Exporting country: CANADA

Competent issuing authority: CANADIAN FOOD INSPECTION AGENCY

Exporter: _____

Address: _____

Importer: _____

Address: _____

Means of transport (flight number, name of ship): _____

Countries of transit: _____

I, the undersigned Official Veterinarian, duly authorized by the Government of Canada, hereby certify, after due enquiry and to the best of my knowledge and belief, that the cattle described below meet the following requirements:

1. Canada is free from foot-and-mouth disease, rinderpest, contagious bovine pleuropneumonia, vesicular stomatitis and lumpy skin disease.
2. No vaccination against foot-and-mouth disease and brucellosis is authorized in Canada.
3. With regard to bovine spongiform encephalopathy (BSE):
 - 3.1 Canada is classified by the OIE as a country with controlled risk with respect to BSE and complies with the conditions described in Chapter 11.6 of the "Terrestrial Animal Health Code 2008".
 - 3.2 Canada has a mandatory national cattle identification program that allows traceability of cattle.
 - 3.3 Regulations prohibiting the feeding of ruminant origin meat and bone meal to ruminants have been enacted in Canada on August 4, 1997.
 - 3.4 The exported animals were born after the implementation of the ruminant feeding ban regulations in Canada.
4. The animals originate from herds which are officially free of brucellosis and tuberculosis.
5. The animals were kept for at least twenty one (21) days in a pre-export quarantine approved and supervised by an Official Veterinarian of the Government of Canada.
6. The animals were treated against internal and external parasites with approved products within thirty (30) days of departure with product
7. The animals were examined prior to departure and found free of evidence of infectious or contagious diseases.
8. The animals were transported to the point of embarkation without coming into contact with animals of lesser health status. The transport vehicles were cleaned and disinfected with the following product:

Name of product: _____ Active ingredient: _____
