

REFERENCE NUMBER: _____

Export of Wild Caught Spruce Grouse From Laurentides Wildlife Refuge

To the United States of America for Immediate Release

Exporter Name and Address

Importer Name and Address

I, the undersigned veterinarian, duly authorized by the Government of Canada, do hereby certify the following:

1. No Newcastle disease, Highly Pathogenic Avian Influenza or other reportable diseases of domestic poultry have occurred in the region from which the wild caught grouse originate.
2. The grouse are individually identified and negative test results (RRT-PCR for Avian influenza and Newcastle Disease) performed at the NVSL lab in Ames, Iowa are attached to this document as per US import requirements.
3. The grouse were inspected by a CFIA accredited veterinarian immediately prior to shipment to the United States and were found to be in good health and fit to travel.
4. The grouse have not been vaccinated with a vaccine for any H5 or H7 subtype of avian influenza and have not transited through regions where any HPAI subtype exists while en route to the United States.
