CANADA						
II.	Health information	II.a.	Certificate reference number	II.b.		

II.I Animal health attestation

I, the undersigned official veterinarian, hereby certify, that the animals described above meet the following requirements:

II.1.1 they come from the territory described under point I.7 and I.8, where rabies is subject to compulsory notification to the competent Authorities;

II.1.2 they have remained since birth or at least six months before dispatch in the holding(s) of origin described under point I.11;

II.1.3 they are not animals to be killed under a national programme for the eradication of diseases;

II.1.4 any transport vehicles or containers in which they were loaded were cleaned and disinfected before loading with an officially authorised disinfectant;

II.1.5 they were examined by an official or approved veterinarian within 24 hours of loading and showed no clinical sign of disease;

II.1.6 they have been loaded for dispatch to Denmark on in the means of transport described under reference box I.15 above that were cleaned and disinfected before loading with an officially authorised disinfectant and so constructed that faeces, urine, litter or fodder could not flow or fall out of the vehicle or container during transportation.

II.2. Animal transport attestation

I, the undersigned official veterinarian, hereby certify, that the animals described above have been treated before and at the time of loading in accordance with the relevant provisions of Council Regulation (EC) No 1/2005, in particular as regards watering and feeding, and they are fit for the intended transport.
