

**VETERINARY HEALTH CERTIFICATE
EXPORT OF COMMERCIAL POULTRY HATCHING EGGS TO TRINIDAD**

Exporter: _____

Address: _____

Importer: _____

Address: _____

I, the undersigned Official Veterinarian, duly authorized by the Government of Canada, hereby certify that, after due enquiry and to the best of my knowledge and belief, the hatching eggs described below meet the following requirements:

1. The flock or flocks of origin from which the hatching eggs were sourced are free from infection with *Salmonella pullorum*, *Salmonella gallinarum*, *Mycoplasma gallisepticum* and *Mycoplasma synoviae*.
2. The flocks and farms of origin from which the eggs originated did not experience any outbreaks of Infectious Laryngotracheitis over the past year.
3. The flocks of origin of the hatching eggs were not located under quarantine restrictions for Newcastle Disease or Avian Influenza
4. The hatching eggs must be nest clean and not mechanically cleaned. The hatching eggs must be free from foreign material such as feces, litter and feathers either on the eggs or in the containers.
5. The hatching eggs must be presented in new, clean, labelled containers; each container must bear marks for the identity of the parent flock.
6. The hatching eggs must be imported direct from the country and place specified above to Trinidad.
7. Identification of the hatching eggs:
 - i) Number shipped: _____
 - ii) Breed: _____
 - iii) Strain: _____
 - iv) Name of Establishment(s) of Origin: _____
 - v) Location: _____
