

WRITTEN RE-EXAMINATION QUESTIONS FOR PAUL RYALL

5. You were asked by counsel for the First Nations Coalition why it took over five years to incorporate the recovery objectives from the 2005 Recovery Strategy into the IFMP.
 - a. With reference to Exhibit 920, do you agree that the Regional Director General directed in October 2005 that the recovery objectives be implemented through the IFMP?

The Regional Director General directed that the advice from the Recovery Plans be incorporated into the Integrated Fishery Management Plan for salmon.

- b. Your name is noted in Exhibit 920. What was your role in Exhibit 920?
I reviewed the note and provided comments.
