

## **BIO FOR FRANK KWAK FOR COHEN COMMISSION**

Mr. Kwak moved to the Chilliwack area from Alberta when he retired 12 years ago. He formerly worked as a union representative for the United Auto Workers, raised pure bred Arabian horses, worked with farm animals at a veterinary practice, worked as a herdsman, and studied theology at the Canadian Theological Seminary in Regina. He is an avid recreational fisher with knowledge of the Fraser River and Harrison Lake areas. He has been chair of the Fraser Valley Salmon Society for the last 8 years. He was elected to the Sport Fishing Advisory Board's (SFAB's) main board, and also sits on the SFAB's sockeye and pink working group. He has also been involved with the BC Wildlife Federation, the BC Federation of Drift Fishers, and other technical committees such as the Cultus Lake Sockeye Recovery Team and the Sturgeon Recovery Team. For the last three years, he has participated in DFO's Lower Fraser River Sockeye Recreational Hook and Release Mortality Study.
