

Personal Profile / Personal Attributes

- Enjoy working with and helping people, in particular Aboriginal people
- Extensive experience in: outdoors (trail riding and packing horses into remote wilderness areas)
- A details person –enjoy strategic planning & accounting
- Skilled negotiator, in particular in negotiating agreements with Aboriginal people
- Team leader: e.g., task team leader for DFO; AFS agreement template development and implementation
- Creative at building ways to resolve issues and build in accountability and efficiencies
- Enjoy new technology, in particular using the capacity of computers to increase work efficiencies
- Hard working and dedicated employee that can be trusted to deliver on commitments
- Positive and ever optimistic

Experience

- Farming background
- Treasury Branch (Alberta) accountant (has been very useful for budgeting, negotiating and auditing agreements and contracts – a big part of my current job)
- Outdoor interests enabled me to do field work activities well in adverse conditions
- Fishery Officer (generalist days) – apprehending violators, collecting evidence and testifying in court –generally negative way to address issues but helped me see the value in pursuing positive collaborative solutions
- Resource Manager -Interest in helping people has enabled me to develop relationships with Aboriginal people that has enabled me to resolve many sensitive conflict situations
- Fisheries and habitat management
- Negotiating agreements, mediating disputes and resolving issues at the local level

Achievements

- Successfully managed salmon seine and gillnet fisheries as well as herring fisheries.
- Successful prosecutions for violations associated with commercial, recreational and Aboriginal fisheries as well as habitat
- Contributed significantly to the development of standards for fish habitat protection in BC
- Initiated and implemented co-management arrangements with First Nations before DFO (as a whole) made policy and operational moves in this direction
- Lead a task team that developed and implemented DFO's Aboriginal Fisheries Strategy (AFS)
- Received a number of awards from DFO for my work including: Two Merit Awards, Distinction Award, and Deputy Minister's Commendation
- Volunteer fire department fire fighter including four years as Fire Chief (Ness Lake Volunteer Fire Department)

Career History

- 1971-1975 - Accountant trainee then Accountant - Alberta Treasury Branch
