IMPORTER: _____

ADDRESS: _____

National Directorate of Animal Health, R.S.A. Import Permit No: _____

I, the undersigned Licensed Veterinarian, hereby certify, after due enquiry and to the best of my knowledge and belief, that the reptiles or amphibians described below meet the following requirements:

1. The reptiles or amphibians were raised in captivity in Canada
2. The reptiles or amphibians originate from premises where there have been no outbreaks of contagious disease to which the animals are susceptible in the previous 6 months before departure.
3. I have examined the reptiles or amphibians and found them to be clinically healthy and free of evident external parasites.
4. The reptiles or amphibians will be shipped in insect proof containers which conform to IATA (International Air Transport Association) regulations and which are either new or properly disinfected and fumigated before loading.
5. Identification of reptiles or amphibians
