## **GLEN DAVIDSON**

Glen Davidson is currently the Director of the Water Management Branch with the BC Ministry of Natural Resource Operations. He is also appointed as the Comptroller of Water Rights for the Province of British Columbia.

Glen is registered as a Professional Engineer and holds a Bachelor of Applied Science in Civil Engineering from the University of British Columbia. He has over 25 years experience in many aspects of water resource engineering.

His current responsibilities with the Province include:

- The Flood Hazard Management Program
- The Dam Safety Program
- The Water Use Planning Program
- Water Utility Regulation Program
- Water Allocation Program
- BC River Forecast Centre

In addition, Glen serves on a number of boards and committees related to management of the Provincial water resource, including the International Joint Commission's Osoyoos and Kootenay Lake Boards of Control as well as the Permanent Engineering Board of the Columbia River Treaty.
