A. Owner's Declaration

I, _____, being the owner and /or herd manager of the elk/deer on the above premises hereby declare that the velvet identified by the tags listed on the attached sheet(s) and issued by _____ was harvested in the year _____ from healthy animals resident in the herd at the location described. They were not knowingly exposed to substances harmful to animals or humans during the six months prior to harvest. The antler was harvested in compliance with the Recommended Code of Practice for the Care and Handling of Farmed Deer (Cervidae) and was handled in a hygienic manner.
