[Final Results](#)

Nicomen River/Norrish Creek (October to November) [Study Design](#)  
[Final Results](#)

Harrison River [Study Design](#)  
[Final Results](#)

Chehalis River [Study Design](#)  
[Final Results](#)

Stave River [Study Design](#)  
[Final Results](#)

#### **2002**

Fraser River (May to September): Summer [Study Design](#)  
[Final Results](#)

Fraser River (October to November): Fall [Study Design](#)  
[Final Results](#)

Chilliwack River (September to November) [Study Design](#)  
[Final Results](#)

Nicomen River/Norrish Creek (October to November) [Study Design](#)  
[Final Results](#)

#### **2003**

Fraser River (May to September): Summer [Study Design](#)  
[Final Results](#)

Fraser River (October to November): Fall [Study Design](#)  
[Final Results](#)

Chilliwack River (September to November) [Study Design](#)  
[Final Results](#)

#### **2004**

Fraser River (May to September):  
Summer [\[PDF\]](#)

Chilliwack River (September to  
November) [\[PDF\]](#)

Nicomen River/Norrish Creek  
(October to November) [\[PDF\]](#)

#### **2005**

Fraser River (May to September):  
Summer [\[PDF\]](#)

Chilliwack River (September to  
November) [\[PDF\]](#)

Nicomen River/Norrish Creek  
(October to November) [\[PDF\]](#)

#### **2006**

Fraser River (May to September):  
Summer [\[PDF\]](#)

Chilliwack River (September to  
November) [\[PDF\]](#)

Nicomen River/Norrish Creek  
(October to November) [\[PDF\]](#)

#### **2007**

Fraser River (May to November) [\[PDF\]](#)

Chilliwack River (September to  
November) [\[PDF\]](#)

Nicomen River/Norrish Creek  
(October to November) [\[PDF\]](#)

#### **2008**

Fraser River (May to October) [\[PDF\]](#)

Chilliwack River (September to  
November) [\[PDF\]](#)

Nicomen River/Norrish Creek  
(October to November) [\[PDF\]](#)
