EXPORT OF (PROCESSED) PORCINE BLOOD TO KOREA**

EXPORTER: _____

ADDRESS: _____

NAME OF PROCESSING PLANT: _____

ADDRESS: _____

PROCESSING PLANT APPROVAL NUMBER: _____

IMPORTER: _____

ADDRESS: _____

I, the undersigned official veterinarian, duly authorized by the Government of Canada, hereby certify, after due enquiry and to the best of my knowledge and belief, that:

1. Canada has been free of FMD, vesicular stomatitis, swine vesicular disease for 2 years prior to export and is free from rinderpest, peste des petits ruminants, contagious bovine pleuropneumonia, rift valley fever, sheep pox, African swine fever and lumpy skin disease for 3 years prior to export. Vaccination against these diseases is prohibited in Canada.
2. The product has been processed in an establishment operating under permit issued by the Canadian Food Inspection Agency (CFIA). The exporting plants are dedicated to porcine material.
3. The animal product for export has been slaughtered in a slaughterhouse which is approved by the CFIA and the product has been produced from animal(s) which passed ante mortem and were presented for post mortem inspection by the CFIA.
4. The product is exclusively of porcine origin. No material of ruminant origin is included in the preparation of processed porcine blood.
5. The product is not mixed with imported material from third countries.
6. Each shipment to Korea is negative for the presence of ruminant protein.
7. The animal products for export has been produced, processed, stored and transported in such a manner as to prevent contamination by communicable animal disease pathogens up to the point of departure from Canada.
8. Description of the product: _____
9. Weight: _____
10. Container numbers (if applicable): _____ Seals no. _____

10. Vessel or truck: _____
11. Port of Exit (Canada): _____ Shipping Date: _____
12. Port of Entry (Korea): _____
