

VETERINARY HEALTH CERTIFICATE

EXPORT OF BIRDS TO THE KINGDOM OF THAILAND

Exporter: _____

Farm of Origin of Birds: _____

Address: _____

Importer: _____

Address: _____

I, the undersigned official veterinarian, duly authorized by the Government of Canada, hereby certify that, after due enquiry and to the best of my knowledge and belief, the birds described below meet the following requirements:

1. Canada is recognized to be free from Avian Influenza.
2. Canada is recognized to be free from velogenic Newcastle disease and fowl typhoid.
3. The birds have been resident in the country of origin for a period of not less than 6 months or since hatching.
4. The birds have been kept in quarantine under the supervision of an authorized veterinarian for a period of 21 (twenty one) days immediately prior to shipment.
5. The birds have not been vaccinated against Newcastle Disease or any disease.
6. In the case of fowls, ducks, turkeys, pheasants, guinea fowl, partridges and quail, blood samples have been taken from all birds in the consignment after 10 (ten) days in quarantine and subjected to serological tests for Salmonella pullorum, Salmonella gallinarum and Salmonella typhimurium antibodies with negative results using test methods recommended by the OIE.
7. There has been no clinical signs or other evidence of Newcastle Disease, Fowl Cholera, Duck Viral Enteritis, Duck Viral Hepatitis, Mareks Disease, Avian Infectious Laryngotracheitis, Mycoplasma gallisepticum, Salmonellosis (including S.enteritidis, S.typhimurium, S.pullorum and S.gallinarum), Psittacosis, Infectious Bursal Disease, Avian Infectious Bronchitis, Avian Tuberculosis, including parasitism at the premises of origin during the 90 (ninety) days prior to export.

NOTE: Salmonellosis must be tested negative using bacterial culture.

8. The boxes or containers in which the birds are accomodated for export to Thailand should follow the IATA specifications particularly in relation to height, perch space and ventilation and with adequate access for feeding and watering.

9. Identification of Birds:

BREED	SEX	AGE	COLOUR	LEG BAND NUMBER or SEAL NUMBER OF CAGE
