I hereby certify to the best of my ability from the information that has been provided to me that:

1. The animals in the shipment:
 - (a) were born in the U.S. or Canada and have been in no other region, or
 - (b) were legally imported into Canada from a BSE-free region and have been unconditionally released and eligible to move freely within Canada for at least 60 days prior to importation into the United States.
2. The animals have been kept in Canada or the United States during the last 60 days immediately preceding the date of shipment to the United States, and that during this time Canada has been free from foot-and-mouth disease, rinderpest, and contagious bovine pleuropneumonia.
3. The animals are not in quarantine in Canada.
4. The animals have been inspected and found to be free from any evidence of communicable disease and that, as far as can be determined, they have not been exposed to any such disease during the preceding 60 days.
5. Based upon an examination of the animals and/or information provided to me, it was determined that the females in the shipment are not pregnant.
6. The animals are less than 12 months of age based upon (strike out as appropriate and initial):
 - (a) certifiable birth records,
 - or / and**
 - (b) an examination of each animal's dentition (estimated age in months)
7. The animals are subject to a ruminant feed ban equivalent to the requirements established by the U.S. Food and Drug Administration.
8. The animals have not tested positive for or are not suspects for a transmissible spongiform encephalopathy.
9. The animals have not resided in a flock or herd that has been diagnosed with BSE.
10. The movement of the animals is not restricted within Canada as a result of exposure to a transmissible spongiform encephalopathy.
11. Based upon information provided by the exporter, the animals will be transported by truck along the following route (including port of embarkation in Canada):

Please see attached list for identification of the animals.

Je, soussigné(e), _____ atteste par la présente ce qui suit :
(en majuscules)

1) All sheep/goats included in this shipment have undergone an inspection and meet all the requirements of the USDA for the importation from Canada of sheep/goats for immediate slaughter.

Tous les moutons/toutes les chèvres constituant cet envoi ont fait l'objet d'une inspection en règle et sont conformes à toutes les exigences de l'USDA visant l'importation de moutons/chèvres destinés à l'abattage immédiat en provenance du Canada.

2) All sheep/goats in this shipment were presented to an accredited veterinarian for identification and inspection.

Tous les moutons/toutes les chèvres constituant cet envoi ont été examinés par un vétérinaire accrédité aux fins d'identification et d'inspection.

3) All sheep/goats in this shipment are officially identified with an approved eartag borne by the sheep/goat at the time of loading

Tous les moutons/toutes les chèvres constituant cet envoi sont identifiés officiellement au moyen d'une étiquette d'oreille que les moutons et les chèvres portaient au moment du chargement.

4) This load of animals will be sent to the US border immediately after the sealing of the truck by the accredited veterinarian or his technician.

Ce groupe d'animaux sera envoyé à la frontière américaine dès que le camion aura été scellé par le vétérinaire accrédité ou son technicien.

5) I have read and have fully understood the contents of this export certificate and that the information provided to the accredited veterinarian for the purposes of this export certificate is correct and complete and that I have fully and truthfully disclosed all information required by this export certificate.

J'ai lu et entièrement compris le contenu de ce certificat d'exportation, et les renseignements fournis au vétérinaire accrédité chargé de remplir ce certificat d'exportation sont exacts et complets; j'ai divulgué complètement et honnêtement tous les renseignements exigés sur le formulaire en question.
