

**Environment Canada**

**2008–2009 Departmental Performance Report**

**Section III: Other Items of Interest**

**Commission for Environmental Cooperation:** In the North American context, Environment Canada hosted the 15th annual meeting of the Environment Ministers of Canada, the U.S. and Mexico in Ottawa as a means of advancing priorities in the areas of sustainable growth, pollution

## **Corporate Services Activities**

### **1. Progress on Building Management and Staff Capacity**

#### **Information Management (IM) and Information Technology (IT)**

Information Officer Branch (CIOB), which is the lead organization with responsibility for IM/IT at Environment Canada, introduced several significant changes to its organizational, service delivery and performance

consisting of mandatory formal training at the Canada School of Public Service, assignments on a variety of files, and a mentor and formal review process, including

coordination. Progress towards implementing the Human Resources Strategies included providing coaching sessions, and personal learning and development for each employee.

The Audit and Evaluation Branch is comm

## **Progress on the Management Accountability Framework**

The [Management Accountability Framework \(MAF\)](#) captures the Treasury Board of Canada Secretariat's (TBS) vision for sound management in the public service. TBS
