Remarks - Remarques :

JOHN: This is the DECK ON WSP  
met I propose to use as the  
introductory briefing of DM, +  
Minister. I have tried to capture  
the high level issues he needs to  
address. Your comments would  
be most appreciated. I'd also  
like it if you could ~~not~~ not  
circulate this too widely (Steven  
Wright, Am Radford OK).

I look forward to your  
comments.
