CANADIAN CONFERENCE  
OF THE ARTS

2008

## The National Director of the CCA Regional Forums

**Location:** Arts Court Studio  
(2 Daly Avenue, Ottawa)  
**Date:** Friday October 17<sup>th</sup> 2008  
**Time:** 1:30pm to 4:30 pm

With the arrival of a new government in power, this is an opportune time for the arts and cultural stakeholders to gather and consult on the short term and long term strategies, so that the interests of the arts and cultural communities are implemented within the public discourse and political agenda.

During this fall, the CCA will be on tour to meet with artists and cultural workers across Canada. We invite you to meet the CCA Director General, and to express your perspective on the three following questions:

- Within the arts and culture milieu: how do we improve collaboration in the pursuit of common objectives?
- What should our 5 priorities be for the next coming two years?
- What are the best strategies to promote these 5 priorities?

We look forward to hearing your opinions.

The regional forums are free and open to all; however we are requesting that you confirm your attendance **before Friday, October 10<sup>th</sup>** with d'Annie Caporicci [annie.caporicci@ccarts.ca](mailto:annie.caporicci@ccarts.ca) 613-238-3561 ext 10.
