services sont destinés aux femmes, aux hommes ou aux enfants, si des frais sont exigés et si ces services sont offerts en français et en anglais.

Les renseignements fournis pour chaque inscription peuvent comprendre l'adresse civique ou postale, le numéro de téléphone administratif, le numéro de téléphone d'urgence, le numéro de télécopieur, l'adresse de courriel et de Site Web. Certaines inscriptions comprennent également un numéro de téléphone sans frais, qui n'est habituellement accessible que dans la zone d'appels locaux. Toutefois, les numéros sans frais du Centre national d'information sur la violence dans la famille peuvent être utilisés partout au Canada.

Si des changements ou des ajouts devraient être apportés à ces listes, veuillez nous en informer.
