3	at 9:35 a.m. / L'audience reprend le mardi
4	28 avril 2009 à 09 h 35
5	23049 COMMISSIONER OLIPHANT: Good morning.
6	Good morning, counsel. Be seated, please.
7	23050 Mr. Doucet, before Mr. Wolson
8	proceeds, I trust that you recall giving an oath
9	yesterday to tell the truth?
10	23051 MR. F. DOUCET: I do.
11	23052 COMMISSIONER OLIPHANT: All right.
12	You are still bound by that is today. Do you
13	understand that?
14	23053 MR. F. DOUCET: I do.
15	23054 COMMISSIONER OLIPHANT: Okay. Thank
16	you.
17	23055 Mr. Wolson, good morning.
18	PREVIOUSLY SWORN: FRED DOUCET
19	SOUS LA MÊME SERMENT : FRED DOUCET
20	EXAMINATION: FRED DOUCET BY MR. WOLSON (cont'd) /
21	INTERROGATOIRE : FRED DOUCET PAR Me WOLSON (suite)
22	23056 MR. WOLSON: Good morning,
23	Mr. Doucet.
24	23057 MR. F. DOUCET: Good morning.
25	23058 MR. WOLSON: We had talked yesterday

about the \$90,000 that you were paid on -- you invoiced on November 2, 1988 and you were paid November 15, 1988. Do you recall that? MR. F. DOUCET: Correct. MR. WOLSON: You recall we discussed it. MR. F. DOUCET: Right. MR. WOLSON: You don't recall invoicing and you don't recall receiving the cheque. MR. F. DOUCET: I do not. MR. WOLSON: Okay. If you would go to Book 2, Tab 1 --MR. F. DOUCET: I'm there. MR. WOLSON: You have November 1st? MR. F. DOUCET: I'm there. MR. WOLSON: If you would look at the bottom of the page, left-hand side, November 1. MR. F. DOUCET: Correct. MR. WOLSON: This is November 1, '88, the day before you actually invoice -- to put it in perspective, the day before you invoice Bitucan for \$90,000. MR. F. DOUCET: Correct. MR. WOLSON: At the bottom of the

page you have 12 times 7,500 --MR. F. DOUCET: Correct. MR. WOLSON: -- equals \$90,000. MR. F. DOUCET: Correct. MR. WOLSON: That would seem to indicate that you are doing some math that adds up to 90,000. MR. F. DOUCET: It would seem to indicate that, yes. MR. WOLSON: The day before you invoiced Mr. Schreiber for \$90,000. MR. F. DOUCET: Correct. MR. WOLSON: Does that help refresh your memory? MR. F. DOUCET: Not -- no, it does not. MR. WOLSON: Do you remember trying to determine 7,500 times 12? Do you remember that? MR. F. DOUCET: I do not. I have no memory of the 75 as a unit of measure of any kind. MR. WOLSON: I see. So this document, your own diary of November 1, '88, is of no assistance to you? MR. F. DOUCET: No. MR. WOLSON: I asked you this

StenoTran

yesterday but I can only imagine -- I have never worked 1 for government but I would imagine that salaries from 2 3 the government for the kind of work you were doing might be -- I don't make light of it because it would 4 5 be a handsome sum of money. 6 23088 MR. F. DOUCET: Correct. MR. WOLSON: But in the low hundred 23089 7 8 thousand? 9 23090 MR. F. DOUCET: I'm sorry, in the...? 23091 MR. WOLSON: In the low hundred 10 11 thousand, \$125,000 or \$130,000 is ballpark what somebody in your position would have earned? 12 13 23092 MR. F. DOUCET: Yes. It changed --14 23093 MR. WOLSON: I don't need to know the exact amount, but --15 16 23094 MR. F. DOUCET: It changed -- it changed over the time that I was there. 17 18 23095 MR. WOLSON: Yes. 19 23096 MR. F. DOUCET: But my best 20 recollection when I started was that it was much under \$100,000. 21 22 23097 MR. WOLSON: So that \$90,000, 23 November 2, 1988, would be a very sizable amount of money to you? 24 25 23098 MR. F. DOUCET: Correct.

1 23099 MR. WOLSON: You were starting in 2 private practice; right? MR. F. DOUCET: Yes. 3 23100 MR. WOLSON: I'm sure, as we said 23101 4 5 yesterday, you wouldn't have been with an abundance of clientele right off the bat. You would be starting. 6 MR. F. DOUCET: No, but I did develop 7 23102 a sizable clientele over time. I don't know how many I 8 would have had the first couple of months, probably 9 around 15 maybe. 10 11 23103 MR. WOLSON: All right. So \$90,000 12 would be a large retainer? 13 23104 MR. F. DOUCET: There is no doubt. 14 23105 MR. WOLSON: Yes. All right. 15 If you were charging \$7,500 a month, 23106 16 if that calculation on that document November 1, 1988 is meant to indicate a monthly fee, your earnings from 17 18 Schreiber over the space of four or five years would be 19 quite significant? 20 23107 MR. F. DOUCET: Yes. As I say, the 7,500 just does not ring at all, but my best 21 22 recollection, trying to get to a number that I earned 23 from the Thyssen Bear Head account, would be considerably below that over the four or five year 24 period.

StenoTran

25

MR. WOLSON: Considerably below \$7,500 a month? MR. F. DOUCET: Correct, yes. MR. WOLSON: More in the range of what you told me in your statement of \$5,000 a month? MR. F. DOUCET: Correct, yes. MR. WOLSON: All right. Tab 44, Book 1, please. MR. F. DOUCET: Yes, I'm there. MR. WOLSON: You told the Commissioner yesterday that in your dealings with Mr. Schreiber there was certainly a cooling off period after 1994. Other than speaking to him about the LOR, letter of request, you may have spoken to him the odd time but you certainly had not seen him. MR. F. DOUCET: I don't recall that I did, no. MR. WOLSON: And you do see him. You invite him to your house --MR. F. DOUCET: Correct. MR. WOLSON: -- in 1999, December 26th. MR. F. DOUCET: That is correct. MR. WOLSON: What are the circumstances of you inviting Mr. Schreiber -- I think

StenoTran

1 you had his wife as well.

2 MR. F. DOUCET: Correct. 23122 23123 3 MR. WOLSON: What are the circumstances as to how that occurred? Do you recall? 4 23124 5 MR. F. DOUCET: As best I recall, someone called me. I think, and I thought, that it was 6 Elmer MacKay. But I vividly recall a telephone call 7 8 suggesting that it might be a kind gesture on my part if I were to -- if my wife and I were to invite Mr. and 9 Mrs. Schreiber to our house. 10 11 23125 That was perfectly fine with me and my wife and we did that. 12 13 23126 MR. WOLSON: Was it Elmer MacKay? 14 23127 MR. F. DOUCET: That's my 15 recollection. MR. WOLSON: Why do you hesitate in 16 23128 that regard? Is it because you are aware that Mr. 17 18 MacKay says that that didn't happen? 19 23129 MR. F. DOUCET: Correct, yes. 20 23130 MR. WOLSON: So your best recall is it was Elmer MacKay? 21 22 23131 MR. F. DOUCET: That's my best 23 recall. MR. WOLSON: Your only hesitation now 23132 24 25 is that MacKay said that didn't occur.

StenoTran

23133 MR. F. DOUCET: That's correct. 1 2 23134 MR. WOLSON: I see. Who else would have called? 3 23135 MR. F. DOUCET: Obviously someone 4 from out of town, I would expect. It may have been 5 Mr. Moores. I don't know. 6 MR. WOLSON: All right. 7 23136 8 23137 MR. F. DOUCET: I thought it was and 9 I still think it was Mr. MacKay, but maybe my memory is faulty. 10 11 23138 MR. WOLSON: Was it your intention to 12 speak privately with Mr. Schreiber about matters that 13 were of importance, such as issues of mandate with he and Mr. Mulroney, matters that were of importance to 14 15 Mr. Mulroney? Was this your intent on raising these 16 23139 issues with him on the 26th of December 1999? 17 18 23140 MR. F. DOUCET: I don't particularly 19 recall that I had a definitive agenda. I certainly 20 felt that we had things to talk about, both from the perspective of him having been a valued client and from 21 22 the perspective of Mr. Mulroney being a lifelong friend. 23 23141 MR. WOLSON: Did you discuss inviting 24

StenoTran

him to your residence with Mr. Mulroney before you did

25

that? 1 2 23142 MR. F. DOUCET: I do not believe so. I have no recollection of that. 3 23143 MR. WOLSON: You are not saying you 4 5 didn't speak to him about it; you are saying you don't recall? 6 MR. F. DOUCET: That's correct. 7 23144 8 23145 MR. WOLSON: You don't recall one way or the other? 9 23146 MR. F. DOUCET: I do not recall one 10 11 way or the other. 12 23147 MR. WOLSON: Now, you have your notes which were made, or at least the date of your notes, 13 December 26, 1999, 2 to 5 PM. 14 That's found at Tab 44, Book 1; 15 23148 16 right? 17 23149 MR. F. DOUCET: I have that, yes. 18 23150 MR. WOLSON: Again with regard to 19 these notes, it's the same kind of scenario. You made handwritten notes which were later typed by your wife? 20 MR. F. DOUCET: Correct. 21 23151 22 23152 MR. WOLSON: I'm a little baffled by 23 this. You purposely have stayed away from Schreiber in that certainly after the October date where you 24 thought, you told the Commissioner yesterday, that 25

Mr. Schreiber had been speaking to the media, Fifth 1 Estate in particular, likely off-camera, likely giving 2 3 them information which you are upset about. 23153 MR. F. DOUCET: Correct. 4 5 23154 MR. WOLSON: But here you are inviting him to your house. 6 MR. F. DOUCET: Correct. 7 23155 8 23156 MR. WOLSON: Obviously you wanted to talk to him about your concerns? 9 23157 MR. F. DOUCET: Certainly one of the 10 11 things that I recall telling him is that I thought that his leaking to the media was not something that I would 12 have advocated to him; that it would probably get him 13 in trouble and others as well. 14 MR. WOLSON: You had not seen the man 15 23158 for five years, 1994 Pierre Hotel; right? 16 MR. F. DOUCET: Correct. 17 23159 18 23160 MR. WOLSON: You invited him to the 19 house on the basis of a social visit. 23161 MR. F. DOUCET: Correct. 20 23162 MR. WOLSON: How long was he at your 21 22 house for, he and his wife? 23 23163 MR. F. DOUCET: As best I recall, probably from about 2:00 until 5:00. 24 MR. WOLSON: Now, you also knew that 25 23164

1 Mr. Mulroney -- let me ask you to turn up Tab 41 of Book 1, please. 2 MR. F. DOUCET: Yes, I'm there. 3 23165 23166 MR. WOLSON: This is a newspaper 4 article by Philip Mathias, National Post, August 20, 5 6 1999. 23167 MR. F. DOUCET: Correct. 7 8 23168 MR. WOLSON: Some months in advance 9 of when you invited Mr. Schreiber to your house? 23169 MR. F. DOUCET: Correct. 10 11 23170 MR. WOLSON: In the article, it says 12 at the bottom of the first page, or halfway through the 13 first page: "Brian Mulroney, the former 14 prime minister, has stepped up 15 efforts to persuade Karlheinz 16 Schreiber -- the man at the 17 centre of the Airbus affair --18 19 to release his confidential 20 Swiss bank accounts to the 21 Canadian government so the

24 23171 Do you see that?

22

23

25

23172 MR. F. DOUCET: I do.

StenoTran

rest."

matter can finally be put to

1 23173 MR. WOLSON: You knew -- and I will 2 get to that in a moment -- that Mr. Mulroney wanting to dispel any allegations involving Airbus was trying to 3 get Mr. Schreiber to release bank records which would 4 vindicate Mr. Mulroney. 5 6 23174 You are aware of that because if you 7 look further on down the page: 8 "This week, Mr. Mulroney telephoned his former chief of 9 staff..." 10 11 23175 Third paragraph from the bottom: "... Fred Doucet, from South 12 13 Africa, where the former prime minister is vacationing with his 14 15 family, and asked him to organize another approach to Mr. 16 Schreiber. 17 18 Mr. Doucet persuaded a former 19 cabinet minister in Mr. 20 Mulroney's government, a man who 21 knew Mr. Schreiber, to telephone 22 him on Mr. Mulroney's behalf and ask that the documents be 23 24 released. 25 Over the last three years, Mr.

1 Mulroney has interceded with Mr. Schreiber several times, both 2 3 directly in telephone calls, and through intermediaries." 4 5 23176 So it is clear that Mr. Mulroney wanted to have the bank documents released. He felt 6 the bank documents would vindicate him of any of these 7 8 vicious rumours and allegations, and he had asked you to help and get -- try to persuade Schreiber to release 9 bank documents. 10 11 23177 Is that in accord with your recall? 12 23178 MR. F. DOUCET: I recall receiving a telephone call from Mr. Mulroney from South Africa that 13 made an impression on me, that I recall. What we spoke 14 about, I have absolutely no recall. 15 MR. WOLSON: You didn't know that he 16 23179 wanted Mr. Schreiber to release documents that would be 17 18 important to his being vindicated by these rumours 19 which were circulating in the media? 20 23180 You must have known that. 21 23181 MR. F. DOUCET: I know it now. I 22 have no recollection that I knew that then. 23 23182 MR. WOLSON: All right. 24 23183 I suppose the point that I am asking 25 you about, and I will ask you directly: When you

StenoTran

invited Mr. Schreiber to your residence on the 26th of December 1999, did you ask him -- were you interested

1

2

3 in trying to persuade him to release his bank documents so that your good friend Mr. Mulroney could be in a 4 5 position where he may be able to defend himself against these rumours? 6 7 23184 MR. F. DOUCET: I made notes on my 8 meeting. What is in my notes I take to be exactly what was said to me. As to anything else, I have no recall. 9 I made those notes moments after he 10 23185 11 left, and I take them to be exactly what was discussed 12 when we were together. 13 23186 MR. WOLSON: There is nothing in your notes about bank documents. 14 MR. F. DOUCET: 15 23187 That's correct. 16 23188 MR. WOLSON: Does that mean they weren't discussed? 17 18 23189 MR. F. DOUCET: I have no 19 recollection of discussing them at all. 20 23190 MR. WOLSON: When did you write these 21 notes? 22 23191 MR. F. DOUCET: I would say ten minutes after Mr. and Mrs. Schreiber left. 23 23192 MR. WOLSON: Were the comments that 24 25 you have noted in your notes -- and you have one page

StenoTran

of typewritten notes --1 2 MR. F. DOUCET: Could you bring me 23193 back to that? 3 MR. WOLSON: Sorry, I apologize. 23194 4 5 It's Tab 44. 6 23195 MR. F. DOUCET: Yes, I'm there. MR. WOLSON: There are five pages of 7 23196 8 handwritten notes, actually 4-1/2 pages of -- I'm sorry, 4-1/2 pages of handwritten notes. 9 23197 Do you see those? 10 11 23198 MR. F. DOUCET: Yes, I do. 23199 MR. WOLSON: Reduced to one page of 12 13 typewritten notes. 23200 MR. F. DOUCET: Correct. 14 15 23201 MR. WOLSON: I'm not challenging the 16 accuracy of the typing versus the handwritten. What I want to ask you is the matters that you have in your 17 18 notes, are they matters that arose as between you and Mr. Schreiber when you were together privately away 19 from your spouses? 20 MR. F. DOUCET: Correct. 21 23202 22 23203 MR. WOLSON: So it's not as if what 23 you have written down was conversation over a three-hour period between the four of you? 24 25 23204 MR. F. DOUCET: That is correct.

StenoTran

1 23205 MR. WOLSON: How much time or tell the Commissioner the scenario, if you will, please, of 2 3 when you spent some private time with Mr. Schreiber on the 26th of December 1999. 4 What are the circumstances? Where 5 23206 was it? How long was it? 6 7 23207 MR. F. DOUCET: Okay. As I recall, 8 they arrived around 2 o'clock. I also recall that they took in flowers, which was impressive to my wife and 9 10 me. 11 23208 We began a conversation in the living 12 My best estimate is probably for a half hour room. 13 when we were all together, and then I said to Mr. Schreiber come and see my recreational room 14 downstairs, or words to that effect. 15 16 23209 I did want to have a private conversation with him. 17 18 23210 We went downstairs. My best estimate 19 is that we were there for maybe an hour, 45 minutes to an hour. I know that it was a long period of time 20 because I recall my wife coming down, coming downstairs 21 22 to tell me that I wasn't being very social, that we had left the social environment and moved downstairs. 23 So shortly after that we went back up 24 23211 and I think, as best I can recall, they left around 25

StenoTran

late in the afternoon, probably around 5:00. 1 2 23212 MR. WOLSON: So you have a conversation with Mr. Schreiber for about 45 minutes to 3 an hour, privately? 4 5 23213 MR. F. DOUCET: That's my best estimate. 6 23214 MR. WOLSON: And you have reduced 7 8 that 45 minutes to an hour to 4-1/2 handwritten pages. 9 23215 MR. F. DOUCET: Correct. 23216 MR. WOLSON: Which were later typed? 10 11 23217 MR. F. DOUCET: Correct. 12 23218 MR. WOLSON: Did you raise with him 13 the issue of him talking to the media, as you have just told the Commissioner about? 14 That's what you wanted to do. Did 15 23219 16 you do that? MR. F. DOUCET: I would have to refer 17 23220 18 to my notes. 19 23221 MR. WOLSON: It's not in there. 20 23222 MR. F. DOUCET: It was either at that meeting or the meeting that followed, the one in the 21 22 Royal York. 23 23223 MR. WOLSON: January 11, 2000. MR. F. DOUCET: Correct. 24 23224 25 23225 MR. WOLSON: All right. We will get

1 to those.

2 23226 It's interesting that when you wrote 3 your notes you were able to write them in fairly full sentences. 4 5 23227 MR. F. DOUCET: Yes. 6 23228 MR. WOLSON: I'm assuming you don't 7 have a photographic memory on short-term matters? 8 23229 MR. F. DOUCET: I certainly don't 9 now. 23230 MR. WOLSON: Well, this is 1999. I'm 10 11 assuming you didn't then either. 12 23231 MR. F. DOUCET: I think that is 13 probably a right assumption. MR. WOLSON: You start off -- or the 14 23232 15 notes are done in sort of paragraph form, and there are 16 seven or eight -- there is actually nine separate 17 paragraphs. 18 23233 MR. F. DOUCET: Yes. 19 23234 MR. WOLSON: The first paragraph is 20 headed "Luc Lavoie". 23235 MR. F. DOUCET: Correct. 21 22 23236 MR. WOLSON: And there is a 23 discussion for a couple of lines about obviously the comments Mr. Lavoie made on the October '99 session of 24 Fifth Estate. 25

MR. F. DOUCET: Correct. MR. WOLSON: Where he had made some derogatory remarks about Mr. Schreiber. MR. F. DOUCET: That is correct. MR. WOLSON: He called him a liar. MR. F. DOUCET: Yes. MR. WOLSON: With an expletive before it. MR. F. DOUCET: Yes. MR. WOLSON: Then you talked in the same paragraph about Kaplan. MR. F. DOUCET: Yes. Well, I didn't -- he spoke about Kaplan. MR. WOLSON: And the book he was talking about was the first book, not his second book? MR. F. DOUCET: I don't recall that. MR. WOLSON: Well, this is 1999. The second book isn't until much later. MR. F. DOUCET: Correct. Okay. MR. WOLSON: And you wrote down "And we each know", then the subject changed to Airbus, in the first paragraph. MR. F. DOUCET: Yes. MR. WOLSON: Words to the effect:

1 "And we each know that Mulroney had absolutely nothing to do 2 with the sale of airbus ... " 3 23254 MR. F. DOUCET: Correct. 4 5 23255 MR. WOLSON: That was important for you to write down. 6 23256 MR. F. DOUCET: I would think so. 7 Ι 8 think everything that I wrote down are impressions that stuck with me of the entire conversation. 9 23257 MR. WOLSON: Did you reduce the 10 11 entire conversation to writing? 12 23258 MR. F. DOUCET: I'm sorry? 13 23259 MR. WOLSON: Did you reduce the entirety of the conversation to writing? 14 23260 MR. F. DOUCET: As best I recall, 15 16 certainly the things that stuck with me. 17 23261 I can tell you that Mr. Schreiber is 18 much accustomed -- and I don't fault him for this at 19 all -- to elaborate at some length on everything. So I didn't write down everything, I wrote the things that 20 stuck with me over the period that we were together. 21 22 23262 MR. WOLSON: Did you tell Mr. 23 Mulroney afterwards that you had met with Schreiber and recorded, as best you could, what Schreiber had told 24 25 you?

23263 MR. F. DOUCET: I believe I did. 1 MR. WOLSON: And you would have 2 23264 3 referred him to the highlights, I am assuming, of the conversation --4 5 23265 MR. F. DOUCET: Yes. 6 23266 MR. WOLSON: -- things like Mr. Schreiber indicating that Mr. Mulroney had nothing to 7 8 do with the sale of Airbus. That is something, I am sure, you would have told Mr. Mulroney. 9 10 23267 MR. F. DOUCET: Yes, I am quite sure 11 that I went through what I recorded. 12 23268 MR. WOLSON: The second paragraph: 13 "People are going to be very 14 surprised about the individual 15 we're going to discover. When I'm finished we will know that 16 17 Rock, Gray, Chretien, knew about 18 what the RCMP were doing." 19 23269 MR. F. DOUCET: Correct. 20 23270 MR. WOLSON: So he was talking to you about a lawsuit in which he was going to discover 21 22 former high office holders, including a prime minister. MR. F. DOUCET: Correct. 23 23271 24 23272 MR. WOLSON: He wasn't a former prime 25 minister then, a prime minister.

23273 MR. F. DOUCET: Yes. 1 2 23274 MR. WOLSON: Then, in the third 3 paragraph --23275 Did you know who the author -- or who 4 contributed to the Letter of Request? Did you know the 5 lawyer's name prior to December 26th, `99? 6 23276 MR. F. DOUCET: I don't recall that I 7 8 did. 9 23277 MR. WOLSON: Kimberley Prost is the 10 lawyer. 11 23278 MR. F. DOUCET: Yes. 12 23279 MR. WOLSON: Do you recall that name prior to the 26th of --13 MR. F. DOUCET: I don't think so. 14 23280 I'm not a hundred percent sure. I know that the name 15 16 has come up since, but I don't think, at the time, when it was mentioned to me, that I knew who she was. 17 18 23281 MR. WOLSON: When you write down 19 about the kinds of questions that are going to be asked at the discovery of Kimberley Prost, does that come 20 from Mr. Schreiber, or is that something that you made 21 22 up? 23 23282 MR. F. DOUCET: We are on the --MR. WOLSON: The third paragraph. 24 23283

StenoTran

MR. F. DOUCET: "People are going to

25

23284

be very surprised..."? 1 MR. WOLSON: No, "When we discover 2 23285 Prost..." 3 MR. F. DOUCET: Yes. 23286 4 5 23287 MR. WOLSON: I don't need to repeat what it says, it's there. 6 23288 7 MR. F. DOUCET: Yes. 8 23289 MR. WOLSON: Is that something he told you, or is that --9 23290 MR. F. DOUCET: That's something he 10 11 told me. 23291 MR. WOLSON: There is no doubt about 12 13 that. 14 23292 MR. F. DOUCET: Zero doubt about that. 15 It made a lasting impression. 16 23293 MR. WOLSON: Quite crude. 17 23294 18 23295 MR. F. DOUCET: Yes. 19 23296 MR. WOLSON: Fourth paragraph, where Mr. Schreiber, according to what you have written down, 20 says that "The extradition hearing..." 21 22 23297 He is talking about his own hearing now, is he? 23 24 23298 MR. F. DOUCET: Yes. MR. WOLSON: "...is going to resolve 25 23299

StenoTran

1 the issue for Brian."

2 23300 Do you see that? MR. F. DOUCET: I do. 3 23301 MR. WOLSON: He talks about the bank 23302 4 5 documents and says that when the German and Swiss bank documents have been thoroughly examined, there is no 6 reference to Brian. 7 8 23303 MR. F. DOUCET: I see that. 9 23304 MR. WOLSON: I am not reading it precisely as it is written, but that's the gist of what 10 11 he said to you. MR. F. DOUCET: Correct. 12 23305 13 23306 MR. WOLSON: He, having raised the German and Swiss bank documents, would you not have 14 then said to him something to the effect of: 15 16 Karlheinz, let's have those documents. Provide them to Help Brian. 17 me. 18 23307 Did you make comments like that? 19 23308 MR. F. DOUCET: I have no 20 recollection of that at all. 21 23309 MR. WOLSON: Then he talks about a 22 social matter, which is of no moment, but you saw fit to write it down. 23 MR. F. DOUCET: Correct. 24 23310 25 MR. WOLSON: The sixth paragraph: 23311

StenoTran

1	"Brian should know who his best
2	friend is. It is not the many
3	he thinksIt is you."
4	23312 Meaning you
5	MR. F. DOUCET: Myself.
6	MR. WOLSON: Yourself.
7	MR. F. DOUCET: Yes.
8	MR. WOLSON: Next paragraph:
9	"I cannot understand why Brian
10	did not tell me all along the
11	way why he wouldn't support the
12	Nova Scotia project. If he had
13	told me he couldn't do it for
14	whatever reason I would have
15	accepted it. He never told
16	me so I kept pushing it.
17	However, I'm over that now."
18	MR. F. DOUCET: Correct.
19	23318 MR. WOLSON: Did you not add anything
20	to the conversation, such as: You know, Karlheinz,
21	even though Nova Scotia didn't go ahead, there was a
22	movement to Quebec, and Mr. Mulroney was supportive of
23	that.
24	Did you not say words to that effect?
25	23320 MR. F. DOUCET: I am sure that I

engaged in that conversation, but I have no 1 2 recollection. 23321 MR. WOLSON: These notes are not 3 interactive, these notes are simply recording, as best 4 5 you could, what Mr. Schreiber told you. 6 23322 MR. F. DOUCET: That's absolutely 7 correct. 8 23323 MR. WOLSON: Next-to-the-last 9 paragraph: 10 "Brian is a great guy. I wish 11 we could have done that Thyssen 12 project -- he would now have a 13 great client on the international scale." 14 MR. F. DOUCET: Correct. 15 23324 MR. WOLSON: Is that what he told 16 23325 17 you? 18 23326 MR. F. DOUCET: Correct. 19 23327 MR. WOLSON: He didn't say to you 20 that Brian Mulroney had been advocating for him on the international scale? 21 22 23328 MR. F. DOUCET: I have no recall of 23 that. MR. WOLSON: He said that he would 24 23329 have -- future --25

23330 MR. F. DOUCET: Correct. 1 2 MR. WOLSON: -- had a good client, or 23331 3 a great client on the international scale, being the Thyssen company. Right? 4 5 23332 MR. F. DOUCET: Correct. 6 23333 MR. WOLSON: You didn't say to him, "But, Karlheinz, Brian did advocate for you on the 7 8 international scale," you just recorded what he said, which was, in future tense, if he had -- if the Thyssen 9 project had gone ahead, he would have had a good 10 11 client. 23334 That's what you wrote down. 12 13 23335 MR. F. DOUCET: I may have interacted with him on it, I just have no recollection. 14 MR. WOLSON: So we have to rely on 15 23336 16 the written word. MR. F. DOUCET: Well, I am relying on 17 23337 18 it fully. 19 23338 MR. WOLSON: Yes. 20 23339 And then he talks about increasing his lawsuit against the fifth estate. 21 MR. F. DOUCET: Correct. 22 23340 MR. WOLSON: It must be a love-hate 23 23341 relationship that he has with the fifth estate, because 24 he is in bed with them at times, and at other times he 25

is suing them. 1 2 MR. F. DOUCET: It would seem that 23342 3 way. MR. WOLSON: At least that's what you 23343 4 5 thought. 6 23344 MR. F. DOUCET: I'm sorry? 23345 7 MR. WOLSON: That's what you thought, 8 because you thought that he was feeding them information in 1999. 9 23346 MR. F. DOUCET: Correct. 10 11 23347 MR. WOLSON: You purport these notes 12 to be accurate? 13 23348 MR. F. DOUCET: I do. 23349 MR. WOLSON: How could you write 14 down, after a three-hour period --15 When, by the way, did you put him 16 23350 aside and spend the 45 minutes with him in your rec 17 18 room? 19 23351 Was that in the middle, the end, the beginning? 20 23352 MR. F. DOUCET: No, it was after they 21 22 left. 23 23353 MR. WOLSON: No, I am asking you when you took him aside and you talked to him. 24 25 23354 You have written in your notes,

StenoTran

"December 26th, `99, 2 to 5 pm." 1 2 23355 MR. F. DOUCET: Correct. 23356 3 MR. WOLSON: I am assuming that was the entirety of the visit. 4 23357 5 MR. F. DOUCET: That is correct. 6 23358 MR. WOLSON: I am assuming that, at 7 one point, you took him aside. That's what you told 8 us. 9 23359 MR. F. DOUCET: About half an hour, maybe 45 minutes after they arrived. 10 11 23360 MR. WOLSON: So if they arrived at 12 2:00, by 2:30, 2:45 you have Schreiber in the rec room 13 and you are discussing matters with him. MR. F. DOUCET: Correct. 14 23361 MR. WOLSON: And make no mistake 15 23362 16 about it, the matters you are discussing with him are matters that had concern to Mr. Mulroney. 17 18 23363 MR. F. DOUCET: Correct. 19 23364 MR. WOLSON: Did you lead him to certain areas to get his response to those areas? 20 23365 MR. F. DOUCET: I don't recall 21 22 exactly the dynamics of the conversation, but it's 23 possible. 23366 MR. WOLSON: Let's look at it 24

StenoTran

realistically. If you are trying to get him to give

25

you his position on certain matters that are important 1 to Mr. Mulroney --2 3 23367 MR. F. DOUCET: Sure. 23368 MR. WOLSON: -- you would lead him to 4 those matters, because he may not hit them otherwise. 5 Right? 6 MR. F. DOUCET: Correct. 7 23369 8 23370 MR. WOLSON: And that's what you were trying to do, is it not? 9 23371 MR. F. DOUCET: Well, I certainly was 10 11 looking to his information with respect to some of the issues that are noted here. 12 13 23372 MR. WOLSON: You were trying to lead him to those areas, so that you could get his viewpoint 14 on them. 15 16 23373 MR. F. DOUCET: I would say that's 17 correct. That had not been the purpose of the 18 23374 19 visit, which, as I say, was intended to be, generally, of a social nature, but there was an opportunity for me 20 to have that discussion with him. 21 22 23375 MR. WOLSON: So it hadn't been a plan 23 that you had made in inviting him to your residence, but you took advantage of the opportunity to then --24 when you had him in a private setting, to put to him 25

certain matters that you wanted to know what his 1 position was on them -- you wanted to know what his 2 3 position was. 23376 MR. F. DOUCET: In some cases, and in 4 5 other cases he just volunteered a considerable amount of information. 6 7 23377 MR. WOLSON: You see, it's a tough 8 act of memory, a tough feat of memory to have someone speak, I would think, for most people, for 45 minutes, 9 let's say 2:30 to quarter after three in the afternoon, 10 11 and you don't make a single note at the time --12 23378 And that's true, isn't it? 13 23379 MR. F. DOUCET: Correct. 23380 14 MR. WOLSON: You start making your notes, let's say, at five o'clock, not even discounting 15 16 ten minutes after they left. 17 23381 MR. F. DOUCET: Sure. 18 23382 MR. WOLSON: And yet you are able to 19 note down what the man has had to say, in full sentences, on nine or ten or eleven different topics. 20 MR. F. DOUCET: I can tell you this, 21 23383 22 Mr. Wolson, I have had considerable experience in 23 making notes. My period of service to the government involved almost everyday occasions where I had to take 24 notes, in a succinct way, so that I could have them as 25

a memory aid in whatever reporting I would subsequently 1 have to do. 2 3 23384 That occurred at the staff level, that occurred at the bilateral, country-to-country 4 5 level, multilateral forums. I was a notetaker. 6 23385 MR. WOLSON: We know that you wrote 7 letters about the Birds and don't remember them today. 8 23386 MR. F. DOUCET: Correct. 9 23387 MR. WOLSON: But these notes you remember. 10 11 23388 MR. F. DOUCET: I remember making the 12 notes. 13 23389 MR. WOLSON: You don't remember the content of the notes? 14 MR. F. DOUCET: I remember them when 15 23390 16 I go to them. MR. WOLSON: They have refreshed your 17 23391 18 memory. 19 23392 MR. F. DOUCET: That is correct. 20 23393 MR. WOLSON: But looking at letters did not. 21 22 23394 MR. F. DOUCET: It did not. 23 23395 MR. WOLSON: I am assuming that in government you would make notes -- I see a lot of 24 people in government walking around with these black 25

1 books. Many of my colleagues at the Commission have them, and every time they are talking to somebody they 2 are making a note in their book, and there is a history 3 laid out in front of them. 4 5 23396 Is that the kind of person you were, that if you were having conversations with people, you 6 would make notes and record things? 7 8 23397 MR. F. DOUCET: No, I wouldn't say that. This would be at actual meetings. 9 23398 MR. WOLSON: That's what I mean --10 11 23399 MR. F. DOUCET: Oh, I'm sorry. 12 23400 MR. WOLSON: -- you have a meeting with somebody, you have one of these black books out --13 I don't know whether yours was that colour, that is 14 kind of irrelevant, but you are making notes while you 15 16 are talking to people. 17 23401 MR. F. DOUCET: Yeah. I don't think 18 I had a black book ever. 19 23402 MR. WOLSON: You might have had a green one, or something --20 MR. F. DOUCET: No, no --21 23403 MR. WOLSON: -- or a white one, 22 23404 23 but --24 23405 COMMISSIONER OLIPHANT: Probably 25 blue.

--- Laughter / Rires 1 2 23406 MR. F. DOUCET: I don't think I had a 3 notebook, I think I used pieces of paper. 23407 MR. WOLSON: All right, but you are 4 5 writing them as the conversations are occurring. You are at a meeting, somebody is saying something, and you 6 are writing it down. 7 8 23408 MR. F. DOUCET: Not necessarily. 9 23409 MR. WOLSON: You write them afterwards. 10 11 23410 MR. F. DOUCET: Both ways. Sometimes 12 I would -- in a lot of cases I would have been chairing 13 those meetings that I referred to, and I would not have made notes at that time, I would have made them 14 immediately after, or as soon as I could after. 15 16 23411 MR. WOLSON: Except, if you were chairing a meeting, you probably would have had an idea 17 18 as to what you were going to talk about before you talked about it. 19 20 23412 MR. F. DOUCET: Yeah, I am referring to what others said more so than what I said. 21 22 23413 MR. WOLSON: Yes. 23 23414 You know, I know that by changing a word or two in a sentence, inadvertently --24 25 23415 MR. F. DOUCET: Sure.

StenoTran

MR. WOLSON: -- you may destroy the

1

23416

whole meaning of a sentence. Right? 2 MR. F. DOUCET: Correct. 3 23417 23418 MR. WOLSON: Do you know whether that 4 5 occurred on the 26th of December 1999, that you made an error in adding a word, or misstating a word, not 6 intentionally, but inadvertently? 7 8 23419 MR. F. DOUCET: It could happen. It could have happened. 9 23420 Certainly I didn't intend to do that, 10 11 but it could have happened. 12 23421 MR. WOLSON: All right. Let's go on, 13 then. Between the 26th of December 1999 and January the 11th, 2000, which is a meeting you have with Mr. 14 Schreiber at the Royal York Hotel --15 Did you in fact meet with 16 23422 Schreiber --17 18 23423 MR. F. DOUCET: I did. MR. WOLSON: -- between the 26th of 19 23424 December and January the 11th? 20 23425 MR. F. DOUCET: No, not that I 21 22 recall. 23 23426 MR. WOLSON: All right. I misspoke 24 perhaps. MR. F. DOUCET: I'm sorry, I may have 25 23427

1 mis-answered.

2 23428 MR. WOLSON: All right. Let's get 3 back on the same page. 23429 MR. F. DOUCET: Okay. 4 5 23430 MR. WOLSON: Between the 26th of 6 December --MR. F. DOUCET: Yes. 7 23431 8 23432 MR. WOLSON: That was the meeting that you had at your house. 9 23433 MR. F. DOUCET: Correct. 10 11 23434 MR. WOLSON: Boxing Day. 12 23435 MR. F. DOUCET: Boxing Day. 13 23436 MR. WOLSON: -- and January the 11th of 2000, when you met him at the Royal York, had you 14 met him in between that time? 15 MR. F. DOUCET: I have no recall of 16 23437 17 that. 18 23438 MR. WOLSON: Had you talked to him in 19 between that time, except for arranging the January 11th date? 20 23439 MR. F. DOUCET: I don't recall. I 21 22 may have, I just don't recall. 23 23440 MR. WOLSON: No notes of that, I am assuming, because they weren't significant or 24 important, if you did talk to him. 25

2263

23441 MR. F. DOUCET: Correct. 1 2 23442 MR. WOLSON: You didn't talk to him 3 about substantive matters that may be the subject of commentary at this Commission of Inquiry. 4 5 23443 MR. F. DOUCET: Not that I recall. 6 23444 MR. WOLSON: On the 26th of December 7 1999, did you speak to him about perhaps putting down 8 in writing the mandate as between Mr. Schreiber and Mr. Mulroney, having some written memorandum to that 9 effect? 10 11 23445 MR. F. DOUCET: I don't believe it 12 was at that meeting. I know that it was at one of the 13 meetings. I think it was the Royal York meeting. MR. WOLSON: You told the 14 23446 Commissioner that after the 26th of December `99 15 meeting you briefed Brian Mulroney on the meeting. 16 17 23447 MR. F. DOUCET: Yes. 18 23448 MR. WOLSON: How did it come that you 19 had a second meeting on January the 11th, 2000? 20 23449 Whose idea was it? 23450 MR. F. DOUCET: I'm not sure of that. 21 22 I know that as we left the room, or as they left my 23 house, I am not a hundred percent sure, we said to each Let's look to a meeting in Toronto when you are 24 other: there. Give me a call and we will meet. 25

StenoTran

23451 MR. WOLSON: Why? 1 2 MR. F. DOUCET: 23452 I think that, 3 certainly from my vantage point, I knew that the Luc Lavoie issue was an issue that concerned Mr. Mulroney a 4 5 great deal, and it had been raised at this meeting on the 26th, and I thought that this was unfinished 6 business, number one. 7 8 23453 Number two, I felt, after our 9 discussions at our house, that there were items that should be cleared up, in particular, memorializing 10 11 whatever arrangement had been made between Mr. Mulroney 12 and Mr. Schreiber. 13 23454 MR. WOLSON: Why? MR. F. DOUCET: Well, again, Mr. 14 23455 15 Schreiber had been a valued client, Mr. Mulroney a 16 lifelong friend, and I felt that, the way this was playing out in the media, trouble was brewing and that 17 18 they should memorialize what their agreement was. 19 23456 MR. WOLSON: Schreiber had not stated 20 publicly, to my knowledge, anything about their business arrangement at all. Why did you have to clear 21 22 that up when it wasn't a matter of public note? 23 23457 MR. F. DOUCET: Well, sometimes one has a nose for what is coming. Certainly, in the work 24 that I used to do for the government, one had to 25

StenoTran

2266

develop that. You see the media coming down the road, 1 you know they have agendas, and it keeps multiplying. 2 Quite frankly, I was very concerned 3 23458 at the amount of leakage that seemed to be coming from 4 some quarters, not necessarily only Mr. Schreiber, with 5 regard to their relationship. 6 MR. WOLSON: And you felt duty bound 7 23459 8 to do something about that? 9 23460 MR. F. DOUCET: I felt that I could be helpful, and I took it upon myself to attempt to be. 10 11 23461 MR. WOLSON: Did you discuss inviting 12 Schreiber to the January 11th, 2000 meeting with Mr. 13 Mulroney? 14 23462 MR. F. DOUCET: I have no recall of 15 that. 16 23463 MR. WOLSON: You don't deny it; you don't remember one way or the other. 17 MR. F. DOUCET: That's correct. 18 23464 19 23465 MR. WOLSON: Wouldn't you have said 20 to Mr. Mulroney: It's a good thing, Brian, that I meet with him, stay on good terms with him, find out what he 21 22 has to say about critical matters, record them, 23 memorialize them. Wouldn't you have said that? 24 23466 25 MR. F. DOUCET: That's possible. I 23467

2267

come back to the point I made before, we agreed, as he 1 was leaving our house, that we would meet when I was 2 next in Toronto. 3 I recall that. 23468 4 5 23469 MR. WOLSON: But then you brief Mr. 6 Mulroney of the meeting on the 26th of December. MR. F. DOUCET: Correct. 7 23470 8 23471 MR. WOLSON: Did you also say to Mr. 9 Mulroney: Look, I have invited him to another meeting. I am going to try and memorialize what he has to say, 10 11 so that we will have a written -- something in writing. 12 23472 MR. F. DOUCET: I may have. 13 23473 I should tell you, Mr. Wolson, that Mr. Schreiber was very cordial about everything in 14 respect of the meetings, and made it a point to tell 15 Tell Brian about our discussions. 16 me: 17 23474 So there was no attempt to hide anything that was a subject of our discussions. 18 19 23475 MR. WOLSON: I am not suggesting some 20 nefarious scheme, I am just asking you whether or not that kind of conversation with Mr. Mulroney took place, 21 22 based on the fact that Mr. Schreiber told you to tell 23 Mr. Mulroney. 23476 MR. F. DOUCET: Correct, yeah. 24 Ιt would be logical, I just don't recall it. 25

MR. WOLSON: Okay. Did you attempt to use some kind of recording device to record the meeting that you had on the 11th of January 2000, some kind of tape machine or --MR. F. DOUCET: No. MR. WOLSON: -- some kind of tape device? MR. F. DOUCET: No. If I had, I would have been duty bound to submit them to you, sir. MR. WOLSON: But that didn't happen. MR. F. DOUCET: That did not happen. MR. WOLSON: The memorializing of that meeting is found at Tab 45. MR. F. DOUCET: Yes, I am there. MR. WOLSON: There are five handwritten pages, fairly full pages, which have been reduced to two typewritten, fairly full pages. MR. F. DOUCET: Correct. MR. WOLSON: How long was the meeting at the --It was at the Royal York in Toronto? MR. F. DOUCET: It was at the Royal York in Toronto, yes. MR. WOLSON: You had a room there?

1 23492 MR. F. DOUCET: I did, and I believe that is noted above there. 2 23493 MR. WOLSON: 5-271. 3 23494 MR. F. DOUCET: I believe that was my 4 5 room. 6 23495 MR. WOLSON: All right. 23496 MR. F. DOUCET: How long the meeting 7 8 was? I really have no recollection of how 9 23497 long. Probably, at least, an hour. 10 11 23498 MR. WOLSON: It was definitely your plan, I am assuming, to talk to him about matters which 12 were of concern to Mr. Mulroney. 13 23499 14 MR. F. DOUCET: Correct, and one in particular. 15 MR. WOLSON: Yes? 16 23500 Which one was that? 17 23501 18 23502 MR. F. DOUCET: That was the Luc 19 Lavoie matter. 23503 MR. WOLSON: Do you say to the 20 Commissioner that these notes are accurate? 21 22 23504 MR. F. DOUCET: I say to the 23 Commissioner that they were written for that purpose, to be accurate. MR. WOLSON: When did you write the 25 23505

StenoTran

notes? MR. F. DOUCET: I wrote them out minutes after our meeting ended. MR. WOLSON: So you have a meeting for an hour, approximately? MR. F. DOUCET: Correct. MR. WOLSON: Four-thirty `til 5:30? MR. F. DOUCET: Yes. MR. WOLSON: That's the duration of the meeting, but then you're just guessing at that. MR. F. DOUCET: I'm guessing. MR. WOLSON: Did you tell Mr. Schreiber that you wanted to raise some issues with him that were of importance? Did you tell him that? MR. F. DOUCET: I did. MR. WOLSON: Why didn't you simply make notes as you were talking to him? MR. F. DOUCET: I don't know the answer to that, I just --I can't answer that, I just don't recall. MR. WOLSON: That would be a more accurate way of recording conversations, to record them at the time.

StenoTran

MR. F. DOUCET: Correct. MR. WOLSON: Did you tell him that you had reduced to writing the previous conversation of the 26th of December 1999? MR. F. DOUCET: I don't recall that I did. MR. WOLSON: Did you tell him that you were going to reduce this conversation to writing? MR. F. DOUCET: I don't recall that I did. MR. WOLSON: This conversation which you have recorded, unlike the previous conversation, is recorded interactively. MR. F. DOUCET: Correct. MR. WOLSON: It starts off about a party, which is of no concern to this inquiry. You agree with that? MR. F. DOUCET: Correct. MR. WOLSON: But then you, I am assuming, put the subject of Luc Lavoie to him. MR. F. DOUCET: Correct. MR. WOLSON: And when I say interactive, it starts off -- what you have here are six numbered paragraphs; right? MR. F. DOUCET: Correct.

1 23534 MR. WOLSON: Many of them are several 2 lines. MR. F. DOUCET: Yes. 3 23535 23536 MR. WOLSON: And after the six 4 5 paragraphs you have your conclusions in point form. 6 23537 MR. F. DOUCET: Correct. 7 23538 MR. WOLSON: When you recorded these, 8 after he left -- let's assume --9 23539 Because, from the length of the notes, you would agree with me that he had to have been 10 11 with you at least an hour. 12 23540 MR. F. DOUCET: I would say. 13 23541 MR. WOLSON: If not longer. 23542 MR. F. DOUCET: I don't recall. 14 MR. WOLSON: You have the kind of 15 23543 16 memory that you can have an hour-long conversation with somebody, not take a single note, and then retire with 17 pen and paper and write down not only what the other 18 19 person has said, but, interactively, what you have said as well. 20 23544 You have that kind of memory. 21 22 23545 MR. F. DOUCET: Well, I certainly put 23 down the main items as I recalled discussing them. 24 This was a much more purposeful meeting than the one at

StenoTran

our house.

25

1 23546 MR. WOLSON: This was a planned, 2 calculated meeting, where you were going to record what was said, with specificity; not only what was said, but 3 the questions you were asking. 4 23547 MR. F. DOUCET: Correct. 5 6 23548 MR. WOLSON: Point 2 --MR. F. DOUCET: Yes. 7 23549 8 23550 MR. WOLSON: -- under the heading 9 "Luc". 23551 That would be Lavoie, I'm sure. 10 11 23552 MR. F. DOUCET: Correct. 12 23553 MR. WOLSON: 13 "I gave him letter. I commented 14 the setting that provoked Luc 15 and how out of context the quote I told him how irate you 16 was. were about Luc's statement 17 18 regardless of provocation and 19 that you had called him in S.A..." 20 23554 I take it South Africa. 21 22 23555 MR. F. DOUCET: I presume. 23 23556 MR. WOLSON: "... and given him hell." 24 25 23557 That's what you have written down

there. 1 2 23558 MR. F. DOUCET: Correct. 23559 3 MR. WOLSON: In other words, are you saying that Mr. Schreiber phoned Mr. Mulroney in South 4 Africa? Is that what you are saying? 5 6 23560 MR. F. DOUCET: No. I believe what I'm saying there "you" is Mr. Mulroney. 7 8 23561 MR. WOLSON: I see. So you are 9 telling Mr. Schreiber that Mr. Mulroney was in South Africa and was so irate about the comments that Lavoie 10 11 made that Mr. Mulroney called Mr. Lavoie and gave him hell? 12 13 23562 MR. F. DOUCET: Correct. 14 23563 MR. WOLSON: 15 "Then I probed what good would be served by proceeding with a 16 suit." 17 18 23564 Obviously a lawsuit. MR. F. DOUCET: Correct. 19 23565 20 23566 MR. WOLSON: When you say you probed, that's you, Fred Doucet, or is that still Mr. Mulroney? 21 22 23567 MR. F. DOUCET: No. I think I'm 23 talking about myself. 23568 MR. WOLSON: That would make sense. 24 25 23569 MR. F. DOUCET: Yes.

23570 MR. WOLSON: And then he responds: 1 2 "K.S. said, well he did me a lot of harm in Germany -- my friends 3 from there are asking me why a 4 5 spokesperson for BM would call me a liar." 6 MR. F. DOUCET: Correct. 7 23571 8 23572 MR. WOLSON: So here is the 9 interaction. You are writing down what you said, what Mr. Mulroney said, then you are writing down what 10 11 Karlheinz Schreiber said, and you are able to do that on hour after a conversation. 12 13 23573 That is a remarkable feat, I must 14 say. MR. F. DOUCET: I don't think I wrote 23574 15 16 it an hour after. I wrote it immediately after. MR. WOLSON: No, I understand, but an 17 23575 18 hour after it was said. 19 23576 MR. F. DOUCET: Correct. 20 23577 MR. WOLSON: Yes. MR. F. DOUCET: Yes. 21 23578 22 23579 MR. WOLSON: The paragraph goes on 23 about 13 lines and it's about Luc Lavoie. 23580 That's under the heading "Luc" and 24 that's that paragraph, about 13 typed lines, 25

approximately. 1 2 23581 MR. F. DOUCET: Yes. Beginning with...? 3 MR. WOLSON: Beginning with "I gave 23582 4 him the letter" and ending with "Have his lawyers call 5 6 Eddie". 23583 MR. F. DOUCET: Yes. 7 8 23584 MR. WOLSON: That is paragraph 2 of 9 your notes. 23585 MR. F. DOUCET: Correct. 10 11 23586 MR. WOLSON: The next paragraph number three: 12 13 "Now on our friend B.M. I was 14 quite taken by your concern at 15 our house regarding an apparent statement that Brian made." 16 17 23587 That's you talking? 18 23588 MR. F. DOUCET: Correct. MR. WOLSON: 19 23589 20 "Since you had invited me to 21 tell B.M. everything, I did. 22 And Brian quite frankly could 23 not understand where you would 24 be of that impression." 25 23590 I am assuming you are talking about

StenoTran

some comments that Mr. Mulroney said at his discovery 1 in Québec regarding the lawsuit against the Government 2 of Canada? 3 MR. F. DOUCET: That's correct. 23591 4 5 23592 MR. WOLSON: You say: "Now on our friend B.M. I was 6 quite taken by your concern at 7 8 our house regarding an apparent statement that Brian made." 9 23593 But there is nothing -- and I'm 10 11 assuming you are talking about the 26th of December. 12 23594 MR. F. DOUCET: Correct, so am I. 13 23595 MR. WOLSON: There is nothing in your notes of the 26th of December about the discovery. I 14 have looked at your notes. There is nothing in there. 15 16 23596 MR. F. DOUCET: Correct. 17 23597 MR. WOLSON: Why not? MR. F. DOUCET: I don't have an 18 23598 19 answer for that. 20 23599 MR. WOLSON: But you remembered it on the 11th of January 2000, because you have raised it. 21 22 23600 MR. F. DOUCET: Correct. 23 23601 MR. WOLSON: As a matter of fact, not only have you raised it, you have gone and you have 24 gotten the text of the discovery. 25

1 23602 You say: 2 "Subsequently however, he went to the text of his discoveries 3 and found a section where you 4 5 may have misunderstood ... " 6 23603 And: "I have brought you that section 7 8 and I'm prepared to get you the 9 entire transcript if you'd like it. Fred..." 10 11 23604 MR. F. DOUCET: Correct. 12 23605 MR. WOLSON: If you'd like it; right? 13 23606 That's what it says? 14 23607 MR. F. DOUCET: Yes. 15 23608 MR. WOLSON: So obviously, then, you 16 have discussed matters before this meeting with Mr. Mulroney because you got a portion of the text of 17 18 the transcript from him. 19 23609 MR. F. DOUCET: That's correct. 20 23610 MR. WOLSON: What portion was that? 21 23611 MR. F. DOUCET: I think it had to do with a grammatical phrase "tournure de phrase" where 22 23 one could get an impression if a word was either said or implied versus it not being that way. 24 I'm not expressing myself very well. 25 23612

1 23613 MR. WOLSON: Well, let's put it to 2 the topic. Was the topic about Mr. Mulroney saying that he had no deals with Mr. -- or words to that 3 effect? 4 23614 What was it about? What was the 5 6 substance of the matter? 23615 MR. F. DOUCET: I have not reviewed 7 8 that part in preparing for this examination. 9 23616 MR. WOLSON: All right. You brought the section to him. You say you are prepared to get 10 11 the entire transcript. MR. F. DOUCET: Yes. 12 23617 13 23618 MR. WOLSON: And he says, according 14 to you: "Fred, I fully understand now 15 and I can see how Brian would 16 17 have been concerned when you 18 reported to him. O.K. Fred this 19 fully clears that up. I now 20 understand. So there's no 21 problem here anymore." 22 23619 MR. F. DOUCET: Correct. 23 23620 MR. WOLSON: You could, within an hour of those comments being uttered, 45 minutes of 24 25 those comments being uttered, you could record it

exactly as it was said? 1 2 MR. F. DOUCET: Well, I did the best 23621 I could. I'm not suggesting that these are exact words 3 out of his mouth. I wouldn't think that that would be 4 5 the case, but I tried to reflect the tempo and the temper of the conversation. 6 23622 MR. WOLSON: Let's go on to the 7 8 second part of the third paragraph. "Now K.S..." 9 23623 You are talking, obviously. 10 11 23624 MR. F. DOUCET: Yes. 12 23625 MR. WOLSON: 13 "... let us imagine that what 14 you had in mind when you called 15 me to set up the Mirabel meeting..." 16 17 23626 That's what you start off with? 18 23627 MR. F. DOUCET: Correct. 19 23628 MR. WOLSON: You are trying to get 20 him to give you information, obviously; right? 21 23629 You want him to tell you what he had 22 in mind when he called you to arrange the Mirabel 23 meeting? MR. F. DOUCET: I don't take it that 24 23630 25 way.

23631 MR. WOLSON: 1 "... let us imagine that what 2 3 you had in mind when you called me to set up the Mirabel 4 meeting..." 5 6 23632 Is that not what you would take from 7 that statement --8 23633 MR. F. DOUCET: No. 9 23634 MR. WOLSON: -- that you wanted him to tell you what his mindset was? 10 11 23635 Is that not -- am I wrong? 12 23636 MR. F. DOUCET: My interpretation of 13 it would be different than that. 14 23637 MR. WOLSON: What is your interpretation of that? 15 16 23638 MR. F. DOUCET: My interpretation is that I meant to say, as an introductory phrase, 17 18 sentence: Let us contemplate what you had in mind and 19 then we will get on to what follows. 20 23639 MR. WOLSON: You are asking him what is in his mindset, are you not? 21 22 23640 MR. F. DOUCET: Yes. I guess in a 23 way I'm trying to tell him to focus on what was discussed. 24 MR. WOLSON: Okay. You are asking 25 23641

1 him to focus. Focus is good. 2 23642 Let's go on. 3 "Now K.S. let us imagine that what you had in mind when you 4 5 called me to set up the Mirabel meeting etc. regarding M.B.'s 6 consultancy internationally 7 8 comes out during your discoveries." 9 23643 MR. F. DOUCET: Correct. 10 11 23644 MR. WOLSON: It seems to me you are 12 not asking him to focus. You are telling him the 13 answer. MR. F. DOUCET: Well, I don't take it 14 23645 15 that way. I fully expect that he would know what had been discussed because he had told me what was being 16 17 planned for the discussion at that meeting. I simply 18 wanted him to recall that. 19 23646 MR. WOLSON: You are not putting 20 words in his mouth, in your opinion? 21 23647 MR. F. DOUCET: Certainly it was not 22 my intent. 23 23648 MR. WOLSON: 24 "... let us imagine that what 25 you had in mind when you called

1 me to set up the Mirabel meeting 2 etc. regarding M.B.'s 3 consultancy internationally comes out during your 4 5 discoveries. May I presume you will disclose the same as I 6 understood the consultancy to 7 8 be. The occasion of Elmer's 9 luncheon party was to propose to 10 M.B. that you would want him to 11 keep an a watching brief world 12 wide over a three year horizon 13 and to report periodically on 14 possible opportunities for your 15 companies and that for that 16 service you were prepared to pay 17 a fee and expenses." 18 23649 MR. F. DOUCET: Correct. 19 23650 MR. WOLSON: You are telling him what 20 the deal was, aren't you? 21 23651 MR. F. DOUCET: I would not interpret 22 it that way. What I would interpret is I'm asking him to focus on the discussions in Mirabel and the 23 manifestations of that as I witnessed it at the New 24 25 York meeting.

StenoTran

2284

1 23652 MR. WOLSON: As opposed to saying to him: Karlheinz, what was your deal? 2 23653 You don't say that. You tell him 3 what the deal was and then you ask him for his opinion. 4 MR. F. DOUCET: Well, I disagree with 23654 5 that. 6 23655 MR. WOLSON: Have I read it wrong? 7 8 23656 MR. F. DOUCET: No, you haven't read it wrong. I think you have interpreted it wrong. 9 23657 MR. WOLSON: "May I presume..." 10 11 23658 Third line: "... you will disclose the same 12 13 as I understood the consultancy to be. The occasion of Elmer's 14 luncheon party..." 15 I have read the rest of it. You are 16 23659 asking him what he is going to say at his discovery. 17 18 23660 MR. F. DOUCET: Correct. 19 23661 MR. WOLSON: What business is it of yours what the man is going to say? He is going to 20 take an oath, is he not? 21 22 23662 MR. F. DOUCET: Yes. 23 23663 MR. WOLSON: When you take an oath, you should be telling the truth, should you not? 24 25 23664 MR. F. DOUCET: Absolutely.

1 23665 MR. WOLSON: Why is it Fred Doucet's 2 business what someone else is going to say under oath? 23666 MR. F. DOUCET: Well, I quess I made 3 it my business because I was concerned that there would 4 5 be a straying away from what I had been told the consultancy was all about. 6 23667 I was trying to be helpful to the two 7 8 of them. That was my motive. 9 23668 MR. WOLSON: You weren't content to say to Schreiber: You know, just tell the truth at the 10 11 discovery. You don't say that in that paragraph. 12 23669 MR. F. DOUCET: Well, I certainly 13 wasn't implying that he should not tell the truth.

14 23670 MR. WOLSON: And you thought you had 15 an interest in what someone else is going to say under 16 oath. You took it upon yourself to ask him that 17 question.

18 23671 MR. F. DOUCET: Correct. 19 23672 MR. WOLSON: All right. 20 "May I presume you will disclose the same as I understood the 21 22 consultancy to be. The occasion 23 of Elmer's luncheon party was to propose to M.B. that you would 24 25 want him to keep an a watching

StenoTran

1 brief world wide over a three 2 year horizon and to report periodically on possible 3 opportunities for your companies 4 and that for that service you 5 6 were prepared to pay a fee and expenses." 7 8 23673 Right? 9 23674 MR. F. DOUCET: Correct. 10 23675 MR. WOLSON: 11 "Let me stop you there Fred." 12 23676 There's the interactive again. 13 23677 MR. F. DOUCET: Yes. MR. WOLSON: 14 23678 "Brian and I had discussed this 15 before particularly in the 16 context of ..." 17 18 23679 It says "place keeping". It should 19 be "peacekeeping". 20 23680 MR. F. DOUCET: It should be 21 "peacekeeping", yes. My handwriting again. 22 23681 MR. WOLSON: No, no, these things can 23 happen: "... in the context of 24 25 peacekeeping programs and also

1 dealing with the reunified 2 Germany. So, OK, K.S...." 3 23682 You say: "... you had a mandate which was 4 5 acceptable to M.B. Yes, that's right." 6 This is the interactive again. 7 23683 8 23684 MR. F. DOUCET: Yes. MR. WOLSON: "Now..." 9 23685 23686 You are asking: 10 11 "... if you are asked under oath 12 about the post-1993 period is 13 this what you're going to say." MR. F. DOUCET: Correct. 14 23687 15 23688 MR. WOLSON: Why is that your business? 16 17 23689 MR. F. DOUCET: I suppose it isn't my 18 business, but I took it upon myself to make it so. 19 23690 MR. WOLSON: Do you go around asking 20 people what they are going to say --21 23691 MR. F. DOUCET: No. 22 23692 MR. WOLSON: -- when they are sworn to tell the truth? 23 24 23693 MR. F. DOUCET: No. It's not a 25 practice of mine.

1 23694 MR. WOLSON: You have asked him this twice now in the space of one paragraph. 2 23695 MR. F. DOUCET: Correct. 3 MR. WOLSON: More interactive: 23696 4 "We'll(sic) Fred, I can't 5 6 perjure myself so I quess if asked that's what I would say." 7 8 23697 MR. F. DOUCET: Correct. MR. WOLSON: Not "that's what I will 9 23698 say": 10 11 "... I guess if asked that's 12 what I would say." 13 23699 MR. F. DOUCET: That's what I wrote. 14 23700 MR. WOLSON: Not too heartwarming. 15 MR. F. DOUCET: I'm sorry...? 23701 16 23702 MR. WOLSON: Not too heartwarming: "... I guess if asked that's 17 18 what I would say." MR. F. DOUCET: Well, I wrote down I 19 23703 20 believe what he told me. 21 23704 MR. WOLSON: Okay. Question by you, 22 more interactive: "What about the financial 23 24 arrangements? Well it could have been an advance or a 25

StenoTran

1 loan -- I don't really fully 2 recall but I guess it is only relevant in the context of my 3 taxes so let's wait a while 4 since I won't be discovered for 5 a long time..." 6 23705 And he says he may never be 7 8 discovered; right? 9 23706 MR. F. DOUCET: Correct. 10 23707 MR. WOLSON: Well, that's not true. 11 You knew that's not true. You know that it's not true 12 what he says: "... it could have been an 13 advance or a loan..." 14 You that was not truthful. You told 15 23708 16 me before you were there and it was payment for services and expenses. 17 18 23709 MR. F. DOUCET: I wrote down what he 19 told me, sir. 20 23710 MR. WOLSON: The man is telling you basically I don't know whether I'm going to treat it as 21 22 an advance or a loan. You didn't say to him: Well, 23 Karlheinz, just, you know, don't say that. We both know what it was for. 24 25 23711 You were there, sir. Mr. Doucet, you

2290

were at the hotel --1 2 23712 MR. F. DOUCET: Yes. 23713 3 MR. WOLSON: -- when the payment was handed over. 4 23714 MR. F. DOUCET: Correct. 5 6 23715 MR. WOLSON: You knew what the payment was for, at least what you were told at least. 7 MR. F. DOUCET: Correct. 8 23716 9 23717 MR. WOLSON: "Look Fred..." 10 At the top of page 2. 23718 11 23719 MR. F. DOUCET: Yes...? 12 23720 MR. WOLSON: 13 "... Brian is my friend. I will do nothing that will hurt him --14 15 you tell him.." MR. F. DOUCET: Correct. 16 23721 MR. WOLSON: 17 23722 "We can come back to this matter 18 19 later but we agree on the 20 mandate I gave him and he 21 accepted. O.K. Fred, there is 22 nothing like the truth do you 23 agree?" 24 23723 And you must say: "Absolutely." 25

23724 MR. F. DOUCET: Correct. 1 2 23725 MR. WOLSON: It wasn't the truth, though. That's the only problem. 3 23726 MR. F. DOUCET: As I say, I wrote 4 5 down exactly what he told me. 6 23727 MR. WOLSON: Wouldn't you say to the 7 man: Look it, the truth is great, that's what we all 8 want, but that's not what you're saying to me, Karlheinz. 9 You didn't say that? 10 23728 11 23729 MR. F. DOUCET: I didn't analyze his 12 statement obviously well enough, and I don't want to do 13 a retroactive analysis. So I stick to what I wrote. 14 23730 MR. WOLSON: 15 "... Fred, there is nothing like the truth do you agree?" 16 17 23731 Then you say: 18 "Absolutely." 19 23732 Your answer, please? 20 23733 MR. F. DOUCET: That is my answer. 23734 21 MR. WOLSON: Your answer is that you 22 have recorded it accurately? 23 23735 MR. F. DOUCET: I'm sorry...? 23736 24 MR. WOLSON: Your answer is that you 25 have recorded it accurately?

23737 MR. F. DOUCET: Yes. 1 2 23738 MR. WOLSON: I'm reading it 3 accurately? 23739 MR. F. DOUCET: Yes. 4 5 23740 MR. WOLSON: Okay. 6 23741 MR. F. DOUCET: Correct. I might 7 just comment, Mr. Wolson. 8 23742 MR. WOLSON: Sure, I would like your 9 comment. 23743 MR. F. DOUCET: And I guess maybe I'm 10 11 being retroactive now. 12 23744 But it strikes me, as I reread that 13 sentence, that that could have been a generic statement on his part, that there is nothing like the truth, do 14 you agree? And I of course agree. 15 16 23745 Not necessarily tied to the subject of that paragraph. But that's -- I'm just coming to 17 18 that view as I'm reading that. 19 --- Pause 23746 MR. WOLSON: When I said you knew 20 that the payment was not a loan, I'm going to refer you 21 22 back to Tab 43 of Book 1. 23 23747 MR. F. DOUCET: Yes. 24 23748 MR. WOLSON: Your notes memorializing the meeting at the Pierre Hotel. 25

23749	MR. F. DOUCET: Yes.
23750	MR. WOLSON: To put this in context,
you write these n	otes after watching The Fifth Estate
when you are conc	erned and you wanted to ensure that
you made a note t	o yourself regarding the meeting at
the Hotel Pierre	in New York.
23751	MR. F. DOUCET: Correct.
23752	MR. WOLSON: Yes.
23753	Just near the bottom portion:
	"At the end of the discussions
	K.S. handed over an envelope
	indicating that a payment for
	services and expenses were
	included."
23754	MR. F. DOUCET: Correct.
23755	MR. WOLSON: Not a loan.
23756	MR. F. DOUCET: Correct.
23757	MR. WOLSON: Not an advance
23758	MR. F. DOUCET: Correct.
23759	MR. WOLSON: I suppose potentially an
advance, but in a	ny event, a payment.
23760	MR. F. DOUCET: Yes.
23761	MR. WOLSON: For services and
expenses.	
23762	And the amazing part, going back to
	23750 you write these n when you are cond you made a note t the Hotel Pierre 23751 23752 23753 23755 23756 23756 23756 23757 23758 23759 advance, but in a 23760 23761 expenses.

2294

1 Tab 45, is that you are able to get this whole 2 interactive conversation down without having made one 3 single note at the time that these words were uttered. 23763 MR. F. DOUCET: Again I say these 4 items were discrete items, six of them, and I 5 reconstructed them in my memory after the meeting was 6 I wrote them with the intention of being as 7 over. 8 accurate as possible and I chose to use the interactive 9 approach, which was not unusual for me in my service to the government. 10 11 --- Pause 12 23764 MR. WOLSON: All right. Paragraph 4. 13 23765 MR. F. DOUCET: Yes...? 14 23766 MR. WOLSON: 15 "K.S. what the hell's happening 16 in Germany?" 17 23767 You start off that way. 18 23768 MR. F. DOUCET: Correct. MR. WOLSON: 19 23769 20 "All hell is breaking loose." 21 23770 He says to you; right? MR. F. DOUCET: I think I say that to 22 23771 23 him. MR. WOLSON: Oh, you say that to him. 24 23772 MR. F. DOUCET: I believe. 25 23773

1 23774 MR. WOLSON: 2 "... what the hell's happening in Germany? All hell is 3 breaking loose."..." 4 "You see, Fred..." 5 6 23775 He starts talking to you. There is this interactive again. 7 8 23776 MR. F. DOUCET: Yes. 9 23777 MR. WOLSON: "... the Bavarian Premier wants 10 11 to be Chancellor. I will see to 12 it he doesn't get it." 13 23778 Right? MR. F. DOUCET: Correct. 14 23779 MR. WOLSON: "I owe this to Strauss." 15 23780 16 23781 That's what he says; right? MR. F. DOUCET: That's what I wrote 17 23782 18 down. 19 23783 MR. WOLSON: Here is a man that is 20 going to affect German politics. He is going to see to it that the Bavarian Premier doesn't get to be 21 22 Chancellor. That's quite a feat of an ordinary human 23 being. 23784 MR. F. DOUCET: Quite an assertion. 24

25 23785 MR. WOLSON: Yes. It's a man that

wants to change history. That's what it sounds like, 1 doesn't it? 2 MR. F. DOUCET: Yes. 3 23786 23787 MR. WOLSON: He tells you that Kohl 4 5 is his friend. The Treasurer of the Party is his friend. That's what he tells you. 6 MR. F. DOUCET: 7 23788 8 "the Treasurer of the Party (Strauble) has ambitions..." 9 23789 MR. WOLSON: Oh, I'm sorry. He has 10 11 ambitions. Kohl is his friend. MR. F. DOUCET: That's what I --12 23790 13 that's what I took it to be. 14 23791 MR. WOLSON: No, he says: "The Treasurer is my friend..." 15 16 23792 MR. F. DOUCET: Yes. 17 23793 MR. WOLSON: "... Kohl is my friend." 18 23794 MR. F. DOUCET: Yes. I see that now. 19 23795 MR. WOLSON: So he has some pretty 20 high powered people everywhere, it seems. 23796 MR. F. DOUCET: It would appear. 21 22 23797 MR. WOLSON: Yes. And in effect he 23 tells you that in Canada he can do nothing without his counsel's approval: 24 "But in Germany I'm doing my own 25

StenoTran

1 thing..." 2 That's what he says; right? 23798 3 23799 MR. F. DOUCET: Correct. MR. WOLSON: The fifth paragraph. 4 23800 5 23801 MR. F. DOUCET: Can I make one 6 observation? MR. WOLSON: Sure, please. 7 23802 8 23803 MR. F. DOUCET: The last part of paragraph 4, may I read that part? 9 23804 MR. WOLSON: Absolutely. 10 11 23805 MR. F. DOUCET: 12 "My friends out there are happy 13 that after five years of silence 14 when Pelossi and company did all the talking and hurt me badly 15 16 that finally I'm now talking. 17 K.S. I need to walk you through 18 the pitfalls." 19 23806 That's me saying that. 20 23807 MR. WOLSON: So what you are saying to him is, you know, maybe you shouldn't be talking. 21 22 23808 MR. F. DOUCET: Yes. 23 23809 MR. WOLSON: Which is exactly what 24 you told us before.

23810 MR. F. DOUCET: To the media. To the

25

media that is, yes. 1 2 23811 MR. WOLSON: Yes. Good advice you 3 gave him. True? 23812 MR. F. DOUCET: I hope so. 4 MR. WOLSON: Yes. Then he talks in 5 23813 6 the fifth paragraph of discoveries on his lawsuit. 23814 MR. F. DOUCET: Yes. 7 8 23815 MR. WOLSON: That he is going to 9 discover: 10 "... Prost, her Boss, then 11 Thompson, then Rock. Then a 12 long list including Chretien." Right? 13 23816 14 23817 MR. F. DOUCET: Correct. MR. WOLSON: And then in the sixth 15 23818 16 paragraph: "You know Fred, the official 17 18 prosecution materials were lost 19 for a week when they arrived in 20 Canada. We think they were 21 intercepted by the RCMP. When 22 they were found the seal was 23 broken and a part was missing." 24 Sort of high-level intrigue. 23819 MR. F. DOUCET: Yes. 25 23820

StenoTran

1 23821 MR. WOLSON: 2 "They don't know we have the 3 missing part (we were able to obtain it) and it is that part 4 that will fully lay to rest the 5 Airbus case. Because all the 6 accounts one..." 7 8 23822 MR. F. DOUCET: I think --9 23823 MR. WOLSON: Yes, go ahead? 10 23824 MR. F. DOUCET: I think "one" is 11 "are", A-R-E. 12 23825 MR. WOLSON: Okay. 13 23826 MR. F. DOUCET: I can go back to my 14 written notes. MR. WOLSON: That's fine: 15 23827 "Because all the accounts are in 16 there and there is no reference 17 18 directly or indirectly to M.B." 19 23828 Brian Mulroney, right? 20 23829 MR. F. DOUCET: Correct. 21 23830 MR. WOLSON: 22 "After this comes out there is 23 no basis to continue the 24 investigation on Airbus. I tell 25 you again, Fred, ironically this

1 extradition hearing will serve 2 to kill Airbus in Canada..." 3 23831 That is what he says to you? MR. F. DOUCET: Correct. 23832 4 5 23833 MR. WOLSON: And at the end you write 6 down some conclusions. 23834 MR. F. DOUCET: Yes. 7 8 23835 MR. WOLSON: In bullet form; right? 9 23836 MR. F. DOUCET: Yes. 10 23837 MR. WOLSON: Although there is no 11 number, the first thing you say is: "He is hurting for money". 12 13 23838 MR. F. DOUCET: That was my 14 impression. 15 23839 MR. WOLSON: "He is getting paid for his 16 17 interviews (he let slip that he 18 had made \$40,000 in one 19 interview)". 20 23840 MR. F. DOUCET: Correct. 21 23841 MR. WOLSON: So I am assuming that he 22 is doing something that you thought he was doing. He 23 is talking. 23842 MR. F. DOUCET: Yes. 24 MR. WOLSON: What did he say he got 25 23843

2301

\$40,000 for? What interview and with whom? 1 2 23844 MR. F. DOUCET: I have a vaque 3 recollection that it was in Germany -- that it was a German newspaper, but I'm not 100 per cent sure of 4 5 that. 6 23845 MR. WOLSON: "He also mentioned taking a call 7 8 from Time magazine." 9 23846 MR. F. DOUCET: Correct. 23847 10 MR. WOLSON: He says. 11 --- Pause 12 23848 MR. WOLSON: It's just shy of -- it 13 is 11 o'clock. We have been at it for an hour and a half. 14 COMMISSIONER OLIPHANT: Are you going 15 23849 16 to be moving on to another document when we resume? 17 23850 MR. WOLSON: Yes. 18 23851 COMMISSIONER OLIPHANT: Because I 19 would like to ask a question, if you don't mind. 20 23852 Mr. Doucet, I want to have you look at paragraph number three under Tab 45, the document 21 22 that we have just been looking at. MR. F. DOUCET: Yes. 23 23853 COMMISSIONER OLIPHANT: The first 24 23854 sentence, and it's a little confusing here with your 25

1 interactive work. "Now on our friend B.M. I was 2 3 quite taken by your concern at our house regarding an apparent 4 5 statement that Brian made." 6 23855 Is that you speaking? 7 23856 MR. F. DOUCET: That's me speaking. 8 23857 COMMISSIONER OLIPHANT: That's you 9 speaking. So you were quite taken by a concern expressed by Mr. Schreiber at your house. 10 11 23858 MR. F. DOUCET: Correct. Correct. 12 23859 COMMISSIONER OLIPHANT: Is there any 13 reference to that in your notes from December the 26th? 14 23860 MR. F. DOUCET: No, I don't think so. 15 23861 COMMISSIONER OLIPHANT: I thought you 16 said that you noted everything that was important and here you are talking about something that you were 17 18 quite taken by and yet you didn't write anything down. 19 23862 MR. F. DOUCET: Yes, that's correct. 20 23863 COMMISSIONER OLIPHANT: What was the 21 concern?

22 23864 MR. F. DOUCET: Well, the concern was 23 that he had an interpretation of a document that was 24 conveying to him that Mr. Mulroney was doing something 25 untoward towards him.

StenoTran

23865 COMMISSIONER OLIPHANT: Why would you 1 not have noted that on December 26th? 2 MR. F. DOUCET: Very good question. 3 23866 I don't know. 4 23867 5 COMMISSIONER OLIPHANT: Do you have a qood answer? 6 23868 MR. F. DOUCET: I don't have a good 7 8 answer. COMMISSIONER OLIPHANT: Okay. 23869 9 23870 We will come back in 15 minutes. 10 11 23871 MR. WOLSON: Just one question so 12 that I could move on when we are back. 13 23872 How is it that you remember that now? 14 23873 MR. F. DOUCET: I'm sorry...? MR. WOLSON: How is it that you 15 23874 remember that now? 16 MR. F. DOUCET: That I had not asked? 17 23875 MR. WOLSON: No. How is it that you 18 23876 19 remember this area today? 23877 MR. F. DOUCET: Well, I remember it 20 from my notes of the following meeting. 21 22 23878 MR. WOLSON: So you remember it 23 because your notes are an aid to your memory? 24 23879 MR. F. DOUCET: Correct. 25 23880 MR. WOLSON: Okay. Thank you.

StenoTran

2304

1 23881 COMMISSIONER OLIPHANT: 11:15. --- Upon recessing at 11:00 a.m. / Suspension à 11 h 00 2 3 --- Upon resuming at 11:20 a.m. / Reprise à 11 h 20 COMMISSIONER OLIPHANT: Be seated, 23882 4 5 please. 6 23883 Mr. Wolson...? MR. WOLSON: Mr. Doucet, I have a few 7 23884 8 more questions on Tab 45, if you will, please. 9 23885 Tab 45, which is the January 11, 2000 meeting that you had with Mr. Schreiber, under point 2 10 11 of your notes "Luc" you say: 12 "I gave him letter." 13 23886 What does that mean? 23887 MR. F. DOUCET: I had a letter of 14 apology written by Luc and that's the letter I'm 15 16 referring to. 17 23888 MR. WOLSON: Was that through 18 Mr. Mulroney or -- yes? 19 23889 MR. F. DOUCET: I believe it was. 23890 MR. WOLSON: Okay. So obviously in 20 advance of this meeting you had been talking to 21 22 Mr. Mulroney, telling him based on the previous meeting 23 that Lavoie was a major consideration for Mr. Schreiber? 24 25 23891 MR. F. DOUCET: Correct.

1 23892 MR. WOLSON: And other conversations 2 that you had with him, Mr. Mulroney, that you were 3 going to be meeting with Schreiber, and I take it you would have asked him if there was anything Mr. Mulroney 4 would have wanted asked? 5 6 23893 MR. F. DOUCET: I'm sorry, you lost 7 me in the question. 8 23894 MR. WOLSON: All right. I apologize. 9 23895 I'm assuming that in your discussions with Mr. Mulroney --10 11 23896 MR. F. DOUCET: Yes...? 12 23897 MR. WOLSON: -- you would have asked 13 him in advance of the 11th of January if there were any areas Mr. Mulroney would want covered. 14 15 Would that be something that would 23898 have occurred? 16 MR. F. DOUCET: I don't recall that 17 23899 18 in particular, no. 19 23900 MR. WOLSON: Okay. I want to ask 20 you, when you are asking him, in the third point, the second paragraph that we have gone over fairly 21 22 exhaustively --MR. F. DOUCET: Yes...? 23 23901 MR. WOLSON: -- I want to ask you two 24 23902

StenoTran

25

questions.

1 23903 You are obviously asking him what he 2 is going to say at his discovery because it concerned -- you were obviously of concern that it 3 would be matters touching on Mr. Mulroney. Obviously. 4 MR. F. DOUCET: Correct. 5 23904 6 23905 MR. WOLSON: Had you discussed that 7 with Mr. Mulroney? 8 23906 MR. F. DOUCET: I probably had. 9 23907 MR. WOLSON: All right. 10 23908 Then secondly, if you just look at 11 "The occasion" -- it's four lines down. MR. F. DOUCET: Yes. 12 23909 13 23910 MR. WOLSON: "The occasion of Elmer's 14 15 luncheon party was to propose to M.B. that you would want him to 16 17 keep a watching brief world wide 18 over a three year horizon and to 19 report periodically on possible 20 opportunities for your companies..." 21 22 23911 Do you see that? 23 23912 MR. F. DOUCET: Yes, I do. MR. WOLSON: 24 23913 "... and that for that service 25

1 you were prepared to pay a fee and expenses." 2 3 23914 MR. F. DOUCET: Correct. 23915 MR. WOLSON: A couple of things arise 4 out of that. 5 "The occasion of Elmer's 6 luncheon party..." 7 8 23916 Which is the Pierre Hotel --9 23917 MR. F. DOUCET: Correct. MR. WOLSON: -- 8 December 1994; 23918 10 11 right? 12 23919 MR. F. DOUCET: Correct. 13 23920 MR. WOLSON: Were they talking then about a three-year consultancy going forward from the 14 Pierre, because that's what it reads? 15 MR. F. DOUCET: I believe so. 16 23921 17 23922 MR. WOLSON: Okay. And then 18 secondly, you don't mention anywhere in there about 19 Bear Head. 20 23923 MR. F. DOUCET: Again, this was explicit -- implicit, rather, for me right through the 21 22 piece. 23 23924 MR. WOLSON: About that you are sure? 24 23925 MR. F. DOUCET: Absolutely sure. MR. WOLSON: Then we will move on to 25 23926

1 Tab 46, please.

2 MR. F. DOUCET: Yes, I'm there. 23927 MR. WOLSON: You have another meeting 3 23928 with Mr. Schreiber on February 4, 2000. 4 23929 5 MR. F. DOUCET: Correct. 6 23930 MR. WOLSON: Had you met with him between the 11th of January and the 4th of February? 7 MR. F. DOUCET: I have no 8 23931 recollection of that. 9 23932 MR. WOLSON: Between the Royal York 10 11 Hotel meeting that we have just talked about and the mandate meeting? 12 13 23933 MR. F. DOUCET: I have no recollection. 14 MR. WOLSON: When I refer to the 15 23934 16 mandate meeting, you understand what I mean? MR. F. DOUCET: Correct. 17 23935 18 23936 MR. WOLSON: Did you raise with 19 Mr. Schreiber at the January the 11th meeting that you would like to memorialize their relationship, their 20 business relationship, Schreiber's and Mulroney's? 21 22 23937 MR. F. DOUCET: Not explicitly, no. MR. WOLSON: How did the mandate 23 23938 meeting come about? 24 MR. F. DOUCET: Of my own making. 25 23939

StenoTran

1 23940 MR. WOLSON: Had you discussed it with Mr. Mulroney? 2 MR. F. DOUCET: Yes. Indeed, after I 3 23941 wrote the mandate that is Tab 46, I read it to 4 Mr. Mulroney before I met with Mr. Schreiber. 5 6 23942 MR. WOLSON: When did you do that? 23943 MR. F. DOUCET: I don't recall 7 8 exactly when, but it was certainly between the Royal York meeting and the meeting of February the 4th. 9 23944 MR. WOLSON: Did you discuss with 10 11 Mr. Mulroney what the mandate was? MR. F. DOUCET: What the mandate was? 12 23945 13 23946 MR. WOLSON: Yes. MR. F. DOUCET: Well, I wrote what I 14 23947 15 thought the mandate was pursuant to what I had been 16 told it was in my discussions with Mr. Schreiber in the lead-up to the Mirabel meeting and also my discussions 17 18 with Mr. Mulroney, and I wrote what I thought was the essence of the mandate. And I attempted to do it in a 19 succinct way so as to memorialize it. And I read it, 20 after I wrote it, to Mr. Mulroney. 21 22 23948 MR. WOLSON: So what you did, then, 23 was you had talked to both of them --23949 MR. F. DOUCET: Yes. 24 MR. WOLSON: -- Schreiber and 25 23950

StenoTran

1 Mulroney.

2 MR. F. DOUCET: Yes. 23951 23952 MR. WOLSON: You had been at the 3 third meeting, the Pierre Hotel? 4 23953 MR. F. DOUCET: Correct. 5 6 23954 MR. WOLSON: You had observed that 7 meeting? 8 23955 MR. F. DOUCET: Correct. 9 23956 MR. WOLSON: You had talked to Schreiber at least twice, on the 26th of December '99 10 11 and on the 11th of January of 2000? 12 23957 MR. F. DOUCET: Correct. 13 23958 MR. WOLSON: And you put all of that 14 together and you memorialized your understanding of the 15 mandate? MR. F. DOUCET: Yes. I don't think 16 23959 that the Boxing Day meeting contributed much to what I 17 18 had there. The things that contributed, as I recall, 19 as far as my knowledge of what the mandate was, was the 20 discussions with Mr. Schreiber pre-Mirabel meeting and the manifestations of the mandate as a result of the 21 22 report Mr. Mulroney gave at the Pierre meeting. 23 23960 MR. WOLSON: Why did you think a 24 mandate was necessary? MR. F. DOUCET: Well, again --25 23961

23962 MR. WOLSON: A written mandate. 1 2 MR. F. DOUCET: Yes. I felt that 23963 what was unfurling in the media, particularly The Fifth 3 Estate, that some kind of fishing expedition was on and 4 5 when I found out through Mr. Mulroney that there had not been a written mandate, I took it upon myself to 6 write it as best I could express it from knowledge. 7 8 And I suggested to him that it should be memorialized. 9 23964 And I did the same thing, of course, when I met with Mr. Schreiber on February the 4th. 10 11 23965 MR. WOLSON: What business of it was 12 yours? 13 23966 MR. F. DOUCET: I'm sorry...? 14 23967 MR. WOLSON: What business of it was 15 yours? 16 23968 MR. F. DOUCET: No other than, as I said before, Mr. Schreiber had been a valued client, 17 18 Mr. Mulroney was a lifelong friend, and I feared that 19 trouble was brewing. And I thought that they should have some kind of a document to memorialize what their 20 work relationship had been. 21 22 23969 MR. WOLSON: There is no question, I 23 take it, that as between the two your real friendship was Brian Mulroney? 24

25 23970 MR. F. DOUCET: My real friendship

StenoTran

2312

certainly -- with Mr. Mulroney exceeded my friendship 1 with Mr. Schreiber. This had been a lifelong 2 3 friendship. 23971 MR. WOLSON: And you would advocate 4 5 for your friend Mr. Mulroney without question. He is and has been an important part of your life? 6 MR. F. DOUCET: I would advocate, but 7 23972 8 I would advocate truthfully. 9 23973 MR. WOLSON: All right. I'm glad you said that because I expect that what you are telling us 10 11 is the truth. 12 23974 MR. F. DOUCET: Absolutely. 13 23975 MR. WOLSON: All right. 23976 Now, what you told me when I 14 interviewed you -- and I just want to run this by you. 15 16 I will read it to you. You can have it in front of you if you would like. 17 18 23977 MR. F. DOUCET: It's okay. 19 23978 MR. WOLSON: I will read this to you. 20 23979 Page 219. Let's go back to 218. MR. F. DOUCET: Okay, I am there. 21 23980 22 23981 MR. WOLSON: Page 218, line 6. 23 23982 MR. F. DOUCET: Yes...? MR. WOLSON: I asked you if you had 24 23983 25 discussed the issue of the mandate -- I'm going to line

3. I asked you if you had discussed the issue of the 1 mandate with Mr. Mulroney. 2 3 23984 Do you see that? 23985 MR. F. DOUCET: Yes. 4 MR. WOLSON: And you indicate the 5 23986 6 following: "I had asked him if in fact 7 8 there had been such a document. 9 He had told me 'no', and I told him that it was my advice as a 10 11 friend that there ought to be something. Even if there wasn't 12 13 at the time, it ought to be somehow memorialized ---" 14 15 MR. F. DOUCET: Correct. 23987 16 23988 MR. WOLSON: That is a correct 17 statement? 18 23989 MR. F. DOUCET: That is a correct 19 statement. 20 23990 MR. WOLSON: Line 13: "--- so that there would be 21 22 something that the parties would 23 agree to that could be put in storage, and if ever needed, it 24 would be there." 25

2314

1	23991		MR.	F. DOUCET: Correct.
2	23992		MR.	WOLSON: Line 18:
3				"And Mr. Mulroney thought that
4				was a good idea."
5	23993		MR.	F. DOUCET: Correct.
6	23994		MR.	WOLSON: Line 21:
7				"I raised it with Mr. Schreiber
8				at one or two of those previous
9				meetings."
10	23995		MR.	F. DOUCET: Correct.
11	23996		MR.	WOLSON: And then you(sic) say,
12	at pa	age 219, line	2:	
13				" or the one at the Royal
14				York?"
15	23997		MR.	F. DOUCET: Correct.
16	23998		MR.	WOLSON: Page 219, line 9:
17				"And I indicated to him at that
18				time what my sense of the
19				mandate was, picking up from
20				particularly the meeting in New
21				York, that it was as the mandate
22				here indicates to provide a
23				watching brief, to develop
24				economic opportunities for car
25				companies being"

1 23999 MR. F. DOUCET: Mr. Wolson, I think 2 that is a misprint. I think it's "for your companies", 3 being Schreiber's companies. 24000 MR. WOLSON: All right. Instead of 4 "car": 5 "... your companies being 6 Schreiber's companies, including 7 8 travel abroad, et cetera, as you 9 have before you. And that's how this document 10 11 came to be prepared." 12 24001 And then you say this at line 23: 13 "I sensed that there was a lot of ambiguity about what the 14 15 assignment was, a lot of innuendo and as far as some 16 17 media were concerned, they appeared to be on a fishing trip 18 19 that would lead to no good." 20 24002 That's a true statement? 21 24003 MR. F. DOUCET: Correct. 22 24004 MR. WOLSON: What was the ambiguity? MR. F. DOUCET: Well, I think as I 23 24005 saw it, the ambiguity was what in fact the relationship 24 25 had been. What was Mr. Mulroney doing for

1 Mr. Schreiber?

2 24006 MR. WOLSON: This was in 1999. 3 24007 MR. F. DOUCET: I'm sorry...? MR. WOLSON: This was in late '99, 4 24008 5 early 2000. 6 24009 MR. F. DOUCET: Correct. 24010 MR. WOLSON: Mr. Schreiber had not 7 8 stated publicly anything about the matter publicly, at least in the media. 9 24011 MR. F. DOUCET: Not that I recall. 10 11 24012 MR. WOLSON: Mr. Mulroney had not 12 gone public about the relationship with Schreiber. As 13 a matter of fact, in 1996 at his discovery he indicated he had no dealings with Schreiber. 14 MR. F. DOUCET: I haven't reviewed 15 24013 those documents. 16 17 24014 MR. WOLSON: Let me ask you this, 18 then: Where was the ambiguity? 19 24015 MR. F. DOUCET: Well, the ambiguity as far as I was concerned came out in what was in The 20 Fifth Estate discussions, as I saw it at least. 21 22 24016 MR. WOLSON: They had talked in '99, 23 The Fifth Estate, about a Britan account. 24017 MR. F. DOUCET: Yes. 24 25 MR. WOLSON: As a matter of fact, we 24018

StenoTran

can qo to that. It is at Tab 42. 1 2 24019 I think what you are referring to is 3 the seventh page of Tab 42. MR. F. DOUCET: Is this in Book --24020 4 5 24021 MR. WOLSON: Book 1. 6 24022 MR. F. DOUCET: Tab...? MR. WOLSON: Tab 42, if you would, 24023 7 8 please, Mr. Doucet. 9 24024 MR. F. DOUCET: Yes, I'm there. 24025 MR. WOLSON: And if you turn to the 10 11 seventh page -- it should be marked on top. MR. F. DOUCET: Yes. 12 24026 13 24027 MR. WOLSON: Are you referring to this part of the Fifth Estate show? And that Fifth 14 Estate show was October 20, '99. We have looked at it 15 16 before. 24028 The second paragraph: 17 18 "July 26th Schreiber transferred 19 \$500,000..." 20 24029 MR. F. DOUCET: I'm sorry, I'm not 21 with you. 22 24030 MR. WOLSON: Page 7, the second 23 paragraph from the top. MR. F. DOUCET: Starting "June 13, 24 24031 1993"? 25

StenoTran

24032 MR. WOLSON: Yes. 1 2 24033 MR. F. DOUCET: Yes. 24034 MR. WOLSON: If you just look in 3 three lines down: 4 "July 26th Schreiber 5 transferred..." 6 MR. F. DOUCET: Yes. 7 24035 8 24036 MR. WOLSON: "... \$500,000 from that 9 Frankfurt sub-account..." 10 11 24037 MR. F. DOUCET: Correct. MR. WOLSON: 12 24038 13 "... into a new Canadian dollar sub-account, with the number..." 14 And there is a number there. 15 24039 MR. F. DOUCET: Yes. 16 24040 MR. WOLSON: 17 24041 "... and the code-name 18 'Britan.'" 19 20 24042 MR. F. DOUCET: Yes. 21 24043 MR. WOLSON: 22 "The next day someone withdrew 23 more than \$100,000 in cash. Then there was another \$100,000 24 cash withdrawal three months 25

1 later, and the following year, 2 another \$100,000, in cash." 24044 MR. F. DOUCET: Correct. 3 24045 MR. WOLSON: Is that what you were 4 referring to, the story that was brewing? 5 6 24046 MR. F. DOUCET: Well, certainly that would be at the heart of it. 7 8 24047 MR. WOLSON: And then you will see in 9 the next paragraph that Schreiber wouldn't talk about who the Britan account was. 10 11 "Have you anything at all to say about the 'Britan' account? 12 13 Anything at all to say about 14 this 'Britan' account, Mr. 15 Schreiber? Can you tell us why 16 you had code-named accounts 17 naming Canadians, Mr. Schreiber? 18 You don't want to speak to us?" 19 24048 MR. F. DOUCET: Correct. 20 24049 MR. WOLSON: So he's not talking. 21 24050 MR. F. DOUCET: No. 22 24051 MR. WOLSON: But your concern is he 23 is talking behind the scenes. 24 24052 MR. F. DOUCET: Yes. 25 24053 MR. WOLSON: So is that the ambiguity

that you thought was out there? Is that what you mean by that? MR. F. DOUCET: Certainly that was at the heart of it. MR. WOLSON: Okay. Then if you would go back to Tab 46, if you would turn that up, please. MR. F. DOUCET: Tab 46 of ...? MR. WOLSON: Same book. The same book you were in before. MR. F. DOUCET: Yes. MR. WOLSON: Book 1. MR. F. DOUCET: Yes, I'm there. MR. WOLSON: There are four documents which are contained in Tab 46. The first document is a blank, what I will refer to as a blank document with just some typing on it. MR. F. DOUCET: Correct. MR. WOLSON: That's typing that you created or had created. MR. F. DOUCET: Correct. MR. WOLSON: And it was to represent the mandate as between the two parties? MR. F. DOUCET: Correct. MR. WOLSON: The second document is a document that has writing on it.

2321

24068 MR. F. DOUCET: Correct. 1 2 24069 MR. WOLSON: And I'm assuming that you had written on there the date "Feb 4/00"? 3 24070 MR. F. DOUCET: Yes, that's my 4 5 handwriting. MR. WOLSON: "93/94, 94/95, 95/96", 6 24071 top right hand corner. 7 8 24072 MR. F. DOUCET: That's my handwriting. 9 24073 MR. WOLSON: And that refers to the 10 11 years that the mandate was to cover? Or what does it refer to? 12 13 24074 MR. F. DOUCET: I do believe that's what it -- that's what it is there for. 14 24075 MR. WOLSON: Then you have 15 underneath: 16 "To provide a watching brief to 17 18 develop economic opportunities 19 for our country(sic)..." 20 24076 MR. F. DOUCET: For our -- sorry, "for our companies". 21 22 24077 MR. WOLSON: You're right, I misread. 23 "... for our companies..." 24078 24 And then you have underneath A, B and C noted. Is that your writing? 25

MR. F. DOUCET: I believe so. MR. WOLSON: And A, B, C, were to represent the companies that were part of the mandate on behalf of Mr. Schreiber? MR. F. DOUCET: If indeed there were A, B, C's or it could be --MR. WOLSON: Well, they must have told you, otherwise you wouldn't have put it in. MR. F. DOUCET: Yes. You will notice from the previous page it is a blank. MR. WOLSON: Yes. MR. F. DOUCET: Here I am presumably going over the mandate with him --MR. WOLSON: I understand. MR. F. DOUCET: Okay. MR. WOLSON: And he must have told you there were three mandating companies. MR. F. DOUCET: Well --MR. WOLSON: Why else would you put an A, B, C? MR. F. DOUCET: Yes. MR. WOLSON: Is that right? MR. F. DOUCET: I'm not sure if that's right. MR. WOLSON: Okay.

24095 MR. F. DOUCET: I'm not --1 2 24096 MR. WOLSON: All right. MR. F. DOUCET: I'm not sure that the 3 24097 A, B and C refers -- I think the A, B and C were put 4 there by me as I was exposing the mandate to him, and I 5 would have started reading this and say of our 6 companies "A", "B" and "C" and I probably wrote A, B 7 8 and C in there, without knowing if ultimately what he was then going to tell me would be one, two, three, 9 four companies, whatever. 10 11 24098 MR. WOLSON: All right. Then let's 12 leave out the amount for the moment. 13 24099 MR. F. DOUCET: Yes. 14 24100 MR. WOLSON: Then there is the word 15 "Bayerische". 16 24101 MR. F. DOUCET: Yes. 17 24102 MR. WOLSON: I think it's pronounced 18 "Bayerische or whatever other companies I name". 19 24103 Whose handwriting is that? 20 24104 MR. F. DOUCET: That's my handwriting. 21 22 24105 MR. WOLSON: And below that is 23 "Bayerische Bitumen Chemie". 24 24106 MR. F. DOUCET: That is

25 Mr. Schreiber's handwriting.

1 24107 MR. WOLSON: And then to the right of "Chemie" is a larger "Chemie". 2 3 24108 MR. F. DOUCET: Correct. 24109 MR. WOLSON: Whose writing is that? 4 MR. F. DOUCET: 5 24110 That is Mr. Schreiber's handwriting. 6 MR. WOLSON: Likely because you 7 24111 8 couldn't read "Chemie" as he wrote it? MR. F. DOUCET: I couldn't -- I had 9 24112 difficulty understanding the German "Bayerische" in the 10 11 first place, but certainly in the case of "Chemie" I couldn't make out what it was. So I asked him if he 12 13 would write down what he had just told me and he did. 14 24113 MR. WOLSON: For the record, "Bayerische" is B-A-Y-E-R-I-S-C-H-E. "Bitumen" is 15 B-I-T-U-M-E-N and "Chemie" is C-H-E-M-I-E. 16 17 24114 Below that is "Kautering"? 18 24115 MR. F. DOUCET: Yes. 19 24116 MR. WOLSON: Whose handwriting? 20 24117 MR. F. DOUCET: That's his, Mr. Schreiber's handwriting. 21 22 24118 MR. WOLSON: And that is the name of 23 a -- you are familiar with Kautering. That is the area of Germany where Schreiber comes from. 24 MR. F. DOUCET: I don't think I was 25 24119

StenoTran

1 at the time.

2 24120 MR. WOLSON: Had you ever been there, to Schreiber's? 3 MR. F. DOUCET: I had never been 24121 4 5 there. 6 24122 MR. WOLSON: Okay. 24123 And below that is "Bitucan Calgary". 7 8 24124 MR. F. DOUCET: That is Mr. Schreiber's handwriting. 9 24125 MR. WOLSON: And there is a star 10 11 beside Bayerische and beside Bitucan. 12 24126 MR. F. DOUCET: Correct. 13 24127 MR. WOLSON: Who did that? 14 24128 MR. F. DOUCET: I did that. 15 MR. WOLSON: Why? 24129 16 24130 MR. F. DOUCET: Because ultimately he told me that the mandating companies were Bayerische, 17 18 if I'm pronouncing it right, and Bitucan Calgary and 19 any other company that may be appropriate. 20 24131 MR. WOLSON: Okay. When did he put those markings Bayerische, Bitumen Chemie, Kautering 21 22 and Bitucan Calgary? When did he put those on the document? 23 24 24132 MR. F. DOUCET: At the meeting. 25 MR. WOLSON: Is that how they got 24133

StenoTran

2326

there, by him putting them there in your presence? 1 24134 2 MR. F. DOUCET: Absolutely. 24135 3 MR. WOLSON: So when he says that when he left he had just the blank document, that's not 4 5 so? 6 24136 MR. F. DOUCET: I'm not saying that. He may have left with the blank document because I had 7 8 a document and I gave him one. These would have been the blank documents. 9 24137 MR. WOLSON: So what you are saying 10 11 is, so we get it on the record, the first page of Tab 46 is the blank document. 12 13 24138 MR. F. DOUCET: Correct. 24139 MR. WOLSON: And that's what you are 14 referring to, as that he had one and you had one? 15 16 24140 MR. F. DOUCET: Correct. 17 24141 MR. WOLSON: Then there was a third 18 one. 19 24142 MR. F. DOUCET: No. 20 24143 MR. WOLSON: All right. So your document was written on? 21 22 24144 MR. F. DOUCET: Correct. 23 24145 MR. WOLSON: He may have taken the blank document away with him, which is the first 24 document in the package. 25

MR. F. DOUCET: I don't doubt that he did, because I didn't make a copy of it at the meeting. MR. WOLSON: Okay. So the second document with the writing on it --MR. F. DOUCET: Yes...? MR. WOLSON: -- that occurred where? MR. F. DOUCET: At our meeting. MR. WOLSON: Where was the meeting? MR. F. DOUCET: In our boardroom. MR. WOLSON: Of your office? MR. F. DOUCET: Well, kitty corner to my office, yes. MR. WOLSON: All right. In a boardroom you had access to? MR. F. DOUCET: Absolutely. MR. WOLSON: And that document that we are looking at now, the second in the package, is a document that was made in your presence, in Schreiber's presence, in your boardroom? MR. F. DOUCET: Absolutely. MR. WOLSON: There is not one iota doubt? MR. F. DOUCET: Not one iota of a doubt. MR. WOLSON: Okay. And continuing on

at the bottom of the document on the left-hand side, 1 the initials "B.M." 2 MR. F. DOUCET: That's I think my 3 24162 handwriting. 4 24163 MR. WOLSON: And then there is an 5 arrow pointing to it from "F.D.C.I.". 6 24164 MR. F. DOUCET: Well, I'm not sure if 7 8 it's pointing from it, but I see the arrow. 9 24165 MR. WOLSON: Pointing to it, from "F.D.C.I." to the initials "B.M." 10 11 24166 MR. F. DOUCET: Correct. I see that. 12 24167 MR. WOLSON: Whose writing is 13 "F.D.C.I." 14 24168 MR. F. DOUCET: That's my 15 handwriting. MR. WOLSON: And then to the right 16 24169 there is an initial. I don't know what -- the second 17 18 letter is "h". Is the first letter supposed to be a "K"? 19 MR. F. DOUCET: I'm not sure. I 20 24170 think it's my -- if it's my handwriting, I think that's 21 22 a "T". MR. WOLSON: "Th" --23 24171 MR. F. DOUCET: I think. 24 24172

25 24173 MR. WOLSON: -- Thyssen.

StenoTran

1 24174 MR. F. DOUCET: I don't know. MR. WOLSON: "Th" for Thyssen? 2 24175 24176 MR. F. DOUCET: It could be or it 3 struck me when I was reviewing this that it could 4 have -- that I was maybe going to write "Th" to the 5 "The" which is the first word of item 3. 6 24177 I don't know. 7 8 24178 MR. WOLSON: Okay. We'll get to the items now then. 9 MR. F. DOUCET: Okay. 24179 10 11 24180 MR. WOLSON: So "B.M." was to 12 represent Brian Mulroney? 13 24181 MR. F. DOUCET: Yes, I'm sure. MR. WOLSON: "F.D.C.I." is your 14 24182 15 company? 16 24183 MR. F. DOUCET: My company. MR. WOLSON: Fred Doucet Consulting 17 24184 18 Inc.? 19 24185 MR. F. DOUCET: Correct. 20 24186 MR. WOLSON: Where is Schreiber's initial? 21 22 24187 MR. F. DOUCET: Those are not intended to be initials. 23 24188 MR. WOLSON: What are they intended 24

StenoTran

to be?

25

1 24189 MR. F. DOUCET: I have no idea. They 2 are --MR. WOLSON: You made the document. 3 24190 MR. F. DOUCET: Yes. 4 24191 5 24192 MR. WOLSON: All right. You don't 6 know why you did that? 24193 MR. F. DOUCET: I don't know why I 7 8 did that. 9 24194 I do know that it was not my intention to get any signatures on this. There were no 10 11 blanks for signatures. There were blanks for the other 12 important items. It was not intended to be a legal 13 document, purely a memorialization of an event. 24195 14 MR. WOLSON: You know that 15 Schreiber's view is that he refused to sign. Is it 16 your evidence that you never asked him to sign? MR. F. DOUCET: I never asked him to 17 24196 18 sign. 19 24197 MR. WOLSON: And his evidence is that 20 the markings on the document weren't there when he left your office. 21 22 24198 MR. F. DOUCET: That is false. 23 24199 MR. WOLSON: All right. I am putting his evidence to you because you should know that. 24 25 24200 MR. F. DOUCET: Absolutely.

StenoTran

MR. WOLSON: All right. On the right-hand side, near the bottom, there are three points, 1, 2 and 3. Whose writing is that? MR. F. DOUCET: That is my handwriting. MR. WOLSON: Under No. 1, "The mandate is accurate"? MR. F. DOUCET: Yes. MR. WOLSON: No. 2, "The two companies were Bayerische and Bitucan Calgary and any other companies that may be appropriate." MR. F. DOUCET: Correct. MR. WOLSON: No. 3, "The amount paid over the 3 years was \$250,000." MR. F. DOUCET: Correct. MR. WOLSON: And beside that are the initials -- something "H", whether it's a "T" -- it would be an awfully weak "K", I would think. You think it's a "T". MR. F. DOUCET: I believe so. MR. WOLSON: And you think that the "TH" may refer to, after the number 3, the word "The". MR. F. DOUCET: I really don't know for sure. MR. WOLSON: All right. I want to go

2332

```
now to the document itself, the writing on it.
1
 2
    24215
                           MR. F. DOUCET: Yes.
    24216
 3
                           MR. WOLSON: "To provide a watching
         brief," is the typing that you had done; right?
 4
    24217
                           MR. F. DOUCET: Correct.
 5
 6
    24218
                           MR. WOLSON:
                                 "To provide a watching brief to
 7
 8
                                 develop economic opportunities
 9
                                 for our companies..."
10
    24219
                           Right?
11
    24220
                           MR. F. DOUCET: Yes, correct.
12
    24221
                           MR. WOLSON: Which companies of Mr.
13
         Mulroney's are we talking about?
                           MR. F. DOUCET: No, Schreiber's
14
    24222
15
         companies.
                           MR. WOLSON: Schreiber's companies.
16
    24223
    24224
                           MR. F. DOUCET: Correct.
17
18
    24225
                           MR. WOLSON: Okay.
19
                                 "...for our companies, including
20
                                 travelling abroad to meet with
21
                                 government and private sector
22
                                 leaders to assist in opening new
23
                                 markets for our products and to
                                 report regularly to us in this
24
25
                                 regard. In this context,
```

1 priority should be given to 2 opportunities relating to 3 Canadian based manufacturing of peace keeping and/or peace 4 making military equipment in 5 view of Canada's prominence in 6 this area." 7 8 24226 MR. F. DOUCET: Correct. 9 24227 MR. WOLSON: "The mandate will be for a 10 11 period of three years. The fee 12 to cover services and expenses 13 is set at..." 14 24228 -- and there is writing there. 15 24229 MR. F. DOUCET: Yes. 16 24230 MR. WOLSON: It says \$250,000. MR. F. DOUCET: 17 24231 Correct. 18 24232 MR. WOLSON: Just above that there is 19 the start of some writing, which is scratched out. 20 24233 MR. F. DOUCET: Yes. 21 24234 MR. WOLSON: And there is an X for 22 the period. MR. F. DOUCET: 23 24235 Yes. 24 24236 I think, Mr. Wolson, that the X is there for the same reason as the A, B and C are there. 25

That was, in talking about the document, when I started 1 to write the number -- when he told me what the number 2 3 was, I sensed that it wouldn't fit in that line, so I wrote it below. 4 Because, I think, if you look under 5 24237 the scratch, it starts with -- I think that is "25". 6 MR. WOLSON: All right. So the 7 24238 8 amount was \$250,000 for the three-year period. 9 24239 MR. F. DOUCET: Correct. 24240 MR. WOLSON: Who gave you that 10 11 amount? 24241 MR. F. DOUCET: Mr. Schreiber. 12 13 24242 MR. WOLSON: What amount did Mr. Mulroney give you? 14 MR. F. DOUCET: Mr. Mulroney never 15 24243 16 gave me an amount. 17 24244 MR. WOLSON: But you read to him the 18 document that you were going to provide to Mr. 19 Schreiber. 24245 MR. F. DOUCET: When I read it, it 20 was blank. 21 22 24246 MR. WOLSON: I understand that, but 23 wouldn't you have said to him: What is the amount of 24 money? MR. F. DOUCET: I did not. 25 24247

24248 MR. WOLSON: But you told the Commissioner that when you prepared this document, you prepared it based on your own recollection --24249 MR. F. DOUCET: Yes. 24250 MR. WOLSON: -- based on what Mr. Schreiber had told you --24251 MR. F. DOUCET: Yes. 24252 MR. WOLSON: -- and based on what Mr. Mulroney had told you. 24253 MR. F. DOUCET: Correct. 24254 MR. WOLSON: Well, surely, you would have said to Mulroney, "What is the amount," and then you would say to Schreiber, "What is the amount," and you would write the amount in. 24255 MR. F. DOUCET: That's not the way it happened. MR. WOLSON: So the 250 refers to a 24256 number that Schreiber gave you. 24257 MR. F. DOUCET: Absolutely. 24258 MR. WOLSON: Just for completeness --I am going to come back to that number in a minute, but

a document that has more writing on it than Document 2

24 that we had referred to.

25 24259 Do you see that?

StenoTran

just for completeness, the next document in the book is

MR. F. DOUCET: I do. MR. WOLSON: At the top it says: "Meeting Oct. 22/07 - call to Doucet." Do you see that? MR. F. DOUCET: I do. MR. WOLSON: Whose writing is that? MR. F. DOUCET: I am not certain. It could be --Could it be my lawyer? I don't know. MR. WOLSON: Could it be Mr. Mulroney? Did you provide him a copy? MR. F. DOUCET: I provided him a copy around the time of the Ethics Committee meeting. MR. WOLSON: All right. The Ethics Committee meeting was, I think he testified, around December 13th of 2007. MR. F. DOUCET: Correct. MR. WOLSON: If this date of October 22 is an accurate date, that would be in close proximity -- obviously we can all count the number of days, but in close proximity to his December appearance. MR. F. DOUCET: Yes. MR. WOLSON: Did you provide this

1 document to him?

2 24275 MR. F. DOUCET: I am not sure if I 3 provided it to him or if it was done through the lawyers, but I know that it was provided. 4 5 24276 MR. WOLSON: Okay. He had it. 6 24277 MR. F. DOUCET: He had it. 24278 MR. WOLSON: Did you talk to him 7 8 about it in `07? 9 24279 MR. F. DOUCET: In the discussions prior to the Ethics Committee meeting I did. 10 11 24280 MR. WOLSON: You talked about the 12 document. 13 24281 MR. F. DOUCET: I did. 24282 MR. WOLSON: The other writing that 14 is on this document -- on the left-hand side there are 15 some initials, I think they are "K.S.", pointing to 16 "250" or "Bayerische". 17 18 24283 Do you see that? 19 24284 MR. F. DOUCET: Yes, I do. 20 24285 MR. WOLSON: And then "K.S." -- whose writing is that? 21 22 24286 MR. F. DOUCET: I really don't know. 23 24287 This document appeared reasonably 24 recently. It was not in my possession ever. 25 24288 MR. WOLSON: I think we got this from

1 Mr. Mulroney.

2 MR. F. DOUCET: Possibly. 24289 24290 3 MR. WOLSON: Then I will reserve my 4 questions --24291 5 MR. F. DOUCET: Sure. 6 24292 MR. WOLSON: If you don't know anything about the writing, I will reserve my questions 7 8 for him. 9 24293 MR. F. DOUCET: Okay. 24294 MR. WOLSON: Just for the sake of 10 11 completeness, if you turn the page, the last document is a copy of the document that was before the Ethics 12 13 Committee, with some writing on it. 14 24295 MR. F. DOUCET: I see that, yeah. 24296 MR. WOLSON: Where did you get -- and 15 16 we will go to Document 1 or 2, which you prepared --17 24297 Let's go to Document 2. You prepared 18 the typing part of it, and your writing and Schreiber's 19 writing appear on the document. 20 24298 MR. F. DOUCET: Correct. 24299 MR. WOLSON: There is no other 21 22 writing on that document? 23 24300 MR. F. DOUCET: There is no other 24 writing on the document. MR. WOLSON: Your evidence is that it 25 24301

2338

occurred in a meeting on Feb. 4, 2000. You presented 1 this document to Schreiber, he read it, he put some 2 3 writing on the document, you put some writing on the document, and that ended it. 4 5 24302 MR. F. DOUCET: And I put it away. 6 24303 MR. WOLSON: And you met at your office. Why didn't you copy it for Mr. Schreiber? 7 MR. F. DOUCET: In retrospect, I 8 24304 9 probably should have. I just -- I presumed that he knew everything that filled the blanks, since I was 10 11 relying on his information to fill them. 12 24305 MR. WOLSON: All right. Let's look at the typed portion again. 13 "...including travelling abroad 14 15 to meet with government and 16 private sector leaders to assist 17 in opening new markets for our 18 products and to report regularly 19 to us in this regard." 20 24306 Who does that come from? 24307 That's my writing. 21 MR. F. DOUCET: 22 24308 MR. WOLSON: I understand that you 23 typed it, but where does that information come from? 24309 24 MR. F. DOUCET: It comes from my 25 reflections on what I had taken the mandate to have

1 been.

2 24310 MR. WOLSON: From talking to each of 3 them and being present at the meeting at The Pierre. 24311 MR. F. DOUCET: Correct. 4 MR. WOLSON: "Reporting regularly to 5 24312 6 us in this regard." How many reports were there, to your 24313 7 8 knowledge? 9 24314 MR. F. DOUCET: The only two that I am aware of, and one is -- I am not absolutely certain, 10 11 was the one in Montreal --12 24315 MR. WOLSON: There were two in 13 Montreal, there was the Mirabel and the Queen 14 Elizabeth. 15 MR. F. DOUCET: Yeah. 24316 MR. WOLSON: They are both Montreal? 16 24317 MR. F. DOUCET: I think that the 17 24318 18 Mirabel one began the mandate --19 24319 MR. WOLSON: Yes. MR. F. DOUCET: -- but the first 20 24320 reporting on it, as best I can recall -- and I don't 21 have direct evidence of this -- would have been at the 22 23 Montreal meeting in, I believe, December of that year. 24 24321 MR. WOLSON: The Queen Elizabeth 25 meeting?

StenoTran

2340

1 24322 MR. F. DOUCET: The Queen Elizabeth meeting --2 3 24323 MR. WOLSON: But you were not at the 4 meeting. 24324 5 MR. F. DOUCET: -- and I was not at 6 that meeting. 24325 MR. WOLSON: But you were told of the 7 8 meeting from Mr. Mulroney. 9 24326 MR. F. DOUCET: I recall being given 10 a report, yeah. 11 24327 Not an extensive one, but at least 12 having said to me: We met and we talked about our 13 mandate. MR. WOLSON: Okay. You recall that 24328 14 15 today. MR. F. DOUCET: I recall some -- and 16 24329 I think I recorded it somewhere. 17 18 24330 MR. WOLSON: 19 "In this context, priority..." 20 24331 I am going back now to the document. "In this context, priority 21 22 should be given to opportunities 23 relating to Canadian based manufacturing of peace keeping 24 25 and/or peace making military

equipment in view of Canada's prominence in this area." MR. F. DOUCET: Yes. MR. WOLSON: Is the prominence related to the production of the vehicle, or to peacekeeping? MR. F. DOUCET: To peacekeeping. MR. WOLSON: Because there was no production by Thyssen. MR. F. DOUCET: Correct. MR. WOLSON: Did you know that the money that was paid by Schreiber to Mulroney -- it says 250 -- did you know that it was paid in cash? MR. F. DOUCET: I did not know that. MR. WOLSON: You told me -- and I will refer you to it. It is page 225 of my interview with you. MR. F. DOUCET: Yes, I am there. MR. WOLSON: If you go to page 225 --MR. F. DOUCET: I am there. MR. WOLSON: -- line 18 --MR. F. DOUCET: Yes. MR. WOLSON: -- you said to me: "...Mr. Schreiber had given me to understand that these were

StenoTran

1 the companies that were the 2 mandating companies and I told him that the amount of money to 3 be paid was \$250,000." 4 5 24346 You are talking now that you told 6 this to Mr. Mulroney. 24347 MR. F. DOUCET: Yes, that's correct. 7 MR. WOLSON: "I didn't ask him," 8 24348 meaning Mr. Mulroney, "if it was accurate or not." 9 24349 MR. F. DOUCET: Correct. 10 11 24350 MR. WOLSON: So you actually told Mr. 12 Mulroney, after this document was effected, that the 13 amount of fees to cover services and expenses was \$250,000. 14 You told Mr. Mulroney what Schreiber 15 24351 16 had told you. MR. F. DOUCET: I did. 17 24352 18 24353 MR. WOLSON: And just to be sure, at 19 page 226 --20 24354 MR. F. DOUCET: Yes, I am there. 24355 MR. WOLSON: Or, at least, the bottom 21 22 of 225, line 25: "I just reported faithfully on 23 what Mr. Schreiber had told me." 24 25 24356 MR. F. DOUCET: Correct.

1 24357 MR. WOLSON: In other words, you 2 reported to Mr. Mulroney, after this document had been effected --3 MR. F. DOUCET: Yes. 24358 4 MR. WOLSON: -- that the amount of 5 24359 6 money that Schreiber said was involved was the amount of \$250,000. 7 8 24360 MR. F. DOUCET: Correct. 9 24361 MR. WOLSON: Then I asked you this question, at page 226, line 2: 10 11 "And he [meaning Mulroney] made 12 no changes." 13 24362 I will read it precisely. 14 "And he made no changes, Mr. 15 Mulroney? MR. DOUCET: He made no 16 17 suggestions. He just -- he 18 said, 'That's fine. That's 19 okay.'" 20 24363 Right? 21 24364 MR. F. DOUCET: That's my 22 recollection of what he said, yes. 23 24365 MR. WOLSON: And I said to you at line 7: 24 "...tell me when that was 25

1		approximately in relation to
2		February 4th"
3	24366	That is, when you told Mr. Mulroney
4	this.	
5	24367	You understood that; right?
6	24368 N	AR. F. DOUCET: Correct, yes.
7	24369 N	AR. WOLSON: You said, referring to
8	page 226, line 10	of your interview:
9		"I would guess that it was
10		probably in the days that
11		followed."
12	24370 M	AR. F. DOUCET: Correct.
13	24371 N	MR. WOLSON: I said:
14		"Okay, fair enough. So sometime
15		in February of 2000?"
16	24372	Your answer is: "Correct, yeah."
17	24373 N	AR. F. DOUCET: Correct.
18	24374 N	MR. WOLSON: I have read that
19	accurately?	
20	24375 N	MR. F. DOUCET: Yes, you have.
21	24376 N	MR. WOLSON: Let's move on, please,
22	to Tab 47.	
23	24377 N	AR. F. DOUCET: Correct, I'm there.
24	24378 N	AR. WOLSON: Tab 47 is your summary
25	of all of the even	ts leading up to August 27, 2000.

Right? 1 2 24379 MR. F. DOUCET: Correct. 24380 3 MR. WOLSON: And, again, you memorialized this on that date, August 27, 2000, to 4 have some written document to work as an aid to your 5 6 memory. MR. F. DOUCET: Correct. 7 24381 8 24382 MR. WOLSON: "Background: 9 To the best of my recollections I have known Karlheinz Schreiber 10 11 (K.S.) since 1988 when I met 12 him...at a G.C.I. party. He was 13 introduced to me by Frank Moores as I recall." 14 15 Similar to what you told us 24383 16 yesterday, that you met him at some social function. MR. F. DOUCET: Correct. 17 24384 18 24385 MR. WOLSON: 19 "During the period 1990, 1991, 20 1992, my consulting company 21 (F.D.C.I.) had an ongoing 22 arrangement with a K.S. company 23 (Bitucan) to provide assistance 24 with a project (Bearhead 25 project)."

But that's not accurate, is it? MR. F. DOUCET: That is not accurate. MR. WOLSON: Why did you make that note? MR. F. DOUCET: I'm sorry, why --MR. WOLSON: Why did you put that there? MR. F. DOUCET: I believed it to be correct at the time, and I would like to explain. MR. WOLSON: Please do. MR. F. DOUCET: I was relying on my filings with the lobby registry, which filings became compulsory when the law was proclaimed, I believe, in the fall of 1989. Relying on that, my best recall at the time of writing this on August 27, `00, was that my consultancy would have begun at that time. MR. WOLSON: So even then, in August of 2000 --MR. F. DOUCET: Yes. MR. WOLSON: -- nine years back from today --MR. F. DOUCET: Correct. MR. WOLSON: -- even then you didn't recall a 1988 \$90,000 cheque.

1	24400	MR. F. DOUCET: That's correct.
2	24401	MR. WOLSON: "Events Post 1992:
3		1. As best as I can recall in
4		late summer of 1993 K.S. called
5		me"
6	24402	"K.S." is Karlheinz Schreiber; right?
7	24403	MR. F. DOUCET: Correct.
8	24404	MR. WOLSON:
9		"to discuss with me whether I
10		could arrange a meeting between
11		himself and Brian Mulroney
12		(B.M.) to discuss the prospects
13		of a consulting assignment
14		involving international
15		representations and watching
16		brief for corporate
17		opportunities involving
18		companies in which K.S. had an
19		interest."
20	24405	MR. F. DOUCET: Correct.
21	24406	MR. WOLSON: Nothing about Bear Head
22	there.	
23	24407	MR. F. DOUCET: Well, certainly, the
24	implication,	for me at least, was in the sentence
25	going back:	

1 "...Brian Mulroney...to discuss 2 the prospects of a consulting assignment involving 3 international 4 representations..." 5 6 24408 Clearly that was Bear Head. 24409 MR. WOLSON: So that was a given. 7 8 24410 MR. F. DOUCET: That was a given 9 throughout the piece. 10 24411 MR. WOLSON: Okay. Then you talk in 11 Point 2 about the Mirabel meeting. 24412 MR. F. DOUCET: Correct. 12 MR. WOLSON: You talk in Point 3: 13 24413 "Subsequent to the Mirabel 14 15 meeting B.M. informed me that he and K.S. had concluded an 16 17 arrangement for an initial 18 period of three years whereby 19 B.M. through his consulting 20 company would provide a watching 21 brief and, if and where 22 appropriate, make inquiries or 23 representations in the 24 international arena regarding 25 corporate opportunities that

1 could be of interest to K.S. Ιt 2 was also confirmed that B.M. 3 would provide reports as appropriate." 4 MR. F. DOUCET: Correct. 5 24414 6 24415 MR. WOLSON: When you prepared this document, did you use your previous notes which you had 7 8 memorialized to aid your memory? 9 24416 MR. F. DOUCET: I would expect that I did. I have no particular recall, but I would expect 10 11 that I did. MR. WOLSON: And Point 4: 12 24417 13 "I am aware that a meeting was 14 held in Montreal in early 1994 15 between K.S. and B.M. pursuant 16 to the above consultancy. (I do 17 not recall if I arranged this meeting...)" 18 19 24418 That would be the QE meeting. 20 24419 MR. F. DOUCET: Yes, I think I am wrong on the date. 21 22 24420 MR. WOLSON: I understand, but that 23 is the QE meeting, obviously. 24 24421 MR. F. DOUCET: Correct.

25 24422 MR. WOLSON: It is, because you

StenoTran

2350

talked of Mirabel earlier. 1 2 24423 MR. F. DOUCET: Correct. 3 24424 MR. WOLSON: So it has to be the QE. 24425 MR. F. DOUCET: Correct. 4 5 24426 MR. WOLSON: "But I recall B.M.'s report on 6 it to me." 7 8 24427 That's what you said a few moments aqo --9 24428 MR. F. DOUCET: Yes. 10 11 24429 MR. WOLSON: -- that, while you 12 weren't at the meeting, you got a briefing from Brian 13 Mulroney. 24430 MR. F. DOUCET: Probably that is 14 15 overstating it. MR. WOLSON: Well, you got some 16 24431 information from him. 17 18 24432 MR. F. DOUCET: Yeah, he indicated 19 that he had met with Mr. Schreiber, or was meeting with Mr. Schreiber. I am not sure if it was before or after 20 21 the meeting. 22 24433 MR. WOLSON: All right. Then, at 23 Point 5, you talk about the `94 New York meeting --24 24434 MR. F. DOUCET: Correct. 25 24435 MR. WOLSON: "...at the request of

K.S., " and you talk about the luncheon, and you were 1 present in the hotel room. 2 The meeting ended by KS --3 24436 I'm sorry, the meeting was 24437 4 attended -- you talk about the three of you attending 5 6 the meeting. "The meeting lasted an hour..." 7 24438 8 24439 Even though you said earlier that it 9 was an hour and a half, you have put here an hour. 24440 MR. F. DOUCET: I think I say 10 11 "approximately an hour". 12 24441 MR. WOLSON: All right. 13 "...B.M. and K.S. discussed 14 various matters of the on-going consultancy in the international 15 arena. K.S. provided various 16 materials to B.M. At the end of 17 18 the meeting we went to the hotel 19 dining room..." 20 24442 -- and you go on about that. 21 24443 MR. F. DOUCET: Yes. 22 24444 MR. WOLSON: You don't say anything in there about Mr. Yeltsin. 23 24445 MR. F. DOUCET: No. 24 MR. WOLSON: Or about Mr. Mitterand. 25 24446

MR. F. DOUCET: No. MR. WOLSON: Or about Thyssen Bear Head. MR. F. DOUCET: That's implied --MR. WOLSON: That's a given. MR. F. DOUCET: -- throughout. MR. WOLSON: Okay. About China. MR. F. DOUCET: No. MR. WOLSON: You then, at Point 6, talk about the fifth estate show. MR. F. DOUCET: Yes. MR. WOLSON: At Point 7 you talk about the Christmas -- December 26th meeting. MR. F. DOUCET: Yes. MR. WOLSON: You say: "...having learned from Elmer MacKay that K.S. was in Ottawa over the Xmas season and that he and his wife would probably appreciate a call or a visit in view of the recent events involving K.S. and his arrest in Toronto." MR. F. DOUCET: Correct. MR. WOLSON: So back, at least in

2000, nine years ago, you were of the view that Elmer 1 was the one that was the facilitator of the meeting. 2 3 24461 MR. F. DOUCET: That was my view then, and it is still my view today, but I may be 4 5 wronq. MR. WOLSON: Okay. Then you say: 6 24462 "I have kept a record of our 7 8 discussions of that afternoon 9 over a couple of hours." 24463 Halfway down Point 7, "I have kept a 10 11 record..." 24464 12 You are talking then about the December 26, `99 --13 14 24465 MR. F. DOUCET: Yes, correct. MR. WOLSON: 24466 15 "I have kept a record of our 16 discussions of that afternoon 17 18 over a couple of hours." 19 24467 MR. F. DOUCET: Correct. 20 24468 MR. WOLSON: So that would be more accurate, I would assume. 21 22 24469 MR. F. DOUCET: Probably so. 23 24470 MR. WOLSON: So you had had a two-hour discussion with him. 24 25 24471 MR. F. DOUCET: It appears from that

1 note, yes.

2 MR. WOLSON: 24472 "During this period he told me 3 among many things -- " 4 MR. F. DOUCET: I would just make a 5 24473 6 comment on that. I am not entirely sure whether there was any discussion when we were together, the four of 7 8 us. I don't believe there was --9 24474 MR. WOLSON: Okay. 10 24475 MR. F. DOUCET: -- so I think that 11 what I am referring to are the discussions downstairs. 24476 12 MR. WOLSON: The two hours 13 downstairs. MR. F. DOUCET: Correct. 14 24477 15 MR. WOLSON: Okay. 24478 "During this period he told me 16 17 among many things that he 18 expected that as part of his 19 extradition hearings..." 20 24479 You go on that he says: 21 "...as part of his extradition 22 hearings that I and B.M. would have to be discovered." 23 MR. F. DOUCET: Correct. 24 24480 25 MR. WOLSON: He told you that he 24481

2355

thought that, at his extradition hearings, Brian 1 Mulroney and Fred Doucet would be discovered? 2 MR. F. DOUCET: Correct. 3 24482 24483 I think it is also reported, is it 4 5 not, in the --6 24484 MR. WOLSON: I've never seen that before, actually. 7 8 24485 So you remembered this in August of 2000, that you and Brian may be witnesses. 9 24486 MR. F. DOUCET: Correct. Obviously, 10 11 I wrote it. 12 24487 MR. WOLSON: Isn't that, then, 13 probably the reason why you were asking Schreiber what he would say when he was discovered? 14 MR. F. DOUCET: Could be. Logical. 15 24488 16 24489 MR. WOLSON: Except his discovery would be part of either extradition or a lawsuit, and 17 18 your discovery would be part of an extradition hearing. 19 24490 MR. F. DOUCET: It appears from what I wrote, yeah. 20 MR. WOLSON: 21 24491 22 "...K.S. urged me to review our discussions with B.M. I 23 subsequently did. K.S. invited 24 25 me to keep posted and to visit

StenoTran

2356

1 with him when next in 2 Toronto..." 24492 So it's Karlheinz Schreiber that 3 invited you for a meeting -- or to meet when you were 4 in Toronto. Is that the idea? 5 "K.S. invited me to keep posted 6 and to visit with him when next 7 8 in Toronto." 9 24493 MR. F. DOUCET: Correct. 10 24494 MR. WOLSON: So he was the one that 11 arranged the 11th of January 2000? 24495 12 MR. F. DOUCET: No, I don't think so, 13 I think I arranged it. 14 24496 It is my recollection that I arranged it, but I think that I am referring to the meeting of 15 the 26th when I say what you have just read. 16 17 24497 MR. WOLSON: I don't think so, 18 because you are talking about the meeting of the 19 26th --20 24498 MR. F. DOUCET: Correct. 24499 MR. WOLSON: -- in that paragraph. 21 MR. F. DOUCET: And I say: 22 24500 23 "K.S. invited me to keep posted and to visit with him when next 24 in Toronto." 25

24501 MR. WOLSON: Okay. 1 MR. F. DOUCET: As he was leaving --2 24502 3 as I recall, as he was leaving our house, he said, "When you are next in Toronto, let's keep in touch," 4 or, "let's visit" -- whatever. 5 6 24503 But I think that I set up the meeting thereafter, in Toronto. 7 8 24504 MR. WOLSON: All right. And 9 paragraph 8: "On Jan11/00 at approximately 10 11 4:30 p.m. we (K.S. and I) met at 12 the Royal York in my room. I 13 have kept notes of that meeting. 14 At the meeting, among many other 15 matters about which K.S. spoke, 16 he told me, in answer to my 17 specific question about what he 18 proposed to say at his discoveries regarding the 19 20 consultancy with B.M...." 21 24505 So you were asking him what he was 22 going to say, when he was discovered, about the 23 business relationship that he had with Brian Mulroney and about the money that had been paid by Schreiber to 24 25 Mulroney. Right?

1 24506 That's what you were asking him about, is it not? 2 3 --- Pause MR. WOLSON: Three lines below that 24507 4 5 you talk about fees. 6 24508 MR. F. DOUCET: "...proposed to say at his discoveries regarding the consultancy with B.M. 7 8 that he agreed that the nature of the consultancy was to keep," et cetera, et cetera, et cetera. 9 24509 Correct. 10 11 24510 MR. WOLSON: 12 "With respect to the fee K.S. 13 stated that he could not be certain whether he would be 14 15 treating these disbursements as 'an advance' or a 'loan' since 16 that was only relevant to him in 17 the context of his taxes." 18 MR. F. DOUCET: Correct. 19 24511 20 24512 MR. WOLSON: This is the one where he had said to you, "Fred, there is nothing like the 21 22 truth," and you said, "Absolutely." That's the one we talked about 23 24513 earlier. 24 25 24514 MR. F. DOUCET: Correct, yes.

1 24515 MR. WOLSON: You say in this 2 paragraph: "...in answer to my specific 3 question about what he had 4 5 proposed to say at his discoveries regarding the 6 consultancy with B.M. that he 7 8 agreed that the nature of the 9 consultancy was to keep a watching brief world wide on 10 11 possible opportunities for his 12 (K.S.) companies; that B.M. was 13 to report periodically on such opportunities..." 14 15 24516 That is basically what you had told 16 him the agreement was, when we go back to the previous -- January the 11th, 2000. 17 18 24517 You had put that suggestion to him. 19 24518 MR. F. DOUCET: Correct, based on my 20 knowledge of what he had told me regarding the Mirabel 21 meeting --22 24519 MR. WOLSON: Sure. 24520 23 MR. F. DOUCET: -- and what I had heard at the New York meeting. 24 MR. WOLSON: All right. Paragraph 9: 25 24521

StenoTran

2360

1 "I reported to B.M. on my 2 discussions with K.S. (with K.S.'s knowledge and 3 approval)..." 4 So it is clear, after the January 5 24522 6 11th, 2000 meeting, that you had talked to Mr. Mulroney about that meeting. 7 8 24523 MR. F. DOUCET: Correct. 9 24524 MR. WOLSON: 10 "...and I suggested to B.M. that 11 I meet again with K.S. to 12 present in writing what he had 13 told me the mandate for the consultancy was with B.M. and 14 15 the term and fees. I met again with K.S. in my office...Feb. 16 4/00 and I presented a written 17 18 statement on the mandate 19 consistent with what he (K.S.) 20 had represented it to be." 21 24525 Right? 22 24526 MR. F. DOUCET: Correct. 23 24527 MR. WOLSON: And then you go on to say that you left open the identification of the 24

25 companies from which the mandate would emanate and the

2361

1	fees to cover the services and expenses.
2	"With his own (K.S) handwriting
3	my notes show his identifying
4	those companies and when I asked
5	him what the fee was he told me
6	the fee for services and
7	expenses had been set at
8	\$250,000 for the period [1993 to
9	1996]."
10	MR. F. DOUCET: Correct.
11	MR. WOLSON:
12	"Furthermore, he (K.S.) asked me
13	if B.M. would be interested in
14	renewing the terms for a new
15	contract to assist him in the
16	strategic selling of the new
17	spaghetti machine."
18	24530 MR. F. DOUCET: Mr. Wolson, if I may
19	interrupt, I think that that is a misprint. I think
20	the "renewing" is "reviewing", again my handwriting.
21	24531 MR. WOLSON: I'm okay with that.
22	That's fine, I'm glad you pointed it out.
23	"Furthermore, he (K.S.) asked me
24	if B.M. would be interested in
25	reviewing the terms for a new

1 contract to assist him in the 2 strategic selling of a new spaghetti machine." 3 MR. F. DOUCET: Correct. 24532 4 MR. WOLSON: 5 24533 6 "I indicated to K.S. that I would bring this to B.M.'s 7 8 attention. He told me that he 9 thought B.M. could be of great 10 assistance to him 11 internationally in his corporate endeavor and he told me how much 12 13 he regretted the Airbus 14 allegations..." MR. F. DOUCET: Correct. 15 24534 16 24535 MR. WOLSON: When does the spaghetti talk happen? 17 18 24536 MR. F. DOUCET: My best 19 recollection -- and it is very vague -- is that it was 20 at the mandate meeting -- at the February 4th meeting. 21 24537 I'm not 100 per cent sure of that. 22 24538 MR. WOLSON: How long was that 23 mandate meeting for, the Feb 4, 2000? 24 24539 MR. F. DOUCET: I would say 45 minutes. 25

1 24540 MR. WOLSON: Are there any notes of 2 that meeting --MR. F. DOUCET: No. 3 24541 24542 MR. WOLSON: -- other than the 4 mandate document? 5 6 24543 MR. F. DOUCET: That's it. 24544 7 MR. WOLSON: But you remember talking 8 about spaghetti machines? 9 24545 MR. F. DOUCET: I do, because I remember reporting it to Mr. Mulroney. 10 11 24546 MR. WOLSON: That's an odd thing to 12 remember. 13 24547 MR. F. DOUCET: I'm sorry...? 24548 MR. WOLSON: It's an odd thing to 14 15 remember. MR. F. DOUCET: Well, I found it 16 24549 discordant with everything else, I agree with you, but 17 18 I didn't realize that he was in the spaghetti business. This came out and... 19 20 24550 MR. WOLSON: Okay. Just for completeness -- you don't have to go there -- but your 21 22 lobby registration, because you referred to it --MR. F. DOUCET: Yes...? 23 24551 24 24552 MR. WOLSON: I'm not going to ask you 25 any questions about it, but just for completeness --

StenoTran

2364

24553 MR. F. DOUCET: Yes...? 1 2 MR. WOLSON: -- because you said you 24554 3 referred to them when you put down the years that you worked for Mr. Schreiber. 4 5 24555 MR. F. DOUCET: Yes. 6 24556 MR. WOLSON: They are found at Tab 10 7 and tab -- they are both at Tab 10. There are two 8 documents. 9 24557 This is a document that I think it has a date of 1989 on it, October 10, '89. 10 11 24558 MR. F. DOUCET: That would fit. I think that is when the law was proclaimed. 12 MR. WOLSON: So you were going 13 24559 forward. You didn't mention '89 in your notes, but I 14 assume if you were registered in '89, the fall, you 15 would have written down 1990. 16 24560 MR. F. DOUCET: Correct. 17 18 24561 MR. WOLSON: I just have a few 19 further things and they won't take very long at all. 20 24562 There is, we know, a meeting in Zürich, Switzerland --21 22 24563 MR. F. DOUCET: Yes. 23 24564 MR. WOLSON: -- between Mr. Mulroney and Mr. Schreiber. 24 MR. F. DOUCET: I have learned about 25 24565

1 that.

2 24566 MR. WOLSON: That's what I want to 3 ask you. Did you take part in arranging that? 24567 MR. F. DOUCET: No. 4 5 24568 MR. WOLSON: You learned about it through the media? 6 24569 MR. F. DOUCET: I learned about it 7 8 through the media. 9 24570 MR. WOLSON: Mr. Mulroney didn't tell you anything about it? 10 11 24571 MR. F. DOUCET: I have no recall of 12 that. 13 24572 MR. WOLSON: All right. Then I want to ask you if you could 24573 14 turn, please, to the same book you were in, Book 1, Tab 15 16 12. 17 24574 You will be pleased to know that I 18 just have two more minutes. 19 24575 MR. F. DOUCET: Yes, I'm there. 20 24576 MR. WOLSON: This is a copied portion of the first document of Mr. Schreiber's diary. 21 22 24577 On the right-hand side it says "FRA -23 Fred" and the amount below 30,000. Do you see that? 24578 MR. F. DOUCET: I do. 24 MR. WOLSON: Do you know anything 25 24579

2366

about an amount of \$30,000 pertaining to you? MR. F. DOUCET: I have no recollection of that at all. MR. WOLSON: The second document in that package, if you turn the page --MR. F. DOUCET: Yes...? MR. WOLSON: -- there is reference to 30,000 right at the top. Do you see that? "24.01". MR. F. DOUCET: Yes, I see that. MR. WOLSON: And if you turn the page and at the top it says "FRANKFURT". Do you see that on that same page where it says -- there is a German word. It says 30,000 and then above it, it has "FRANKFURT". That is on the second page. MR. F. DOUCET: I'm sorry, I am on the wrong page. I'm sorry, could you tell me again what page? MR. WOLSON: Okay. The second page in the tab. MR. F. DOUCET: Yes. MR. WOLSON: So page 1 is a diary. The second page is the one I think you are holding now. MR. F. DOUCET: Yes.

24594 MR. WOLSON: It says "FRANKFURT" --1 2 MR. F. DOUCET: Yes. 24595 MR. WOLSON: -- and below it there is 3 24596 an amount of 30,000. 4 24597 MR. F. DOUCET: I see that. 5 6 24598 MR. WOLSON: Do you know anything 7 about 30,000 from Frankfurt? 8 24599 MR. F. DOUCET: I do not. 9 24600 MR. WOLSON: If you go to the third 10 page --11 24601 MR. F. DOUCET: I'm there. 24602 MR. WOLSON: The next page is also 12 13 the diary of Mr. Schreiber --14 24603 MR. F. DOUCET: Yes. MR. WOLSON: -- on the 8th of 15 24604 16 February. MR. F. DOUCET: Yes. 17 24605 18 24606 MR. WOLSON: And about halfway down 19 the right-hand side it has a word I think is "Strobel", but I'm not sure, and then it says "30 Doucet". 20 MR. F. DOUCET: I see that. 21 24607 22 24608 MR. WOLSON: Do you know what that refers to? 23 MR. F. DOUCET: I do not. 24 24609

25 24610 MR. WOLSON: Then if you go to the

StenoTran

2368

last page of that tab, Tab 14, Book 1. 1 2 MR. F. DOUCET: I'm there. 24611 3 24612 MR. WOLSON: At the top it says "RUBRIK FRED". 4 MR. F. DOUCET: Yes. 5 24613 6 24614 MR. WOLSON: And then below that, to the right, there is an amount of 30,000. 7 8 24615 MR. F. DOUCET: I see that. 9 24616 MR. WOLSON: Do you know anything about "RUBRIK FRED"? 10 11 24617 MR. F. DOUCET: I do not. 24618 MR. WOLSON: Do you know if 12 13 Mr. Schreiber had an account for you in Switzerland? MR. F. DOUCET: I have no idea. 14 24619 MR. WOLSON: Or in Germany? 15 24620 16 24621 MR. F. DOUCET: I have no idea. If 17 he did, I was not aware of it. 18 24622 MR. WOLSON: Could I just have one 19 moment please, Mr. Commissioner? --- Pause 20 24623 MR. WOLSON: I just have one last 21 22 question. 23 24624 If you turn back to the mandate, page 40, Tab 46. MR. F. DOUCET: Yes, I'm there. 25 24625

StenoTran

1 24626 MR. WOLSON: This is it, I promise now, the last question. 2 3 24627 MR. F. DOUCET: It's okay. 24628 MR. WOLSON: If the mandate -- go to 4 the first document in the book, the clean document with 5 some typing on it. 6 MR. F. DOUCET: The blank page. 7 24629 8 24630 MR. WOLSON: If the mandate was to clear up ambiguity -- and that's what you said; right? 9 24631 MR. F. DOUCET: Yes. 10 11 24632 MR. WOLSON: Why wouldn't the mandate 12 refer to Bear Head/Thyssen? 13 24633 MR. F. DOUCET: I quess it speaks to the implicitness of it all. Throughout the 14 relationship, for me at least, there was nothing but 15 16 Bear Head/Thyssen. 17 24634 MR. WOLSON: But if you wanted a 18 document to squirrel away for a rainy day --19 24635 MR. F. DOUCET: Yes...? 20 24636 MR. WOLSON: -- if something ever materialized where the Mulroney-Schreiber relationship 21 22 were ever questioned, where the subject of the media --MR. F. DOUCET: Yes. 23 24637 24638 MR. WOLSON: -- obviously you weren't 24 25 anticipating at that time sitting there and talking to

1 me --2 24639 MR. F. DOUCET: That's for sure. 24640 MR. WOLSON: That's for sure. 3 And I'm sure I wasn't either. But that said --4 24641 MR. F. DOUCET: 5 Yes...? 6 24642 MR. WOLSON: -- wouldn't you want a document that was clear and unambiguous, that clearly 7 8 referred to the essence? The whole essence of the mandate was Thyssen/Bear Head. Wouldn't you want that? 9 10 24643 MR. F. DOUCET: Well, let me answer 11 by saying that the second line of the mandates says: 12 "In this context, priority 13 should be given to opportunities 14 relating to Canadian based 15 manufacturing of peace keeping 16 and/or peace making military 17 equipment in view of Canada's 18 prominence in this area." 19 24644 MR. WOLSON: But wouldn't you want to 20 have Thyssen/Bear Head --21 24645 MR. F. DOUCET: It probably would 22 have been more explicit if I had put Thyssen/Bear Head, 23 but I assure you that this document was intended to imply that this was Thyssen/Bear Head all the way. 24 25 24646 MR. WOLSON: All right. Thank you so

StenoTran

1 much.

2	24647	MR. F. DOUCET: You are very welcome.
3	24648	COMMISSIONER OLIPHANT: Those are
4	your questions	s, Mr. Wolson?
5	24649	MR. WOLSON: I wouldn't be truthful
6	if I had more	questions, so that's it. I have no
7	further questions.	
8	24650	COMMISSIONER OLIPHANT: Well, that's
9	the good news,	Mr. Doucet. The bad news is that you
10	have to come back this afternoon to face questions from	
11	other counsel, unless there is an indication that they	
12	are not going	to be asking questions.
13	24651	I'm going to conduct an informal
14	poll, if I cou	ald, and if you are not able to answer
15	now, counsel,	I will understand.
16	24652	Mr. Pratte?
17	24653	MR. PRATTE: I don't think,
18	Mr. Commission	ner, we will have some, but if any they
19	will be extrem	nely brief. I will also consult because I
20	know that we a	are being correctly scolded for not having
21	the order.	
22	24654	I'm not sure that we discussed
23	amongst us, bu	it we will certainly have that done before
24	lunch time.	
25	24655	But if anything, it would be

StenoTran

extraordinarily brief. COMMISSIONER OLIPHANT: All right. So what you said, because you weren't speaking into the microphone for the whole of what you said, you are not sure whether you will have questions, but if you do, you will be very brief. MR. PRATTE: Indeed, sir. COMMISSIONER OLIPHANT: All right. MR. YAROSKY: He said extraordinarily brief, Mr. Commissioner. COMMISSIONER OLIPHANT: Thank you for clearing up the ambiguity. Mr. Vickery...? MR. VICKERY: I do not expect we will have questions. COMMISSIONER OLIPHANT: Thank you. Mr. Houston...? MR. HOUSTON: I will have some questions, Mr. Commissioner. COMMISSIONER OLIPHANT: All right. Mr. Auger...? MR. AUGER: I will have a few questions, Mr. Commissioner, in the range of 15 to 30 minutes. COMMISSIONER OLIPHANT: I'm sorry?

MR. AUGER: In the range of 15 to 30 minutes. COMMISSIONER OLIPHANT: Okay. Well, it's 12:30. We will break for lunch and come back at 2 o'clock this afternoon then. Good afternoon. --- Upon recessing at 12:30 p.m. / Suspension à 12 h 30 --- Upon resuming at 2:00 p.m. / Reprise à 14 h 00 COMMISSIONER OLIPHANT: Be seated, please. Mr. Auger...? MR. AUGER: Thank you, Commissioner. I have spoken to my friends and I think I'm next in the order. With your permission, I am ready to proceed. COMMISSIONER OLIPHANT: That's fine. EXAMINATION: FRED DOUCET BY MR. AUGER / INTERROGATOIRE : FRED DOUCET PAR Me AUGER MR. AUGER: Mr. Doucet, if I can ask you to please turn up Tab 47 in binder 1 of 2. COMMISSIONER OLIPHANT: Could you turn your microphone on. MR. F. DOUCET: I'm sorry. Yes, I'm there. MR. AUGER: And if I can focus your

StenoTran

attention on -- there is the subheading "Events Post 1 2 1992". 3 24684 Do you see that? 24685 MR. F. DOUCET: Yes. 4 MR. AUGER: And then below that there 5 24686 6 is paragraph number one. Do you see that? 24687 MR. F. DOUCET: 7 Yes. 8 24688 MR. AUGER: And I want to take you 9 through -- and you have given evidence this morning at length about these notes and their accuracy and the 10 11 reason for generating them; correct? MR. F. DOUCET: Correct. 12 24689 13 24690 MR. AUGER: And you have told the Commissioner that all of your notes are your best 14 record in order to memorialize the events. 15 Is that correct? 16 24691 17 24692 MR. F. DOUCET: Correct. 18 24693 MR. AUGER: I want to examine your 19 sentence construction in paragraph 1. 20 24694 You say: "As best as I can recall in late 21 22 summer of 1993 K.S. called me to discuss with me whether I could 23 24 arrange a meeting between 25 himself and Brian Mulroney

1 (B.M.) to discuss the 2 prospects..." 24695 3 And this is what I want you to focus on, Mr. Doucet: 4 "... the prospects of a 5 consulting assignment involving 6 international representations 7 8 and watching brief for corporate 9 opportunities involving companies in which K.S. had an 10 11 interest." 12 24696 Do you see that? 13 24697 MR. F. DOUCET: I do. MR. AUGER: You would have noted that 14 24698 15 I put some emphasis on the word "and". You noticed that? 16 17 24699 And that's in fact in your sentence, 18 between the words "international representations" and "watching brief"; correct? 19 20 24700 MR. F. DOUCET: Correct. 21 24701 MR. AUGER: And indeed if we continue that down to paragraph 3, it starts off: 22 23 "Subsequent to the Mirabel 24 meeting..." 25 24702 Do you see that?

24703 MR. F. DOUCET: I do. 1 2 24704 MR. AUGER: And I just want to carry 3 us down to the third line and it says: "... through his consulting 4 company would provide a watching 5 brief and, if and where 6 appropriate, make inquiries or 7 8 representations in the international arena..." 9 24705 Do you see that? 10 11 24706 MR. F. DOUCET: I do. 12 24707 MR. AUGER: And that, too, is an 13 accurate note of what you understood Mr. Mulroney's 14 engagement to be; correct? 15 MR. F. DOUCET: That is correct. 24708 MR. AUGER: If I can also ask you to 16 24709 turn back in the book to Tab 43, this is your "Memo to 17 18 File", October 28, 1999. 19 24710 Do you see that? 20 24711 MR. F. DOUCET: I do. 21 24712 MR. AUGER: In the middle of the 22 paragraph it starts: 23 "At approximately 11:00 a.m...." 24 24713 MR. F. DOUCET: Yes. MR. AUGER: The left side: 25 24714

2377

1 "At approximately 11:00 a.m ..." 2 24715 MR. F. DOUCET: I see that, yes. MR. AUGER: 3 24716 "... MBM and I proceeded to 4 K.S.'s room and for 5 approximately 1 1/2 hrs. the two 6 of them discussed various 7 8 aspects about MBM's assignment 9 as well as a number of matters where MBM saw opportunities in 10 11 the international arena." 12 24717 Do you see that? That's your 13 sentence construction. MR. F. DOUCET: Correct. 14 24718 15 24719 MR. AUGER: And that is consistent 16 with what I read to you in the previous two paragraphs back in Tab 47; correct? 17 18 24720 MR. F. DOUCET: Correct. 19 24721 MR. AUGER: So just on a commonsense 20 read of that, there are really two aspects as you have, in your own writing, set out; right? 21 22 24722 There are two aspects that you, in 23 the sentences that I have taken you two -- one component is international; correct? 24 MR. F. DOUCET: Correct. 25 24723

StenoTran

1 24724 MR. AUGER: And another component is 2 the assignment; correct? 24725 3 MR. F. DOUCET: That's not my interpretation. 4 24726 MR. AUGER: Well, those are your 5 words in your memo that you gave evidence to the 6 Commissioner at great length, and you confirmed that 7 8 these notes are your best record of the understanding of Mr. Mulroney's engagement; correct? 9 24727 MR. F. DOUCET: Correct. 10 11 24728 MR. AUGER: So if I can ask you to go back to Tab 47 --12 24729 13 MR. F. DOUCET: Yes, I'm there. 24730 MR. AUGER: And I have read to you 14 15 paragraph 1 in the middle of the page and part of 16 paragraph 3, and all I'm asking you to agree with is your own sentence construction joins international 17 18 representations together with watching brief; right? 19 24731 MR. F. DOUCET: Correct. 20 24732 MR. AUGER: So all I'm asking you to agree as a matter of common sense, using your own 21 22 words, is that one prong was international; correct? MR. F. DOUCET: Correct. 23 24733 24734 MR. AUGER: Joined by the word "and" 24

in the second prong, your language is watching brief

StenoTran

for corporate opportunities.

1

2 24735 MR. F. DOUCET: Yes. 24736 3 MR. AUGER: You don't anywhere in what I have taken you to in these three examples of 4 your own memorializing say exclusively international. 5 6 24737 You don't say exclusively 7 international, do you? 8 24738 MR. F. DOUCET: My interpretation of what I wrote is that an is conjunctive to international 9 10 representations. 11 24739 MR. AUGER: That's how you now interpret it as you are sitting here today. 12 13 24740 MR. F. DOUCET: That's how I wrote it. 14 MR. AUGER: Well, you didn't write 15 24741 16 international representations period. You didn't put a period after that. 17 18 24742 MR. F. DOUCET: No. MR. AUGER: You didn't use the words 19 24743 solely international; right? 20 24744 MR. F. DOUCET: No. 21 22 24745 MR. AUGER: You didn't use the words 23 exclusively international; correct? 24746 MR. F. DOUCET: No. 24 25 24747 MR. AUGER: Can I ask you to turn up

StenoTran

1 Tab 46, please.

2 MR. F. DOUCET: Yes, I'm there. 24748 24749 3 MR. AUGER: The second page is the mandate with handwriting on it. 4 24750 5 Do you see that? 24751 MR. F. DOUCET: Yes, I'm there. 6 MR. AUGER: Again, let's focus on --7 24752 8 you typed this document? 9 24753 MR. F. DOUCET: I did. 24754 MR. AUGER: Let's focus --10 11 24755 MR. F. DOUCET: Oh, I'm sorry, I 12 didn't personally, but someone in my office typed it 13 for me. 24756 MR. AUGER: You dictated it to that 14 15 person? 16 24757 MR. F. DOUCET: Either long handed or dictated it, I'm not sure. 17 18 24758 MR. AUGER: Let's focus on your own 19 sentence construction in the mandate. 20 24759 MR. F. DOUCET: Yes. 24760 MR. AUGER: 21 22 "To provide a watching brief to 23 develop economic opportunities for our companies,..." 24 25 And I appreciate there are blanks. 24761

2381

MR. F. DOUCET: Yes. MR. AUGER: But it continues: "... including travelling abroad..." Do you see that? MR. F. DOUCET: Correct. MR. AUGER: And again, just focusing on your own language, you have used the word "including". MR. F. DOUCET: Correct. MR. AUGER: Not exclusively, not solely, not limited to travelling abroad; right? MR. F. DOUCET: I'm not sure I understand your question. MR. AUGER: Well, let me see if I can break it down. The sentence I just read to you, you have used the word "including" travelling abroad; right? MR. F. DOUCET: Correct. MR. AUGER: To describe the mandate. MR. F. DOUCET: Correct. MR. AUGER: So all I'm asking you to agree is that nowhere in the mandate that has set out what you thought was the agreement, nowhere in that

piece of paper did you use the word "exclusively" 1 travelling abroad or international work? 2 3 24776 MR. F. DOUCET: That is correct. 24777 MR. AUGER: You didn't use the word 4 5 "solely" travelling abroad? 6 24778 MR. F. DOUCET: Correct. 24779 7 MR. AUGER: You use the word 8 "including" travelling abroad. 24780 MR. F. DOUCET: Correct. 9 MR. AUGER: All I'm asking you to 24781 10 11 agree is that a matter of common sense, simple sentence construction and language, "including" travelling 12 abroad doesn't limit the mandate to travelling abroad. 13 Fair? 14 MR. F. DOUCET: That's a conclusion 15 24782 16 that one could make. It wasn't mine. 17 24783 MR. AUGER: It's not yours today? 18 24784 MR. F. DOUCET: I'm sorry...? 19 24785 MR. AUGER: It's not yours today? 20 24786 MR. F. DOUCET: I don't think it ever was mine. 21 22 24787 MR. AUGER: So you are now telling 23 the Commissioner that if you had an opportunity to redraft this mandate, I take it that your evidence is 24 that you would insert the word -- you would strike out 25

StenoTran

the word "including" and insert the word "exclusively". 1 2 24788 Is that what you are telling the Commissioner? 3 24789 MR. F. DOUCET: I'm not saying any of 4 5 that. 6 24790 MR. AUGER: I'm going to suggest to 7 you that the reason the sentences the way you have 8 constructed them make sense -- and I think you agreed with Mr. Wolson yesterday -- that you need a plant 9 built in Canada before you can sell internationally. 10 11 24791 Is that something as a matter of 12 common sense we can agree to? 13 24792 MR. F. DOUCET: I think so, yes. 24793 MR. AUGER: At Tab 46, back to the 14 mandate document --15 16 24794 MR. F. DOUCET: Yes, I'm there. MR. AUGER: Thank you. I'm looking 17 24795 18 at the page with handwriting on it, the second page in 19 my book. 20 24796 MR. F. DOUCET: Yes. 24797 MR. AUGER: You read the mandate 21 22 sheet in its blank form, if I can put it that way, 23 without handwriting on it, to Mr. Mulroney before you met with Mr. Schreiber; right? 24

25 24798 MR. F. DOUCET: Correct.

StenoTran

MR. AUGER: You then meet with Mr. Schreiber and your evidence is that the writing that we see on page 2 in Tab 46 was generated at that meeting; right? MR. F. DOUCET: The writing was generated at that meeting, correct. MR. AUGER: Correct. The handwriting. MR. F. DOUCET: Correct.

MR. AUGER: After that meeting you spoke to Mr. Mulroney and confirmed to Mr. Mulroney what is written on the mandate sheet; right? MR. F. DOUCET: Correct.

1424805MR. AUGER: And the obvious purpose15of that was to satisfy Mr. Mulroney that you once and16for all had been able to memorialize the mandate;

17 right?

1

2

3

4

5

6

7

8

9

24799

24800

24801

24802

18 24806 MR. F. DOUCET: Correct.

1924807MR. AUGER: And I think that you had20indicated to Mr. Wolson earlier words to the effect21that Mr. Mulroney had approved what you had read back22to him, what we can now see in the mandate sheet?2324808MR. F. DOUCET: I don't think I used24that language at all.

25 24809 MR. AUGER: If I suggest that to you

2385

2386

now, did Mr. Mulroney approve of the wording on the 1 mandate sheet when you read it back to him after 2 meeting with Mr. Schreiber? 3 MR. F. DOUCET: All I recall him 24810 4 5 saying to me after I read it to him, that's good, that's fine, words to that effect. 6 MR. AUGER: He didn't dispute what 7 24811 8 you read back to him, what we can now see in the mandate sheet with handwriting on it? 9 24812 Mr. Mulroney didn't dispute any of 10 11 it? MR. F. DOUCET: Not that I recall. 12 24813 13 24814 MR. AUGER: You read to him the terms obviously, because that was the whole point of the 14 exercise. 15 MR. F. DOUCET: Correct. 16 24815 17 24816 MR. AUGER: You read to him the fact 18 that the amount written was \$250,000. 19 24817 MR. F. DOUCET: Correct. 20 24818 MR. AUGER: Mr. Mulroney didn't ask you to in any way amend that amount? 21 22 24819 MR. F. DOUCET: No. 23 24820 MR. AUGER: You formed the impression after that discussion with Mr. Mulroney that he had in 24 fact approved of that amount; correct? 25

1 24821 MR. F. DOUCET: I'm not going to say that. I don't recall his telling me that at all. 2 3 24822 I recall his saying to me that's fine, that's okay, words to that effect. 4 24823 5 MR. AUGER: That the \$250,000 was okay or fine, words to that effect? 6 24824 MR. F. DOUCET: There was no -- his 7 8 reaction was not solely to that. It was to my recounting to him everything that I had on the piece of 9 10 paper. 11 24825 MR. AUGER: And you recounted the 12 \$250,000? 13 24826 MR. F. DOUCET: I did indeed. 14 24827 MR. AUGER: And you have told the Commissioner that you even have had discussions with 15 Mr. Mulroney recently in preparing for your testimony. 16 Is that fair? 17 24828 18 24829 MR. F. DOUCET: That is fair. 19 24830 MR. AUGER: And even as recent as 20 those discussions, I take it that Mr. Mulroney didn't ask you whether the mandate sheet should be amended? 21 22 24831 MR. F. DOUCET: Did not. 23 24832 MR. AUGER: So from February 4, 2000 through to now you had the impression that Mr. Mulroney 24

agreed with the content of the mandate sheet, at least

StenoTran

to you? 1 2 24833 MR. F. DOUCET: I have recounted to 3 the Commission precisely what happened. 24834 MR. AUGER: The date of the meeting 4 5 and the date of the mandate sheet is February 4, 2000; correct? 6 24835 MR. F. DOUCET: Correct. 7 8 24836 MR. AUGER: Do you know whether or 9 not Mr. Mulroney was contemplating or in the course of making voluntary disclosure to Revenue Canada at that 10 11 time? 12 24837 MR. F. DOUCET: I have no idea about 13 that at all. 14 24838 MR. AUGER: No knowledge whatsoever of Mr. Mulroney making voluntary disclosure of an 15 amount from Mr. Schreiber? 16 MR. F. DOUCET: Not at all. 17 24839 18 24840 MR. AUGER: So me, if I were to 19 suggest that to you, that is the first time you have 20 heard of that? 24841 MR. F. DOUCET: You mean right now? 21 22 24842 MR. AUGER: If I were to suggest to 23 you that Mr. Mulroney made a voluntary disclosure to Revenue Canada? 24 MR. F. DOUCET: No, I have heard that 25 24843

in the popular media somewhere. 1 2 24844 MR. AUGER: Fair enough. 3 24845 MR. F. DOUCET: Yes. 24846 MR. AUGER: Fair enough. And I take 4 5 it that at no time, therefore, did Mr. Mulroney say to you that the \$250,000 should be amended to \$225,000 6 because that could cause a problem with Revenue Canada? 7 8 24847 Nothing to that effect? 9 24848 MR. F. DOUCET: There was never a mention by him to me about the number. 10 11 24849 MR. AUGER: To this day? 24850 MR. F. DOUCET: To this day. 12 13 24851 MR. AUGER: Did you send a copy of the mandate sheet to Mr. Mulroney in early 2000? 14 MR. F. DOUCET: My best recollection 15 24852 16 is that I did not, but I did send it either directly or through my lawyers in the context of the Ethics 17 18 Committee, I believe before the Ethics Committee. 19 Maybe three weeks, a month before. I'm not exactly 20 sure. 24853 MR. AUGER: Just to assist you, that 21 22 would be in the fall of 2007. MR. F. DOUCET: As best I can recall. 23 24854 MR. AUGER: But prior to that you 24 24855 25 have no recollection of forwarding this mandate sheet

StenoTran

either through lawyers or directly to Mr. Mulroney; 1 2 correct? 24856 3 MR. F. DOUCET: I have no recollection of that, no. 4 5 --- Pause 6 24857 MR. AUGER: You have told the Commissioner about your lengthy and good friendship 7 8 with Mr. Mulroney and we don't need to go through that again. But I take it that, by extension, you shared a 9 number of years through good times and bad times with 10 11 Mr. Mulroney; correct? 12 24858 MR. F. DOUCET: Correct. 13 24859 MR. AUGER: And that is what good friends are about and that was true of you and 14 15 Mr. Mulroney. 16 24860 MR. F. DOUCET: Correct. 17 24861 MR. AUGER: Did Mr. Mulroney at any 18 time say to you that Fred, I've got a serious problem I 19 need to talk to you about? I received cash from Mr. Schreiber and I don't know what to do in terms of 20 Revenue Canada? 21 22 24862 MR. F. DOUCET: He never mentioned 23 anything of the sort. 24863 24 MR. AUGER: So that wasn't something 25 that he confided in you or sought your advice about?

StenoTran

MR. F. DOUCET: Absolutely not. MR. AUGER: You knew, as of the Pierre Hotel meeting, that Mr. Mulroney was generating income from Mr. Schreiber? MR. F. DOUCET: Correct. MR. AUGER: And presumably you assumed at that time and thereafter that any income would have been declared and taxes paid? MR. F. DOUCET: It never crossed my mind. MR. AUGER: If I can ask you to again turn your attention to the mandate sheet at Tab 46 --MR. F. DOUCET: Yes, I'm there. MR. AUGER: Just so I understand, you start the meeting with Mr. Schreiber on February 4, 2000; correct? MR. F. DOUCET: Correct. MR. AUGER: You and him are alone in a boardroom adjacent to your office with this one-page blank document. MR. F. DOUCET: Two pages. MR. AUGER: Two blank mandate sheets? MR. F. DOUCET: Correct. MR. AUGER: And you remember that vividly?

StenoTran

24878 MR. F. DOUCET: I'm sorry...? 1 2 24879 MR. AUGER: You remember that 3 vividly? MR. F. DOUCET: I do. 24880 4 5 24881 MR. AUGER: Could there have been more than two blank sheets? 6 24882 MR. F. DOUCET: I really don't know. 7 8 I don't think so because I had one for myself that was a working -- the working piece and the one that I gave 9 to Mr. Schreiber. 10 11 24883 I'm not denying that there couldn't 12 have been a third. I could have made a third copy, but 13 I don't recall that. 14 24884 MR. AUGER: But your objective at the 15 commencement of that meeting was to generate 16 handwriting on the piece of paper that would accurately record the mandate? 17 18 24885 MR. F. DOUCET: Yes. 19 24886 MR. AUGER: So what was the purpose in showing up at the meeting with two blank mandates? 20 24887 MR. F. DOUCET: Well, I wanted him to 21 22 have one so he could follow along with me and I had one so that I could read it. 23 24888 MR. AUGER: Do you remember that as 24 25 you are sitting here today?

24889 MR. F. DOUCET: I do indeed. 1 2 24890 MR. AUGER: Was Mr. Schreiber writing 3 on his sheet that you gave him? MR. F. DOUCET: I don't recall that. 24891 4 I have no recall of that. 5 6 24892 MR. AUGER: Because as I understand 7 your evidence, there is handwriting that you say is 8 Mr. Schreiber's; correct? 9 24893 MR. F. DOUCET: Absolutely. 24894 MR. AUGER: And also handwriting that 10 11 you say is yours? MR. F. DOUCET: Correct. 12 24895 13 24896 MR. AUGER: So obviously, according to your evidence, there is one working page. There is 14 one page that you are working on. 15 16 24897 MR. F. DOUCET: That I was working on, correct. 17 18 24898 MR. AUGER: You will correct me if I'm wrong. You didn't produce a blank mandate sheet to 19 this Commission pursuant to your subpoena? 20 MR. F. DOUCET: I have no memory of 21 24899 22 doing that. I think the -- I would defer to my lawyer, 23 but my recollection is that we produced what we have called page 2. 24 25 24900 MR. AUGER: Yes. To be fair to you,

StenoTran

I see in the bottom left-hand corner it says
 2 'DOUCET00024".

I am assuming -- and I might be 3 24901 wrong. But I wanted to ask you whether or not you 4 5 remember or do you even have a blank mandate sheet? 6 24902 MR. F. DOUCET: I don't think I do have a blank mandate sheet. If I have one, it would be 7 8 one that would have come out of the process either of the Ethics Committee or -- but the one that I have been 9 relying on and have submitted, both to the Ethics 10 11 Commission and to this Commission, is what we have been calling page 2. 12 MR. AUGER: And your objective again 13 24903 was to memorialize, was your word, the understanding 14 between Mr. Mulroney and Mr. Schreiber by way of the 15 16 mandate sheet. MR. F. DOUCET: Correct. 17 24904 18 24905 MR. AUGER: What I don't understand 19 is that you had already memorialized that in December of 1999 with your own record; correct? 20 MR. F. DOUCET: More or less. 21 24906 22 24907 MR. AUGER: You told Mr. Wolson that

23 you never obtained a signature from Mr. Schreiber in

24 relation to the mandate sheet.

25 24908 MR. F. DOUCET: Correct.

1 24909 MR. AUGER: You didn't ask 2 Mr. Mulroney to sign it. 3 24910 MR. F. DOUCET: Correct. MR. AUGER: You didn't sign it as a 4 24911 witness? 5 6 24912 MR. F. DOUCET: No. However, if I 7 may? 8 24913 MR. AUGER: Of course. 9 24914 MR. F. DOUCET: The mandate sheet, page 2, is much more explicit in its various parts than 10 11 anything that I memorialized prior to that moment in 12 terms of the mandating companies and in terms of the 13 amount. 14 24915 MR. AUGER: Right. Because you had 15 said earlier in your evidence that some of your notes 16 of meetings with Mr. Schreiber, there were certain things that were implicit; right? 17 18 24916 MR. F. DOUCET: Yes. 19 24917 MR. AUGER: So what you are saying 20 now is that the mandate sheet is more explicit? MR. F. DOUCET: Is more --21 24918 22 24919 MR. AUGER: According to you. 23 24920 MR. F. DOUCET: Yes. 24 24921 MR. AUGER: Except that as Mr. Wolson 25 pointed out to you, and you agreed, that nowhere did

StenoTran

you make any reference to Bear Head or Thyssen? 1 2 MR. F. DOUCET: That is correct. 24922 24923 3 MR. AUGER: What was your understanding of the reason that you travelled to New 4 York to attend the Pierre Hotel? 5 6 24924 What was your understanding of that? 24925 MR. F. DOUCET: My recollection is 7 8 that Mr. Schreiber called me several times in the lead-up to that meeting -- and I think there are 9 entries in my day book to verify that -- where he told 10 11 me that he would be attending a meeting in New York, 12 unrelated, but because of that he was arranging for a 13 luncheon for Mr. and Mrs. MacKay and how pleasant it would be if Mr. Mulroney could come to Montréal and 14 also attend the luncheon with the MacKay's as a 15 16 surprise to them. Then he indicated that of course I 17 24926 18 could go along, I should come along. 19 24927 MR. AUGER: I understand the social 20 component, but what I don't understand, and maybe you can help me -- my question is specific: Why did you 21

23 Mr. Schreiber? What was your understanding of that? 24 24928 MR. F. DOUCET: My recollection is 25 that it never crossed my mind. I went on the

22

StenoTran

physically sit in the hotel room with Mr. Mulroney and

1 invitation of Mr. Schreiber to the Pierre Hotel and I arranged the meeting between the two of them. He told 2 3 me what he wanted the meeting to be about, and when we got there I went along with Mr. Mulroney. 4 24929 5 MR. AUGER: Was it awkward when you were sitting there and they were talking about business 6 that you weren't involved in? 7 8 24930 MR. F. DOUCET: Not really. Not 9 really. Certainly Mr. Mulroney was aware that I was on with him and Mr. Schreiber said nothing at the door 10 11 when we arrived, that I shouldn't be there. I just 12 presumed that he was okay with it too. 13 24931 MR. AUGER: In any event, this was the first time that you had heard anything about 14 Mr. Mulroney doing work in China, Russia or France; 15 16 correct? 17 24932 MR. F. DOUCET: Correct. 18 24933 MR. AUGER: And I think you had 19 indicated in your evidence that Mr. Mulroney was quite 20 eloquent and that you were quite impressed by his 21 presentation. 22 24934 MR. F. DOUCET: Correct. 23 24935 MR. AUGER: I take it, too, that you

were impressed by the potential opportunity that you were hearing about?

StenoTran

1 24936 MR. F. DOUCET: I was -- yes, I would 2 say. 3 24937 MR. AUGER: The potential vast markets that Mr. Mulroney was telling Mr. Schreiber 4 5 about, according to you. 6 24938 MR. F. DOUCET: I don't have too much of a memory of the specifics. I have testified on what 7 8 I do recall. 9 24939 MR. AUGER: I'm not asking you about the specifics; I'm asking you about your general 10 11 impression. And your general impression is that you 12 were impressed in a general way about the vast 13 potential market that Mr. Mulroney was reporting about. MR. F. DOUCET: I'm not sure I would 14 24940 express it that way and I haven't testified that way. 15 16 24941 MR. AUGER: Did Mr. Mulroney in that meeting report to Mr. Schreiber on the dates that he 17 18 travelled to China or Russia or France on behalf of Bear Head or Mr. Schreiber? 19 20 24942 MR. F. DOUCET: I don't have a recollection of that. 21 22 24943 MR. AUGER: Did you have the general 23 impression that Mr. Mulroney's travels as he reported them in December of '94 were recent? 24 MR. F. DOUCET: I don't have a clear 25 24944

StenoTran

1 recollection of that.

2 24945 MR. AUGER: Obviously you travelled 3 back to Canada with Mr. Mulroney after that meeting. MR. F. DOUCET: As I have come to 24946 4 5 discover. I had originally been of the view that I had come back on my own. But so much for my memory. 6 MR. AUGER: Was there discussion on 7 24947 8 the trip back or thereafter with Mr. Mulroney about a cooling off period for him? 9 24948 MR. F. DOUCET: I don't recall that 10 11 we discussed anything about the meeting coming back. MR. AUGER: Or thereafter? 24949 12 13 24950 MR. F. DOUCET: As I say -- I'm 14 sorry. MR. AUGER: I'm sorry, go ahead. 15 24951 16 24952 MR. F. DOUCET: I was going to say I didn't even remember that I had come back with him. 17 18 24953 MR. AUGER: And when I use the term "cooling off period", you are familiar with the meaning 19 of that as a former member of government? 20 MR. F. DOUCET: Yes. 21 24954 22 24955 MR. AUGER: And you in fact told the 23 Commissioner how you had negotiated a waiver of your own cooling off period? 24 MR. F. DOUCET: I don't recall that 25 24956

StenoTran

2400

activity at all. That was in 1988. That is fully 21 1 years ago. 2 24957 3 MR. AUGER: I understood from your evidence yesterday that you had told the Commissioner 4 5 that you had obtained, if not negotiated but at least obtained a waiver --6 MR. F. DOUCET: Correct. 7 24958 8 24959 MR. AUGER: -- of a cooling off period for you. 9 24960 MR. F. DOUCET: That's in the 10 11 document. 24961 MR. AUGER: Right. For you to get 12 13 started in your own business. 14 24962 MR. F. DOUCET: Correct. MR. AUGER: And you knew that that 15 24963 16 was a requirement in order to go into private practice? MR. F. DOUCET: I'm sure I did. 17 24964 18 24965 MR. AUGER: And even to this day you 19 have no recollection of a discussion or a mention of cooling off period with Mr. Mulroney in terms of his 20 own obligations? 21 MR. F. DOUCET: I have no 22 24966 recollection of that. 23 MR. AUGER: Thank you, sir. Those 24967 24 25 are my questions.

1 24968 MR. F. DOUCET: You are welcome. 2 24969 MR. AUGER: Thank you, Commissioner. 24970 3 COMMISSIONER OLIPHANT: Thank you, 4 Mr. Auger. 24971 5 I trust that counsel -- no agreement has been made as to the order? 6 24972 7 MR. PRATTE: I had spoken to 8 Mr. Auger. We had no questions. That's why he went. 9 24973 COMMISSIONER OLIPHANT: No questions 10 from you, Mr. Pratte. Thank you. 11 24974 Mr. Vickery? 24975 MR. VICKERY: No questions, thank 12 13 you. COMMISSIONER OLIPHANT: No questions. 14 24976 All right. Mr. Houston...? 15 24977 16 EXAMINATION: FRED DOUCET BY MR. HOUSTON / INTERROGATOIRE : FRED DOUCET PAR ME HOUSTON 17 18 24978 MR. HOUSTON: Mr. Doucet, when were 19 you born? 20 24979 What is your date of birth? 21 24980 MR. F. DOUCET: January 30, 1939. 22 24981 MR. HOUSTON: And you were born in 23 Cape Breton, Nova Scotia? 24 24982 MR. F. DOUCET: That's correct. MR. HOUSTON: And we have heard 25 24983

2402

discussion obviously over the past number of days about 1 the Bear Head Project, and you became familiar with 2 that in the mid-80s? 3 MR. F. DOUCET: Yes. 24984 4 5 24985 MR. HOUSTON: Some 25 years ago, approximately, you first heard of it? 6 MR. F. DOUCET: That would be about 7 24986 8 right. 9 24987 MR. HOUSTON: Is it fair to say, sir, that from the outset as a Cape Bretoner you talked up 10 this project any time you had an opportunity to do so? 11 24988 MR. F. DOUCET: That would probably 12 13 be fair. I don't particularly recall, but I think being a Cape Bretoner I would be prone that way. 14 MR. HOUSTON: Let's just talk about 15 24989 16 your recollection then. You worked from 1983 with 17 24990 Mr. Mulroney as Chief of Staff and then subsequent, 18 1984 to 1987, in his office and then you were working 19 with the summits? 20 MR. F. DOUCET: Correct. 21 24991 22 24992 MR. HOUSTON: And I assume, sir, in 23 that period of approximately five years you would have met on numerous occasions with numerous individuals? 24 25 24993 MR. F. DOUCET: Yes.

1 24994 MR. HOUSTON: And over that five-year 2 period you would have communicated on a regular basis with, I'm going to suggest, hundreds of different 3 people by telephone? 4 24995 5 MR. F. DOUCET: Absolutely. 6 24996 MR. HOUSTON: And so when Mr. Wolson 7 asked you specific questions about telephone 8 conversations with whether it be Senator Murray or some Cabinet Minister, it could have been one of literally 9 hundreds of conversations you had in that period of 10 11 time? 12 24997 MR. F. DOUCET: Absolutely. 13 24998 MR. HOUSTON: So when you say you don't recall, it's because you can't recall every 14 single conversation you had, I assume, in that period. 15 MR. F. DOUCET: 16 24999 That's for sure. 17 25000 MR. HOUSTON: Would I be correct, sir, that in the period of time from 1988 right through 18 19 until now you carried on your business and you have 20 again talked to numerous people in the course of your business? 21 22 25001 MR. F. DOUCET: Absolutely. 23 25002 MR. HOUSTON: In person and by phone. MR. F. DOUCET: 24 25003 Yes.

25004 MR. HOUSTON: How many phone calls

25

StenoTran

would you average a day, four or five, more? MR. F. DOUCET: When I was in business or in government? MR. HOUSTON: How about right now, sir, in business, over the last 20 years? Just a rough quess, sir. MR. F. DOUCET: Yeah, well if I --MR. HOUSTON: What are we talking about, five, ten? MR. F. DOUCET: Well, once upon a time in the early phases of my business, probably more like 100 a day. MR. HOUSTON: A hundred a day? MR. F. DOUCET: Yes. MR. HOUSTON: So we could be talking --MR. F. DOUCET: In the last --MR. HOUSTON: I'm sorry, sir? MR. F. DOUCET: I was going to say in the more recent past many, many fewer. MR. HOUSTON: How many is many fewer? MR. F. DOUCET: Probably down to half a dozen or so. MR. HOUSTON: But even half a dozen or so, you would still be communicating 50 or 60 times

a day, even recently? MR. F. DOUCET: Fifty or 60 --MR. HOUSTON: A week, I should say. MR. F. DOUCET: A week, yes. MR. HOUSTON: So we are talking even recently, 200 or 300 conversations a day and back 20 years ago it was more in the range of thousands of conversations? MR. F. DOUCET: Correct. MR. HOUSTON: Just while we are on it, sir -- and I will come back to it -- when you started your business in 1988, I assume on a regular basis you sent letters to people? MR. F. DOUCET: Yes. MR. HOUSTON: You sent memos to people? MR. F. DOUCET: Yes. MR. HOUSTON: You would send notes to people from time to time? MR. F. DOUCET: Like faxes and --MR. HOUSTON: Faxes. MR. F. DOUCET: Yes. MR. HOUSTON: We didn't have e-mail notes, as best as I can remember, back then. How many times a week would you do

StenoTran

that, sir, back in '88? Are we talking dozens? 1 2 25034 MR. F. DOUCET: Oh many, yes. 3 25035 MR. HOUSTON: So from 1988 to 1994, would you be sending on a regular basis hundreds if not 4 a few thousands of notes and e-mail -- faxes and 5 letters to clients? 6 MR. F. DOUCET: Over what period? 7 25036 8 25037 MR. HOUSTON: On an annual basis in the '80s and the '90s? 9 25038 MR. F. DOUCET: Certainly in the 10 11 thousands. 25039 MR. HOUSTON: All right. Some 12 letters you would remember, some you wouldn't. Is that 13 fair? 14 MR. F. DOUCET: That is fair. Most I 15 25040 16 wouldn't. MR. HOUSTON: Okay. We will come 17 25041 18 back to some letters then, sir. 19 25042 We have heard about your heart condition, sir. When did you have your operation? 20 --- Pause 21 22 25043 MR. HOUSTON: It was April 1988, was 23 it not? 25044 24 Are you all right? Do you want to take a break? 25

1 25045 Perhaps we could take a break, Mr. Commissioner? 2 COMMISSIONER OLIPHANT: Certainly. 3 25046 Perhaps you could just let me know 25047 4 when Mr. Doucet is able to go on. 5 6 25048 MR. HOUSTON: Yes. Thank you, sir. 7 Very good. 8 --- Upon recessing at 2:40 p.m. / Suspension à 14 h 40 --- Upon resuming at 2:50 p.m. / Reprise à 14 h 50 9 25049 COMMISSIONER OLIPHANT: Be seated, 10 11 please. 25050 12 MR. HOUSTON: How are you doing, 13 Mr. Doucet? 25051 MR. F. DOUCET: I'm fine, I hope. 14 25052 COMMISSIONER OLIPHANT: As I 15 16 indicated to you yesterday, Mr. Doucet, if you have a problem -- and I can appreciate that you do -- just let 17 me know. 18 19 25053 MR. F. DOUCET: I appreciate it. Thank you. I apologize. 20 25054 COMMISSIONER OLIPHANT: You don't 21 22 have to apologize. 23 25055 MR. HOUSTON: I appreciate that it's emotional. Could you just tell the Commissioner 24 briefly when the surgery was, sir. 25

25056 MR. F. DOUCET: Twenty-one years ago. 1 2 MR. HOUSTON: It was August of -- I'm 25057 3 sorry, April of 1988? 25058 MR. F. DOUCET: Correct. 4 5 25059 MR. HOUSTON: And you convalesced for a period of time, I assume? 6 25060 MR. F. DOUCET: I did. 7 8 25061 MR. HOUSTON: And you told us, sir, that you left the government service in August of 1988 9 and, in the vernacular, hung up your shingle. 10 11 25062 MR. F. DOUCET: Correct. 12 25063 MR. HOUSTON: And you told Mr. Wolson 13 that over the course of a period of time you built up a clientele. 14 MR. F. DOUCET: Yes. 15 25064 16 25065 MR. HOUSTON: And you started -- did you start slowly or did you have the clients knocking 17 18 on the door fairly quickly? 19 25066 MR. F. DOUCET: Well, not -- I think more like me knocking on their doors. 20 25067 MR. HOUSTON: Was that successful in 21 22 the sense of signing up clients, if I may use that 23 terminology? 25068 MR. F. DOUCET: For my standards, I 24 25 thought it was pretty successful, yes.

StenoTran

25069 MR. HOUSTON: All right. 1 2 Now, you told us, sir, that your 25070 3 pattern was over the years to engage in retainerships, as you call it, with your clients? 4 5 25071 MR. F. DOUCET: Correct. 6 25072 MR. HOUSTON: And from the outset 7 your evidence has been that that was your relationship 8 with Mr. Schreiber and his companies? 25073 MR. F. DOUCET: Correct. 9 25074 MR. HOUSTON: Just when we talk about 10 11 his companies, sir -- there was a brief mention to it -- would you look at -- it is Tab 10, Mr. 12 Commissioner, Binder 1. I will just be referring to 13 Binder 1, sir. 14 15 25075 There were two companies that you 16 were registered as a lobbyist for; correct, Mr. Doucet? 17 25076 MR. F. DOUCET: Correct, yes. 18 25077 MR. HOUSTON: We see at Binder 1 19 "Bitucan Holdings Ltd." 20 25078 MR. F. DOUCET: Correct. 25079 MR. HOUSTON: And the document is 21 22 signed by you at the bottom on the 5th day of October 23 1989, the bottom right-hand corner? 25080 MR. F. DOUCET: Correct. 24 25 MR. HOUSTON: And the company is 25081

shown as Bitucan Holdings with Mr. Karlheinz Schreiber 1 as the client, the corporate officer? 2 3 25082 MR. F. DOUCET: Correct. MR. HOUSTON: If we turn over four 25083 4 5 pages, we see a lobby registration document for Bear Head Industries Limited. 6 MR. F. DOUCET: Correct. 7 25084 8 25085 MR. HOUSTON: Again signed by you on the 5th of October 1989? 9 25086 MR. F. DOUCET: Correct. 10 11 25087 MR. HOUSTON: Mr. Greg Alford is 12 shown as the corporate executive. 13 25088 MR. F. DOUCET: Correct. 14 25089 MR. HOUSTON: Just by way of information, Mr. Commissioner, as part of my 15 16 argument -- and Mr. Doucet briefly referred to it -- it is a matter of law that the law was proclaimed in force 17 18 on the 30th -- effective the 30th of September 1989. I 19 will file the relevant legislation in due course. 20 25090 COMMISSIONER OLIPHANT: Thank you. 25091 21 MR. HOUSTON: Mr. Doucet, you have 22 told the Commissioner that you do not recall the 23 invoice for \$90,000. 25092 MR. F. DOUCET: That is correct. 24 25 25093 MR. HOUSTON: Would you just turn to

it briefly, sir? It is at Tab 8 of the material you 1 have in front of you. 2 MR. F. DOUCET: Okay. I'm there. 25094 3 MR. HOUSTON: Your invoice reads: 25095 4 "Re: Professional Services". 5 6 25096 MR. F. DOUCET: That's correct. 25097 MR. HOUSTON: It doesn't read "Re: 7 8 (Professional) services rendered". 9 25098 MR. F. DOUCET: No. 25099 MR. HOUSTON: Just by way of 10 11 comparison, the invoices that we also see are worded "Re: two professional services rendered by Gerald 12 13 Doucet", your brother. 14 25100 MR. F. DOUCET: I see that. MR. HOUSTON: And Mr. Moores "For 15 25101 16 (Professional) Services Rendered by Frank D. Moores on your behalf". 17 18 25102 MR. F. DOUCET: I see that. 19 25103 MR. HOUSTON: The company says "Re: Consulting Services Rendered". 20 25104 MR. F. DOUCET: I'm sorry, where are 21 22 you? 23 25105 MR. HOUSTON: The next invoice after Mr. Moores. 24 MR. F. DOUCET: Yes. 25 25106

StenoTran

25107 MR. HOUSTON: Do you see that? 1 2 MR. F. DOUCET: Yes, I see that. 25108 3 25109 MR. HOUSTON: And Lemoine Consultants Inc. likewise reads "For professional Services 4 rendered". 5 25110 MR. F. DOUCET: Correct. 6 7 25111 MR. HOUSTON: When you invoiced a 8 client or sent out a retainer, did you send the invoice in the way you have done this particular invoice to 9 Bitucan, "Re: Professional Services"? 10 11 25112 Is that the way you invoiced them for a retainer? 12 25113 13 MR. F. DOUCET: That would be the way I would traditionally invoice, yes. 14 25114 MR. HOUSTON: All right. 15 16 25115 Now, sir, bearing in mind that you have no recollection of this, this document, the 17 18 invoice, came to your attention at or around the time that you had testified before the Ethics Committee? 19 25116 MR. F. DOUCET: That is correct. 20 25117 MR. HOUSTON: You were not in a 21 22 position, again to use the vernacular, to compare 23 notes, in other words to check with Mr. Moores or Mr. Ouellet, were you, because both are deceased. 24 25 25118 MR. F. DOUCET: Correct.

StenoTran

1 25119 MR. HOUSTON: Again I appreciate it is a delicate matter, but your brother Gerald is not 2 3 well? 25120 MR. F. DOUCET: Correct. 4 MR. HOUSTON: And I understand his 5 25121 6 health condition is such you cannot carry on a conversation with him in any meaningful fashion. 7 8 25122 MR. F. DOUCET: Correct. 9 25123 MR. HOUSTON: So you were not in a position, even as recently as February of '08, to 10 11 discuss with Gerald any recollections he had for these documents, given his condition? 12 13 25124 MR. F. DOUCET: No. 14 25125 MR. HOUSTON: From the outset you were working for Bear Head. Did you differentiate, by 15 16 the way, sir, between Bear Head and Bitucan when you worked with and for Mr. Schreiber? 17 MR. F. DOUCET: I don't think so. I 18 25126 19 think the two, certainly in my mind, were really one. 20 25127 MR. HOUSTON: Mr. Frank Moores, he has been, as Mr. Wolson went through with you -- or 21 22 was, I should say, a long time friend of yours? MR. F. DOUCET: Yes. 23 25128 24 25129 MR. HOUSTON: You and he enjoyed 25 fishing?

MR. F. DOUCET: Yes. MR. HOUSTON: And I understand on a regular annual basis you went fishing --MR. F. DOUCET: Yes. MR. HOUSTON: -- often with him. MR. F. DOUCET: Indeed. MR. HOUSTON: At any point in the period of time that you knew Mr. Doucet(sic) from -- I gather from the '70s up until the time of his death, did you ever have a falling out with him? MR. F. DOUCET: Never. MR. HOUSTON: Were you ever engaged in a spat with him, such as I understand one time described by Mr. Schreiber that you stopped talking to one another? MR. F. DOUCET: That is not true. The only spat I ever had with Mr. Moores was on the fishing river. MR. HOUSTON: Who got the biggest fish. MR. F. DOUCET: That's correct. MR. HOUSTON: I'm going to take you, sir, to June of 1993. MR. F. DOUCET: Yes. MR. HOUSTON: You have already told

1 the Commissioner and it's in the notes -- Mr. Wolson has been through it -- that a meeting was held with 2 3 Mr. Mulroney on the 3rd of June of 1993. 25144 MR. F. DOUCET: Correct. 4 5 25145 MR. HOUSTON: But you don't have any specific recollection of that meeting? 6 25146 MR. F. DOUCET: I don't, other than 7 8 someone noting for me that there was a picture. 9 25147 MR. HOUSTON: All right. There is a picture I understand, which will be introduced, I 10 11 further understand, in the record which shows Mr. Mulroney, yourself, Mr. Schreiber and 12 13 Mr. Mclaughlin who you identified yesterday. 14 25148 MR. F. DOUCET: Correct. 25149 MR. HOUSTON: A picture that I 15 16 further understand probably was taken on the 3rd of June 1993. 17 18 25150 MR. F. DOUCET: That's my best 19 recollection, that would be the case, yes. 20 25151 MR. HOUSTON: From 1988-'89 through 1993 you on a regular basis discussed matters involving 21 22 Bear Head obviously with Mr. Schreiber? 23 25152 MR. F. DOUCET: From what years to 24 what years? 25 25153 MR. HOUSTON: From '88-'89 through

June of 1993 you discussed Bear Head? 1 2 25154 MR. F. DOUCET: Yes, absolutely. MR. HOUSTON: So if there were 3 25155 discussions involving Bear Head involving Mr. Schreiber 4 5 and Mr. Mulroney, it wouldn't be unusual for you to sit in on them, as you did -- I'm going to jump forward to 6 the Pierre Hotel. 7 8 25156 They were discussing matters that you had heard of --9 25157 MR. F. DOUCET: Absolutely 10 11 25158 MR. HOUSTON: -- Bear Head. 25159 MR. F. DOUCET: Absolutely. 12 13 25160 MR. HOUSTON: Very briefly, sir, there is reference then to the meeting at Harrington 14 Lake. 15 16 25161 Your evidence, as I understand it, is you have no recollection that you had a role in setting 17 18 up that meeting? 19 25162 MR. F. DOUCET: I have no such recollection. 20 MR. HOUSTON: You have examined your 21 25163 22 diary for June of 1993? MR. F. DOUCET: I have. 23 25164 MR. HOUSTON: And I understand that 24 25165 it reflects, on the 17th of June 1993, that you left on 25

your annual fishing trip. 1 2 MR. F. DOUCET: That was the first of 25166 the annuals. 3 25167 MR. HOUSTON: I see. 4 And I further understand, sir, that 5 25168 it reflects that, on the 24th of June, you returned 6 from the Gaspé, where the fishing trip had taken place, 7 8 to Ottawa. 9 25169 MR. F. DOUCET: That's correct. 25170 MR. HOUSTON: Did you know of the 10 11 meeting at Harrington Lake in June of 1993? MR. F. DOUCET: I have no 12 25171 13 recollection of knowing of the meeting. MR. HOUSTON: Now, you have told us 25172 14 the role that you played with respect to the meeting at 15 Mirabel. 16 MR. F. DOUCET: Yes. 17 25173 18 25174 MR. HOUSTON: You have also told us 19 of the memory you have of a conversation with Mr. Schreiber. 20 25175 MR. F. DOUCET: Correct. 21 22 25176 MR. HOUSTON: Why do you remember 23 that one, as opposed to some other conversations, Mr. Doucet? 24 MR. F. DOUCET: Well, I remember it 25 25177

StenoTran

because it represented an assignment to Mr. Mulroney, 1 or at least the implication was that this is what was 2 3 being sought for the meeting, and I recall that I found that to be a happy moment, because Mr. Mulroney was 4 about to enter the private sector and here was a 5 client. 6 25178 7 So that registered with me. 8 25179 And I had, of course, had Mr. Schreiber as a client, and a good client, so I was 9 pleased with that. 10 11 25180 MR. HOUSTON: I have already, sir, 12 briefly touched on the fact that you, over the years, sent and received numerous pieces of correspondence. 13 25181 MR. F. DOUCET: I'm sorry? 14 15 25182 MR. HOUSTON: I have already touched 16 on the fact that over the period of time you were in business, at least between 1988 and 1993-94, you sent 17 18 and received numerous pieces of correspondence. 19 25183 MR. F. DOUCET: Correct. 20 25184 MR. HOUSTON: Some you might remember; a lot you would have forgotten. 21 22 25185 MR. F. DOUCET: That's for sure. 23 25186 MR. HOUSTON: As an example of a 24 piece of correspondence that has been identified that you recall, would you turn to Tab 24, sir. 25

StenoTran

MR. F. DOUCET: Yes, I am there. MR. HOUSTON: Again, Mr. Wolson has already referred this particular letter to you. You remember this letter, do you? MR. F. DOUCET: This is the letter of April 19th? MR. HOUSTON: Yes, 1992. You are expressing your opinion on the status of the Bear Head Project to Mr. Schreiber. MR. F. DOUCET: Correct. MR. HOUSTON: And you are giving him some advice. MR. F. DOUCET: Yes. MR. HOUSTON: This is a letter that you looked at and said, "I remember this one." MR. F. DOUCET: Yes. MR. HOUSTON: Now, it is April 1992. Would you turn, sir, to Tab 58, one month before it? MR. F. DOUCET: Yes, I am there. MR. HOUSTON: It is a letter dated the 24th of March 1992. MR. F. DOUCET: Correct. MR. HOUSTON: It's a very brief note. You can read it; we all can read it. MR. F. DOUCET: Yes.

25202 MR. HOUSTON: You have already told 1 the Commissioner that you don't remember it. 2 MR. F. DOUCET: I do not. 3 25203 MR. HOUSTON: It is what I would 25204 4 5 describe, sir, as a non-report, and by that I suggest that all it says is -- by reading it -- Mr. Schreiber, 6 you asked me to get in touch with Mr. Moores --7 8 25205 That's "F.M.", right? 9 25206 MR. F. DOUCET: Correct. 25207 MR. HOUSTON: -- I have tried, and I 10 11 have not succeeded. "Yours very truly..." 25208 MR. F. DOUCET: That's right. 12 13 25209 MR. HOUSTON: A mundane note that might mean absolutely nothing to you, even within a day 14 or two of signing it and sending it off. 15 Is that not fair? 16 25210 17 25211 MR. F. DOUCET: That is probably 18 fair. 19 25212 MR. HOUSTON: Jump forward, sir, to the note at Tab --20 COMMISSIONER OLIPHANT: Mr. Houston, 21 25213 22 I'm sorry. Did you say that this letter says that Mr. Doucet was asked to contact Mr. Moores? 23 25214 24 MR. HOUSTON: What it says, sir, as I read it --25

1 25215 COMMISSIONER OLIPHANT: It says that by now he should have heard from Mr. Moores. 2 MR. HOUSTON: He should have heard 3 25216 from Mr. Moores. I'm sorry. 4 25217 5 COMMISSIONER OLIPHANT: Yes, that's quite different. 6 25218 MR. HOUSTON: Yes, I concede that. 7 8 I'm sorry, Mr. Commissioner, you are quite right. 9 25219 It indicates, sir, that you haven't heard from Mr. Moores. 10 11 25220 MR. F. DOUCET: That's correct. 25221 MR. HOUSTON: And you are simply 12 13 reporting that. 14 25222 MR. F. DOUCET: Correct. 25223 MR. HOUSTON: And nothing more. 15 16 25224 MR. F. DOUCET: That's correct. 17 25225 MR. HOUSTON: The note, then, at Tab 18 60 --19 25226 MR. F. DOUCET: Yes? 25227 MR. HOUSTON: Again, sir, I 20 understand that you have indicated that you don't 21 22 remember this note, but just the opening few lines --23 again, we can read it. MR. F. DOUCET: Yes. 24 25228 25 25229 MR. HOUSTON: It is dated April 1994.

25230 MR. F. DOUCET: Yes. 1 2 MR. HOUSTON: 25231 "I have now been able to carry 3 out (once again) my assignment 4 5 to find out accurately how many A320s were bought and fully paid 6 by Air Canada directly from the 7 8 <u>Airbus Company</u>." "My assignment" -- you don't know who 9 25232 assigned you that, but you are reporting to Mr. 10 11 Schreiber. Correct? 12 25233 MR. F. DOUCET: I am presuming 13 that --MR. HOUSTON: By just reading the 14 25234 15 letter. MR. F. DOUCET: -- it was his 16 25235 assignment to me. 17 18 25236 MR. HOUSTON: Right. And you report 19 to him certain information, and, again, you don't 20 remember that letter. That's what you told the Commission. 21 22 25237 MR. F. DOUCET: I have no memory at all of that letter. 23 24 25238 MR. HOUSTON: If you turn back, then, 25 sir, to the note immediately before it -- August

1 1993 --

2 25239 MR. F. DOUCET: Yes, I am there. 3 25240 MR. HOUSTON: You are reporting, in the memo dated that date, the information that you 4 received from Mr. -- at least that's what the letter 5 reads, or the note reads -- that Mr. Biro confirmed the 6 delivery of 34 -- or the purchase of 34 Airbus units. 7 MR. F. DOUCET: I see that. 8 25241 9 25242 MR. HOUSTON: And there is reference to relaying the information to "F.M." -- Frank Moores. 10 11 25243 MR. F. DOUCET: Correct. 25244 MR. HOUSTON: And there is the memo 12 13 from the Air Canada representative. 25245 MR. F. DOUCET: Yes. 14 MR. HOUSTON: I appreciate, sir, that 15 25246 16 you have no recollection of it. Do you have any knowledge of what "investor relations" relates to? 17 18 25247 MR. F. DOUCET: Well, I have no recollection, but I presume that --19 25248 MR. HOUSTON: Don't presume. If you 20 don't know, sir, you can tell the Commissioner. 21 22 25249 I understand that it relates to 23 shareholders of the company who wish to receive information. 24 25 25250 MR. F. DOUCET: Correct.

StenoTran

1 25251 MR. HOUSTON: And the number of 2 Airbus units delivered is simply noted in the message 3 at the bottom of this page. 25252 MR. F. DOUCET: It appears to be 4 that, yes. 5 6 25253 MR. HOUSTON: Apart from reading it, 7 you have no recollection of it? 8 25254 MR. F. DOUCET: I have no recollection of it at all. 9 25255 MR. HOUSTON: It would appear on the 10 11 two notes that you report to Mr. Schreiber in 1993, and 12 you report again, at least according to the notes, in 13 1994 some information. 14 25256 MR. F. DOUCET: It would appear to be 15 that. 16 25257 MR. HOUSTON: Again, I would suggest that they are what I would describe as somewhat mundane 17 18 notes, in the sense of simply reporting information 19 that you had received -- according to the notes, at least. 20 25258 MR. F. DOUCET: Yes. 21 22 25259 MR. HOUSTON: Having been a 23 delightful passenger from time to time on Air Canada, if you look in the on-flight booklet that they provide 24 to us, they tell us from time to time what the fleet is 25

in Air Canada. Correct? 1 2 They tell us how many units of 727s 25260 3 or Airbus units they have? MR. F. DOUCET: Yes, I seem to recall 25261 4 5 that. 6 25262 MR. HOUSTON: There is nothing startling about the number of units of Airbus that Air 7 8 Canada had as of any year? 9 25263 Or do you know that, one way or the other, sir? 10 11 25264 MR. F. DOUCET: I don't know that, one way or the other. 12 13 25265 MR. HOUSTON: In any event, you simply have no recollection of these particular notes. 14 25266 MR. F. DOUCET: None at all. 15 16 25267 MR. HOUSTON: These notes have been received from time to time, along with, as you have 17 18 described to the Commissioner, perhaps hundreds of other notes in `92, `93 and `94. 19 20 25268 MR. F. DOUCET: Correct. 25269 MR. HOUSTON: In 1994, sir, you 21 22 journeyed down to New York City with Mr. Mulroney. MR. F. DOUCET: Correct. 23 25270 25271 MR. HOUSTON: Mr. Schreiber has 24 25 advised the Commissioner that you were uninvited and

StenoTran

1 unexpected.

Are you aware of that evidence? 2 25272 3 25273 MR. F. DOUCET: I am aware. 25274 MR. HOUSTON: Your evidence is that 4 5 you spoke to him by phone. 6 25275 MR. F. DOUCET: Correct. 25276 MR. HOUSTON: And you had made 7 8 plans -- reservations to journey to New York City? 9 25277 The reservations were made for you, at least? 10 11 25278 MR. F. DOUCET: Yes. 25279 MR. HOUSTON: And we have already had 12 13 reference to the materials that you received from Mr. Alford and sent along to Mr. Mulroney's office in 14 advance of the meeting? 15 16 25280 MR. F. DOUCET: Correct. 17 25281 MR. HOUSTON: When you showed up at 18 the hotel room, did Mr. Schreiber express some surprise, say something to the effect of, "What are you 19 doing here?" 20 MR. F. DOUCET: Absolutely not. 21 25282 22 25283 MR. HOUSTON: Did he, at any time, 23 say, "Get out, you're not invited"? MR. F. DOUCET: No. 24 25284 25 MR. HOUSTON: You told us that you 25285

2426

recall sitting either on a two-seater or a couch, 1 side-by-side with Mr. Mulroney, and Mr. Schreiber 2 across a small table, seated across from the two of 3 4 you. 5 25286 MR. F. DOUCET: Correct. 6 25287 MR. HOUSTON: You have that clear 7 recollection? 8 25288 MR. F. DOUCET: Very clear. 9 25289 MR. HOUSTON: And you have already described what you recall was discussed on that 10 11 particular day? 12 25290 MR. F. DOUCET: Correct. 13 25291 MR. HOUSTON: Did you hear at any point, sir, any reference to anything that Mr. Mulroney 14 was going to be doing in Canada at that time, or at any 15 time, from Mr. Schreiber? 16 17 25292 MR. F. DOUCET: I have no recollection of hearing anything of that nature. 18 19 25293 MR. HOUSTON: During the time that the meeting took place, did you ever get up and speak 20 on the phone? 21 22 25294 MR. F. DOUCET: No. 23 25295 MR. HOUSTON: Were you seated 24 throughout the meeting that took place, to the best of your recollection? 25

1 25296 MR. F. DOUCET: To the best of my 2 recollection. 3 25297 MR. HOUSTON: Was the demeanour of both of them congenial throughout the discussion? 4 25298 5 MR. F. DOUCET: Very much so. 6 25299 MR. HOUSTON: And, likewise, when you 7 journeyed down to spend lunch with Mr. MacKay and his 8 wife? 25300 MR. F. DOUCET: Absolutely. 9 25301 MR. HOUSTON: And, from your 10 11 perspective, when you departed -- at least when you saw Mr. Mulroney depart, he was on good terms with Mr. 12 13 Schreiber? 25302 MR. F. DOUCET: Yes. 14 MR. HOUSTON: We have heard described 15 25303 16 in detail, sir, the notes that you took in 1999, particularly at your home in December of 1999. 17 18 25304 MR. F. DOUCET: Correct. 19 25305 MR. HOUSTON: You attempted to record, as accurately as you could, very shortly after 20 the meeting, what you recall Mr. Schreiber said to you. 21 22 25306 MR. F. DOUCET: Correct. 23 25307 MR. HOUSTON: You weren't relying on memory of events that had taken place weeks, if not 24 months, if not years before that. 25

25308 MR. F. DOUCET: No. 1 2 25309 MR. HOUSTON: You were talking of 3 events just an hour or so prior to your notetaking. 25310 MR. F. DOUCET: Correct. 4 5 25311 MR. HOUSTON: And you attempted, to the best of your ability, to record what you recall he 6 7 said to you. 8 25312 MR. F. DOUCET: Correct. 9 25313 MR. HOUSTON: And, likewise, when you made the notes in January at the Royal York Hotel, it 10 11 was the same procedure, you attempted to record, as accurately as you could, what you heard him say that 12 13 day? 25314 MR. F. DOUCET: Or the exchange, for 14 15 that matter. 16 25315 MR. HOUSTON: The mandate note -- it has already been discussed in great detail. The 17 handwriting on the document was all done in your 18 presence? 19 25316 MR. F. DOUCET: Absolutely. 20 21 25317 MR. HOUSTON: Mr. Commissioner, after 22 some effort, we have located the original. I thought 23 we would have it here today, but it is now safely in the hands of your counsel. I had planned to have Mr. 24 Doucet refer to it, but I would request, sir, that the 25

2429

original be filed with the Commission. 1 2 25318 You have seen the original in my office, Mr. Doucet? 3 25319 MR. F. DOUCET: I have, yes. 4 5 25320 MR. HOUSTON: And the document that, on your behalf, I delivered to Commission counsel, is 6 the document that was written on by both you and Mr. 7 8 Schreiber, in your presence? 25321 MR. F. DOUCET: Correct. 9 25322 MR. HOUSTON: Thank you very much, 10 11 sir. 25323 Those are my questions, Mr. 12 13 Commissioner. 25324 COMMISSIONER OLIPHANT: Thank you 14 very much, Mr. Houston. 15 16 25325 Mr. Wolson... MR. WOLSON: Yes, I have one area of 17 25326 18 re-examination. EXAMINATION: FRED DOUCET BY MR. WOLSON / 19 INTERROGATOIRE: FRED DOUCET PAR Me WOLSON 20 MR. WOLSON: I want to ask you, sir, 21 25327 22 about the 3rd of June of 1993. That was an area that I 23 had covered, and your counsel just asked you about it. You said that there was a photo taken of you --24 25 25328 Who was the photo of?

25329 MR. F. DOUCET: I'm sorry? 1 2 25330 MR. WOLSON: Who was the photo of? 3 25331 MR. F. DOUCET: The photo that I have seen had Mr. Mulroney, Mr. Schreiber, Mr. 4 5 MacLaughlin -- David MacLaughlin -- and myself. 6 25332 MR. WOLSON: And why did that happen, 7 or how did that happen? 8 25333 MR. F. DOUCET: I think, most of the time, after Question Period, when meetings were held --9 that is, in the Centre Block of Parliament -- when 10 11 meetings were held with Mr. Mulroney, the photographer -- the official photographer of the Prime 12 13 Minister -- took pictures of whoever was there. 25334 MR. WOLSON: Was there an opportunity 14 for the photo --15 Obviously, if one were taken. 16 25335 17 25336 MR. F. DOUCET: Yes. 18 25337 MR. WOLSON: So there was a social 19 component to the visit, obviously. There would be no other reason to take a photograph, other than a memento 20 to people perhaps that were there. 21 22 25338 MR. F. DOUCET: Conceivably, but I 23 just want to let you know, and the Commission, that this happened all the time during that particular time 24 The official photographer was around always. 25 slot.

StenoTran

MR. WOLSON: What would happen to the photograph? MR. F. DOUCET: I'm sorry? MR. WOLSON: What happened to the photograph? Did you get a copy, for instance? MR. F. DOUCET: I didn't. Most of the time the photographs would be sent to the people who were photographed. MR. WOLSON: So you would expect, then, that Mr. Schreiber -- obviously, you probably had many photographs with the Prime Minister. MR. F. DOUCET: Yes, I did. MR. WOLSON: So the idea would be that you would take a photograph with a quest --MR. F. DOUCET: Yes. MR. WOLSON: -- and that would be a very nice memento of a visit with that person. MR. F. DOUCET: Correct. MR. WOLSON: It's a nice human touch. MR. F. DOUCET: That was the purpose of the photographs. MR. WOLSON: Right. Thanks so much. MR. F. DOUCET: You're welcome. COMMISSIONER OLIPHANT: Is there any

StenoTran

reason why Mr. Doucet ought not to be excused at this 1 point in time? 25356 MR. WOLSON: None at all. 25357 COMMISSIONER OLIPHANT: Mr. Doucet, thank you very much, sir, you are free to leave. 25358 MR. F. DOUCET: Thank you. MR. WOLSON: It is 3:15, and I have 7 25359 no other witnesses available for today. I am about to duck behind the lectern, because I know you like to have matters proceed along the way, but I know that all 11 counsel have a lot of work to do, in various areas, and we could use the time for sure. I assure you that we are on time, Mr. Commissioner --25360 COMMISSIONER OLIPHANT: We will stop now, Mr. Wolson, that's fine. --- Laughter / Rires 17 25361 COMMISSIONER OLIPHANT: You and I will talk when we get back to the office. 19 25362 MR. WOLSON: I am sure we will. --- Laughter / Rires 25363 MR. WOLSON: In any event, we are on 21 time.

COMMISSIONER OLIPHANT: Fine. 23 25364 Nine-thirty tomorrow morning, and I understand that 24 former Prime Minister Campbell will be the witness. 25

1 25365 MR. WOLSON: She will be, and also 2 Mr. Beatty tomorrow, and I think that Mr. Roitenberg is 3 going to see whether he could be on standby for the morning, because I don't think the former Prime 4 5 Minister will be on the stand for a lengthy period of time. 6 25366 So, hopefully, we can proceed with 7 8 Mr. Beatty right afterwards. 9 25367 COMMISSIONER OLIPHANT: The question begs to be asked, if we finish with Mr. Beatty by noon 10 11 or so, what are we doing tomorrow afternoon, Mr. Wolson? 12 13 25368 MR. WOLSON: We are working. 14 25369 COMMISSIONER OLIPHANT: I see. 15 MR. WOLSON: It may not be before 25370 16 you, but I assure you that my friends have a lot of work to do, as do your counsel. 17 18 25371 COMMISSIONER OLIPHANT: I understand 19 that. 20 25372 Thank you very much. Good afternoon, counsel. 21 22 --- Whereupon the hearing adjourned at 3:20 p.m., to 23 resume on Wednesday, April 29, 2009 at 9:30 a.m. / L'audience est adjournée à 15 h 20, pour reprendre 24 le mercredi 29 avril 2009 à 09 h 30 25
