

## **BIO FOR KATHY SCARFO FOR COHEN COMMISSION**

Ms. Scarfo is currently the President of the West Coast (Area G) Trollers Association and an elected advisor in the Area Harvest Committee. She also sits as the representative on the Commercial Salmon Advisory Board, Integrated Harvest Planning Committee and is on the Board of Directors of the Canadian Council of Professional Fish Harvesters. Prior to 1996, she and her husband fished a combination troll and gillnet gear coastwide. After the introduction of area licensing, they opted to troll in Area G. Ms. Scarfo has been president of the West Coast Trollers Association since 1996. In addition to fishing, Ms. Scarfo has studied languages and alternative dispute resolution and works in strategic planning and program development on the international, national and regional levels.
