

PUBLICATION OF CONSULTATION PAPER

October 5, 2004

The Commission's Policy Review Consultation Paper has been published on this Web site. From this point on, the process will be as follows:

1. The Commission has prepared a number of Policy Review background papers. These papers are being published on this Web site as the translations are completed.
2. After all the background papers have been published on this Web site, the Commission will call for written submissions on issues relating to the Policy Review, including those issues identified in the Consultation Paper. This will likely be in November. Please check this Web site for regular updates.

Please note that you do not have to wait for all of the background papers to be published. The Commission welcomes written submissions on any issues raised in the Consultation Paper, or relevant to the Commission's Policy Review mandate, at any time.

3. Following receipt of written submissions, the Commission will schedule a series of public and private consultations, at which many participants will be invited to make submissions.

Any questions should be directed to Andrea Wright, Legal Counsel, at (613) 996-4741 or inquiry.admin@bellnet.ca.
